Important Information!

London's Indian Expectorant

THIS REMEDY is offered to the community with the confidence we feel in an article which fails to realize the happiness which it is designed. So with little faith of its usefulness, and so numerous the cases of its cures, that almost every person of the country who needs it, has personally proven, or knows of some one who has proven it a sovereign remedy. How is it one can be AGAIN DECEIVED? BUT THIS ARTICLE CURES!

THE DAY ARRIVED, That my wife lay sick for twelve months, as for the hundredth time, with the disease of the lungs, and every remedy prescribed by the Doctors fail to give relief. I gave her a bottle of your Indian Expectorant, and the physician at his next visit pronounced her on the road to health. I gave her the remainder of the bottle, and she is now a healthy girl. LOUDON & CO.'S INDIAN EXPECTORANT, and the result was most happy, as she was of three bottles of Cold in a permanent cure, and he is now a hearty boy. JAMES LAYTON.

SHAVING AND HAIR-DRESSING.

Neat by the Barber Graham's Base,

The question has often been asked
Why Pleasants can shave sixteen?
That customer who shave with him
A beard's most keep, I ween.

He shaves for a "cent," and if you are willing,
Will take off your hair in a time for a "sentime."
So come along, ye jolly boys so thick,
For Pleasants is the man to do it cheap and quick.

The reason may readily be seen
Why his custom is so large:
His towels all are clean—his razors all are keen,
And you'll always find him *Pleasant* in—a charge.

Just go to Pleasant's and you'll be
Like Sheba's Queen of old
Pleased and delighted, and exclaim
The half has not been told.

Don't forget the place—in Graham's Row, above B. Stumph's shoe shop.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

DORCHESTER, MASS., 20th Dec., 1856.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the accompanying symptoms of a Cold, is your CHERRY PECTORAL. The testimony also in my family and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. FINIS KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for the purposes ever put out. With a bad cold I should scarcely pay twenty-five dollars for a bottle than do without it, if I could not take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1858.

BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the most dangerous diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTREAL, IA., writes 24 Jan., 1858: "I had a bilious Influenza, which confined me to doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1858.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARRS, Merchant.

A. A. RAMSEY, M. D., AUBURN, MONROE CO., IOWA, writes, Sept. 6, 1858: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most astonishing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

AYER HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been two months laboring under the dangerous symptoms of Consumption, from which no aid she could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merit of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win universal confidence upon the esteem of all men. They are sweet and pleasant to take, but powerful to cure. Their penetrating purge thoroughly cleanses the vital activities of the body, removes the obstructions of its organs, purifies the blood, and expels disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have left their homes to certify to the public the reliability of my remedies, while others have sent me the statement of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is prepared to furnish gratis my American Almanac, containing directions for their use, and testimonials of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache, arising from a foul stomach, Sudden Prostration, Mental Depression of the bowels and Palpitation, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not have proved if they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Debility, Derangements of the Liver and Kidneys, Gravel, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best all there is for them, and they should have it.
