Morning and Evening Reading.

THE CATTLE DISEASE.

The disease continues to attract much attention in the Northwest.—The committee appointed by the Illinois State Agricultural Society report that the disease affects only those native cattle grazing upon territory traversed by Texas cattle, or in pastures with them. Stock dealers have held meetings throughout the State, and are resolved to resist the further importation of Texas or Cherokee cattle, by prosecuting all persons engaged in the business. At Cincinnati the consumption of beef is said to have fallen off greatly, in consequence of the panic created by the disease. A letter from New York says:

"The cattle disease is unquestionably curtailing the consumption of beef. At the Bull's Head there is a sensible diminution of the number of animals on sale, and the butchers' bills of most of the hotels exhibit a corresponding abbreviation. One house in Broadway, which usually averages $700 per week, now finds $250 sufficient; another over in Brooklyn, which usually buys $180 worth, has dwindled down to $45, and the same state of things, it is probable, exists at other places. Mutton, veal, pork and fish alone are in favor at the restaurants."

THE SHIPMENT OF DISEASED CATTLE.—Considerable alarm has been created among the farmers and cattle dealers, in this and adjoining counties, by the statements recently made that diseased cattle had been shipped east over the Pennsylvania Railroad. The following statement therefore of Mr. Edward H. Williams, General Superintendent of the Pennsylvania Railroad, which was made at a special meeting of the Mayor and City Councils of Altoona held on the 24th inst., will be read with insterest. Mr. Williams stated "that the inspection of cattle at the Pittsburgh yards was as thorough and careful as it was possible to make it, and it was not proably that any diseased cattle would be shipped east from that point on their trains; they would be stopped as soon as ascertained and be unloaded, and care taken that the infection should not spread. He also stated that the Western roads centering in Pittsburgh were taking every precaution to prevent the transportation of diseased cattle over their lines, and that they would doubtless soon succeed in getting it under control."—*Lancaster Intelligencer.*

THE RADICAL CONSPIRACY!

The Oath-bound, Secret and Revolutionary G. A. R. Exposed!

Horrible Oath of the Supreme Degree!

We give below an exposition of the character of the Radical military secret society, which has been organized for the purpose of overthrowing the liberties of the people. The attention of the Government has recently been called to the treasonable character of the organization known as the "Grand Army of the Republic," and the ritual, oaths, &c., have been discovered and are now in the possession of detectives. The oath of the Supreme Commandery, which we print below, is of a most horrid and revolting character, and should open the eyes of all men who still cling to the Constitution and a republican form of government. Concerning the character of the lower degrees, we are furnished the following:

The "Post" is the initiatory degree in this order, and here the rite of initiation is very simple. In order to include those who have been in the service of the United States into joining them, the statement is made that the G. A. R. is not of a political character and that its object is only to promote the interests of those who were in the army. But upon initiation the novice is obligated to vote for a soldier as against a civilian, unless otherwise instructed by the order, which means that in case a Radical civilian is a candidate for office against a Democratic soldier, the order will instruct its members to vote for the civilian. In this way the "Post" is used as a political machine, and as it is under the control of the Supreme Commandery, this subordinate branch is subject to *military duty* under the orders of the Supreme Commander. This, however, is studiously concealed from the knowledge of the members of the 'Post,' and so are many other things which are decoyed safe only in the breasts of the members of the higher degrees. Only those who have risen to the grade of 'Brigadier General' in the order, can take the highest degree, and only upon taking the following oath:

"I, ——, in the presence of Almighty God and upon his Holy Evangely, do solemnly swear that I will bear true allegiance to the American Nation, that I will recognize all men without distinction of race or color as my political equals, and that I will oppose and stand ready, at all hazards, to assist in abrogating, or if need be in overturning, all laws, under whatever name, not in harmony with this doctrine of equality; and I furthermore swear that I will, at all times and under all circumstances, favor the concentration of power in the Federal Government and oppose the idea of reserved rights residing in the States, or in the people; and I furthermore swear that I will resist, to the extent of my power, even if it should require the sacrifice of life itself, the continuance of the States Rights theory in the policy of the Government of the United States; and in token of my sincerity, I hereby announce my willingness to submit to the extreme penalty, even death, which this order may choose to inflict upon me, if at any time I should prove unfaithful to this, my oath of loyalty. So help me God and keep me true."

