Wise and Otherwise.

A Medley.

The boy stood on the burning deck
With his baggage checked for Troy;
One of the few, the immortal names—
His name was Pat Malloy.

By the lake where dropped the willow,
Row, vassals, row!
I want to be an angel
And jump Jim Crow.

An old crow sat on a hickory limb,
None named him but to praise;
Let me kiss him for his mother,
For he smells of Schweitzer kase.

The minstrel boy to the war has gone,
With the banjo on his knee;
He woke to hear his sentries shriek
There's a light in the window for thee.

A frog he would a wooing go,
His hair was curled to kill;
He used to wear an old gray coat
And the sword of Bunker Hill.

Oft in the stilly night,
"Make way for liberty," he cried,
I won't go home till morning,
With Peggy by my side.

I am dying, Egypt, dying,
Susannah, don't you cry!
Know how a sublime a thing it is
To brush away a blue tailed fly.

Mary had a little lamb,
He could a tale unfold,
He had no teeth to eat hoe cake,
And his spectacles were gold.

Lay on, lay on, Macduff,
Man wants but little here below;
And I'm to be Queen of the May,
So kiss me quick and go.

Natural Biography by Josh Billings.

THE HUM BUGG.

The mos vain and impudent bugg known to naturalists (or enny other private individual) iz the hum bugg

They have no very partickular parents nor birth place, are born a good deal as tud stools are, wherever they kan find a soft stop.

It haz ben sed by commontaters, that Satan himself iz the father ov hum buggs—if this is a fakt he haz got mor children than he kan watch, and sum very fast yung ones among them.

The hum bugs don't generally live a grate while at once, but hav the facilty ov dieing in one place and being suddenly born in another.

They are awl genders including, the markuline, faminine and nutral, and kan liv and grow phatt whare an honest bugg would starve to death begging.

The hum bugg will eat ennything that they kan bite, and rather than loze a good meal will swallow a thing whole.

Evry one sez they dispize the hum bugg and yet evry one iz anxious to make their acquaintance.

They have the extra tew awl cirklez ov sosiety without knocking, from the highest tew the lowest, and tho often kicked out, are welcomed again and flattered more than ever.

The hum bug haz more friends than he knows what to do with, but he manages tew giv general satisfaxshun by cheating the whole of them.

The Bible sez the grasshopper iz a burden"—and i believe it—but i think the hum bugg iz the heaviest bugg of the two.

But the world kant well spare the humbugg; take them all out ov the world, and it would bother even an honest man tew git a living, for there doesn't seem, jist now, to be honesty enuff on hand to dew our immense dry good bizness with.

Honesty iz undoubtedly the best policy for a long run, but for a short race, hum bugg haz made sum excellent time.

I hev ben bit bi this bugg miself several times, but not twice in the same spot—i follow the Skriptures whar the hum bugg iz plenty, if one bites me on one cheek, i turn him the other cheek also, but i don't let him bite the other cheek also.

There ain't enny boddy, i suppose who actually pines tew be bit bi this selebrated bugg, they only luv tew se how near they can kum to it without missing.

Human natur iz chuck full ov curiosity and curiosity iz what hum bugg makes menny a warm meat oph of.

Sum ov these buggs are not so sharp bitten and pizen az others but this is not so mutch owing tew their disposishun az it iz tew their nature; they all ov them bite the full length ov their teeth.

If there iz ennybodny who hain't never been bit bi a hum bugg yet, he must be sumboddy who haz alwuz staid at hum with his uncle, and lived on bread and milk, or was born dumb all the way through and couldn't feel any kind ov a bight.

If i should here a man brag that one ov theze buggs *couldn't* bite him i should set him down at once for a man who wan't a good judge ov the truth. The bite ov a hum bugg is wuss than a hornet's and always differerent from a dog's for the dog growls then bites, but the hum bugg bites, and lets you do the growling.

THE BUGG-BEAR.

Natural history haz its myths and its ghosts, az well as annybody else and foremost amung theze iz—the bugg bear.

The bugg bear iz born from an imaginary egg, and iz hatched bi an imaginary process.

They are like a shadow in the afternoon alwas a good deal bigger than the thing that kasts it.

They are composed ov two entirely different animals, the bugg and the bear but generally turn out to be pretty much all bugg.

They are like the assets ov a bankrupt broker, the more you examine them the smaller they grow.

A LITTLE Buffalo girl wants to know if fleas are white—because her uncle told her that little Mary had a lamb with fleas as white as snow.

A COTEMPORARY says that a "roasted onion bound upon the wrist on the pulse, will stop the most inveterate toothache in a few minutes."

"Imaginashun, tew much indulged in, soon tortured into reality; and this is one way that good hoss thieves are made; a man leans over a fence all day, and imagines the hoss belongs tew him, and sure enuff, the fust dark night, the hoss docs.

IT IS A FACT!

Capable of ocular demonstration, that the prices of Cloths, Cassimeres, Ready-Made Clothing and Furnishing Goods, are less than one-half what they were during the war, at the Merchant Tailoring establishment of

S. S. RATHVON,

Corner North Queen and Orange Streets, opposite Shober's Hotel, Lancaster, Pa.

This is the oldest establishment in this line of trade in Lancaster county, and is selling, at this time, fine Moscow, Esquimaux, and common Beaver Overcoats from $15 to $20; Common Union Beavers from $10 to $15; Common Union Beaver Business Suits from $12 to $15; Good Cassimere Suits from $16 to $20, and fine qualities from $25 to $30. A few suits on hand as low as $10. Cloths, Cassimeres and Trimmings as low as they can be obtained anywhere else, and sold by the yard to those who may wish to have them made at home, or elsewhere.

Overcoats, Dress Coats and Business Suits made to order with dispatch, and in the best and most fashionable manner, at the customer may desire. All kinds of cutting and repairing done at reasonable prices. An entire new stock got up for the Fall and Winter trade of 1868 and 1869, and manufactured in the city of Lancaster. It would be to the interest of the public to call and realize that "IT IS A FACT."
