GREAT ITALIAN REMEDY.

PHILADELPHIA, April 26, 1846.

Being afflicted for some 8 years with that most distressing disease, the asthma, and for the last 3 years much of the time confined to my room, and at several different times my life was despaired of; I concluded to obtain some of Marconi's Sicilian Syrup, which was recommended to me by a friend from New York, who stated that it had cured some of the most inveterate cases known to the medical profession. Suffice it to say, that, after using the above medicine for about 4 weeks, I was entirely relieved, and I believe radically cured. Yours with respect,

OLIVER W. OWEN,

NEW YORK PEKIN TEA COMPANY.

CAUTION TO THE PUBLIC.

ALEXANDER JAYNES is the only authorised agent in Pittsburgh and Allegheny cities, for the sale of the Pekin Tea Company's Teas of 75 and 77 Fulton st.; New York. Another person in Pittsburgh pretending to sell our teas is an impostor, and deceives all who may patronise him. It is commonly known that the Pekin Tea Company's teas have proved superior to all other teas sold; and for this reason many persons have dishonestly pretended to have the sale of the Pekin Tea Company's teas, when they are all the time vending trash and cheap stuff which they have obtained elsewhere. Others again assume the name of Tea Company and imitate our packages, and thereby deceive many.

We are informed that there is a person in Pittsburg selling Teas under the name of the New York and Philadelphia Pekin Tea Company. We have only to say that this assumed company have no connection whatever with the New York Pekin Tea Company, as consumers of tea will readily discover by comparing the article they sell with the genuine tea, sold by the New York Pekin Tea Company, at the store of A. Jaynes, 72 Fourth st.

N. B. Messrs. M'CALLMONT & BOND, of Philadelphia, have no connection whatever with the New York Pekin Tea Company, nor have they any right or privilege to sell teas under a name so nearly resembling ours, as to have a tendency to mislead the public. DOUGLASS & CO.,
