PORTER'S *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Buildings, Baltimore, Md.
Mr. Porter respectfully announces that he has at considerable expense fitted up apartments, and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.
Mr. Porter is aware that the impression has gone abroad (owing to the many failures to produce good pictures,) that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.
Ladies and gentlemen are invited to call and examine specimens.
Instructions given, and instruments and materials furnished upon reasonable terms.
All orders from country operators promptly attended to. nov25-tf

THE subscribers would respectfully return their thanks to their friends and the public, for the very liberal patronage bestowed since the commencement of the new firm, and would earnestly solicit a continuance of the same.
They would respectfully invite those who want to purchase anything in the furniture or chair line, to give them a call and examine their extensive stock now on hand, consisting of some of the most splendid Eastern and French patterns of Rosewood and Mahogany Furniture. Flattered by the very extensive patronage received in their business, they have, at considerable expense, made arrangements in New York, by which they will have the latest Eastern and French patterns forwarded monthly, thus giving the citizens of Pittsburgh an opportunity of patronizing home industry, and finding in their own city what they formerly would obtain only in the East. Having adopted the principle of small profits and quick sales, they will be able to sell at as low rates as any of the establishments in the Eastern Cities.

UNDLUSHING IMPUDENCE—From a published card of M'Callmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned some time since, the exclusive agency system," and that we have right to claim "exclusive privileges with *their* teas." I never pretended to sell the teas of this spurious concern. I have been selling the teas of the New York Pekin Tea Company for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this *new* concern until lately but as *wool* dealers.
The tea business of M'Callmont & Bond is about eight months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume; but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Co. of New York, is entirely false, they having been denied even an agency in Philadelphia, for the New York Company, that Company having refused even this far to confide in them.
I know not what kind of wool they keep, nor what kind of teas; I am only certain that they keep or obtain none of the Pekin Tea Company's of New York.
Any person reading this card will see the gross deception they wish to practice on the public, and to the injury of my business; M'Callmont & Bond are wool dealers in Philadelphia, and have sent an agent out here to pull wool over the eyes of some of our good citizens. Look out for the black sheep.
