NEW YORK PEKIN TEA COMPANY.

CAUTION TO THE PUBLIC.

ALEXANDER JAYNES is the only authorised agent in Pittsburgh and Allegheny cities, for the sale of the Pekin Tea Company's Teas of 75 and 77 Fulton st., New York. Another person in Pittsburgh pretending to sell our teas is an impostor, and deceives all who may patronize him. It is commonly known that the Pekin Tea Company's teas have proved superior to all other teas sold, and for this reason many persons have dishonestly pretended to have the sale of the Pekin Tea Company's teas, when they are all the time vending trash and cheap stuff which they have obtained elsewhere. Others again assume the name of Tea Company and imitate our packages, and thereby deceive many.

We are informed that there is a person in Pittsburg selling Teas under the name of the New York and Philadelphia Pekin Tea Company. We have only to say that this assumed company have no connection whatever with the New York Pekin Tea Company, as consumers of tea will readily discover by comparing the article they all with the genuine tea, sold by the New York Pekin Tea Company, at the store of A. Jaynes, 72 Fourth st.

N. B. Messrs. McCALLMONT & BOND, of Philadelphia, have no connection whatever with the New York Pekin Tea Company, nor have they any right or privilege to sell teas under a name so nearly resembling ours, as to have a tendency to mislead the public. DOUGLASS & CO.,

PULMONARY BALSAM—Messrs. Reed & Cutler: I feel it a duty I owe to my fellow creatures to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure within a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventative, and prevention is better than cure. I do therefore, for the love of my fellow-men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day. BENJAMIN PARSONS.
