☞ *Prepare for the War.*—We are not in the habit of puffing patent medicines, but there is one which we feel it our duty to recommend to our Volunteers, as a most excellent remedy for the disorders incident to a change of water, diet and climate; we allude to JAYNE'S CARMINATIVE BALSAM, which has been tested by many of our citizens and found to be all that is claimed for it.—Rev. Asa Shinn, one of the first of our clergy, in 1843 tested the medicine, and recommended it as an unfailing remedy for diseases of the stomach and bowels, to which our Volunteers will be subject ere they reach Mexico. A bottle should be placed in the knapsack of every soldier, and the price is such as to place it within the reach of all. It can be procured at the Pekin Tea Store, Fourth street, near Wood.—*Dispatch.* dec17

Important to Consumptives.—Strange! that so many who are afflicted with a Cough that is gradually wearing them down, and slowly but surely, stealing them into that *dreadful disease Consumption*—that disease which carries off thousands daily—are doing nothing, or, what is worse than nothing, are gorging themselves with nostrums that are puffed to the skies for cures they are said to have effected on some foreign or unknown persons, when they can be positively cured by using Dr. Rogers' compound Syrup of Liverwort and Tar, which continues to make the most remarkable cures ever recorded in the annuals of Medicine; which is proved by reference to the vast number of certificates from the first and most respectable citizens—such as the Hon. Judge William Burke, the wife of the Rev. Geo. Maley; Doctor Wm. Richards; Mrs. Hiram Plummer; Devinney Ludlow, Esq., of Cincinnati; and a great number of others in this city.—Certificates of not only of remarkable cures of distressing Cough, but cases of Consumption positively cured, after physicians of the highest standing have given them up to die!

For sale by D. C. Kneeland, principal agent, Grant street, one door below 2d.
