A WEIGHED HEAD!

MCDONALD'S INFIRMARY,

Established 18 years ago by Dr. Kinkelin, N. W. corner of Third and Union streets, between Spruce and Pine sts., Philadelphia.

EIGHTEEN years of extensive employment in the treatment of all the diseases of a private nature—to those afflicted with ulcers in the throat, throat or lungs, stiffness of the joints, pains in the bones, rheumatism, chronic or nervous headache, nursing from youthful excesses or impurity of the blood, weakness of the spine, or any other cause rendering marriage improper, he can confidently recommend the Doctor with confidence.—The office is a private one.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases their lives, in the hands of physicians ignorant of the causes of maladies. It is certainly innocuous for one man to undertake, in a delicate manner, a family practice, and yet, by every appearance to have been but a novice in that in which he pretends to excel, than for their professional rank to that be a regular graduate of his time and studies.

YEARS OF PRACTICE, exclusively devoted to the study and treatment of diseases of the sexual system, together with ulcers upon the body, throat, nose or legs, pains in the head or bones, mercurial rheumatism, venereal, gravel, irregularities, disease of the urinary organs, or impurities of the blood, whereby the constitution has become enfeebled, emboldens Doctor to offer speedy relief to all who may place themselves under his care.

Medicine forwarded to any part of the United States.—Price Five and Ten Dollars per bottle.

$500 Challenge.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance, it takes for granted that every person will do all in their power to save the lives of their children, and that every person will endeavor to promote their own health as far as effectual. It is deemed to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; I can have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and fullness of the Belly, Dry Cough, Slow Fever, Fitts, Irregularities, &c. &c. &c. If you have any of these symptoms, remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where bowel Complaints and Diarrhoea have made them Weak and debilitated the Tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines, for giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened, in the Intestines and Stomach affecting the health so badly as to cause all Vital Disease, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm. Satisfying themselves that in order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be improper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 1 Tablespoonfull 3 times a day. These directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of the system is more liable to disease than the LIVER—it serves as a filter to purify the blood, or giving the proper secretion to the bile—so that any wrong action of the Liver effects the other important parts of the system, and results variously in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS and PLANTS furnished by nature to heal the sick:—Namely, 1st. An EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2d. An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3d. A TONIC, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In a particular either one or partial, they have been found of inestimable benefit restoring that functional arrangements to a healthy action—purifying the blood and other fluids so effectually as to put to flight all complaints which may arise from female irregularities, as Headaches, Giddiness, Dimness of Sight, Pain in the Side, Back, &c.

None genuine unless signed J. N. HOBENSACK—all others being base imitations.