Thus are the revolutionary and treasonable purposes of this oath-bound conspiracy unveiled. It can scarcely be possible that any soldier, who fought for the preservation of the Constitution, which this order seeks to subvert, will continue in fellowship with it, after learning its atrocious designs. We call upon all who are members of inferior degrees, those who have united themselves with the various "Posts" throughout the country, whether they are Republicans or Democrats, to at once disengage themselves from the association which they have been led. Will honest Leave this revolting and principled cabal, and disdain to be the tools and the conspirators who seek to make you their instruments in overthrowing your own, as well as the public liberty.—*Patriot.*

DURING the second session of the Fortieth Congress there were 2,780 penknives distributed among the members of the House, at a cost of $5,820, or there than $2 each. There were 74 members of that body, thus giving 14 knives and a fraction to each member, or about $30 for each member of pen-knives during one session of Congress.

"GOOD morning, Mr. Henpeck," said a printer in search of female compositors, "have you got any daughters that would make good type-setters?" "No, but I have got a wife that would make a very fine devil."

THE New York *Times*, a Radical journal, fears the Democratic majority in that city may reach 90,000.

This world renowned remedy for the unfailing cure of

DYSPEPSIA,

Indigestion, Sick Headache, Sourness or Acidity of the Stomach, Rising of Food, Flatulency, Lassitude, Weariness, Biliousness, Liver Complaint, finally terminating in Death,

urgently urged upon the attention and trial of sufferers from this most horrible of all diseases. Dyspepsia shows its ravages in a thousand different forms, in fact, all diseases of the Stomach and Bowels, with all their complaints, such as Sick Headache, Heartburn, Depression, general sense of uneasiness and feeling that you are not well. Food distresses you, rises and sours on your stomach; breath is bad; skin at times flushed and hot; don't feel as if you could move or stir about, and worst of all, Indigestion or Constipation, are nothing more or less than Dyspepsia. Thousands upon thousands suffer and die this way and neither themselves or physicians know what ails them, except that they are surely dying.

Reader, we repeat it, this is all Dyspepsia. If you would have proof of our statement, if you would save yourselves and children from an early grave, if you would have health and energy and strength, again we beg you try one bottle of

COE'S DYSPEPSIA CURE.

You will see how soon it will dispel your bad feelings and gloomy forebodings. How soon it will chase away any species of Dyspepsia. How soon it will give you new life and vigor, and how soon it will make a well man or woman of you. For your own sake, for the sake of everybody suffering, we beg, we entreat you to try it.

For Liver Complaint & Bilious Derangements

It is a Sovereign Remedy, while for Fever and Ague, and all those diseases which are generated in a miasmatic climate, it is a certain preventive and cure.

That its wonderful medicinal virtues may not stand alone on our statement, we append a few unsolicited testimonials from those whose position in society and reputation as citizens will place their evidence beyond all question, and carry with them strength and conviction to the most incredulous.

Mr. Lester Sexton, a wholesale merchant of 30 years, in Milwaukee, one of the most reliable and careful men in the State, says, under date

MILWAUKEE, Wis., Jan. 24, 1868.

MESSRS. C. G. CLARK & Co., New Haven, Conn.

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved PERFECTLY satisfactory as a remedy. I have NO hesitation in saying that we have received GREAT BENEFIT from its use.

Very respectfully,
(Signed) LESTER SEXTON.

(*From Rev. E. F. Ward, Avon, Lorain co., O.*)

MESSRS. STRONG & ARMSTRONG,

Gentlemen—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been troubled for years greatly with Dyspepsia, accompanied with violent paroxysms of constipation which so prostrated her that she was at the while, for months, unable to do anything. She took, at your instance, Coe's Dyspepsia Cure, and has derived GREAT BENEFIT FROM IT, and is now comparatively well. She regards his medicine as a great blessing. Truly yours,

Jan. 13th, 1868. L. F. WARD.

CONCLUSIVE EVIDENCE.

NEW HAVEN, CT., June 2, 1867.

MESSRS. C. G. CLARK & Co.

GENTS:—Being anxious, from the great benefit derived, to assist in spreading the fame of Coe's Dyspepsia Cure, I would state my case. Something over a year ago, I had a violent attack of Diarrhea, which lasted eight weeks, during which time I employed three physicians, but without relief, until I tried Coe's Dyspepsia Cure. The first dose helped me; I took it three times a day for a week and was entirely cured; and I believe to-day that it saved my life. Being attacked in a similar way this season, I took one dose, which put me all right. I would advise every family to keep it on hand ready for immediate use, in case of Summer or Bowel Complaints.

C. DUNN.

The above Mr. Dunn is in our employ, and we can vouch for the above statement being true. E. ARNOLD & CO.

Coe's Dyspepsia Cure

will also be found invaluable in all cases of Diarrhea, Dysentery, Cholera, Summer Complaints, Griping and Pain, and every disordered condition of the stomach.
