New York Pekin Tea Company.

CAUTION TO THE PUBLIC.

ALEXANDER JAYNES is the only authorized agent in Pittsburgh and Allegheny cities, for the sale of the Pekin Tea Company's Teas of 75 and 77 Fulton st., New York. Any other person in Pittsburgh pretending to sell our Teas is an impostor, and deceives all who may patronize him. It is commonly known that the Pekin Tea Company's Teas have proved superior to all other Teas sold, and for this reason many persons have dishonestly pretended to have the sale of the Pekin Tea Company's Teas, when they are all the time vending trash and cheap stuff, which they have obtained elsewhere. Others again assume the name of the Pekin Tea Company and imitate our packages, and thereby deceive many.

We are informed that there is a person in Pittsburgh selling Teas under the name of the New York and Philadelphia Pekin Tea Company. We have only to say that this assumed company have no connexion, whatever, with the New York Pekin Tea Company, as consumers of tea will readily discover by comparing the article they sell with the genuine tea, sold by the New York Pekin Tea Company, at the store of Alexander Jaynes, No. 72 Fourth street.

N. B.—Messrs. McCALLMONT & BOND, of Philadelphia, have no connexion, whatever, with the New York Pekin Tea Company, nor have they any right or privilege to sell teas under a name so nearly resembling ours as to have a tendency to mislead the public.

THE READY RECKONER.—For Ship Builders, Boat Builders, and Lumber Merchants; being a correct measurement of scantling, boards, planks, cubical contents of square and round timbers, saw logs, wood, &c., comprised in a number of tables, to which are added tables of wages by the month; board or rent, by the week or day; and railroad distances; also, interest tables—by J. M. Scriber, author of the "Engineer's and Mechanic's Companion," &c., &c. For sale by JOHNSTON & STOCKTON, mar16 Booksellers, cor. Market and Third sts.

UNBLUSHING IMPUDENCE.—From a published card of M'Calmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned, some time since, the exclusive agency system," and that we have right to claim "exclusive privileges with *their* teas." I never pretended to sell the teas of this spurious concern. I have been selling the teas of the New York Pekin Tea Company for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this *new* concern until lately but as *wool* dealers.

The tea business of M'Callmont & Bond is about eight months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume; but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Company of New York, is entirely false, they having been denied even an agency in Philadelphia, for the New York Company, that Company having refused even thus to confide in them.

I know not what kind of wool they keep, nor what kind of teas; I am only certain that they keep or obtain none of the Pekin Tea Company's of New York.

Any person reading this card will see the gross deception they wish to practice on the public, and to the injury of my business. M'Callmont & Bond are wool dealers in Philadelphia, and have sent an agent out here to pull wool over the eyes of some of our good citizens. Look out for the black sheep. [nov10] ALEX. JAYNES.

Vegetable Pulmonary Balsam.

IT is now twenty years since I first used the Vegetable Pulmonary Balsam in my family. Since that time it has been my practice to keep a bottle of the article by me for the use of my friends. I have uniformly found it to be a very valuable, efficient medicine; and think, that by using it seasonably for the complaints for which it is recommended, it has often prevented the disease from taking a more serious form. In one instance, I recommended it to my brother, who resides in the State of New York, who was dangerously ill with a disease of the lungs. He has since written to me for more, having found nothing which gave him so much relief. OTIS PECK.

J. S. MORRIS & CO'S BLACK WRITING INK, *For Steel or Quill Pens, and the Copying Press.*—This Ink is the result of the experiments of several years, devoted to the manufacture, on an extensive scale, of an article suited to all the purposes of the consumer. The particulars of this Writing Ink consists in the following properties: FLUIDITY—in which property it will be found to surpass all previous preparations. It will flow with perfect freedom, either from quill or steel pens, and is entirely free from any corrosive qualities. COLOR—The color of this article is a rich, beautiful blue black.

☞ All good black Ink, from its necessary chemical constitution, requires exposure to the air to impart a deep color. It must not, therefore, be expected, that the moment the bottle is oped, the ink will be found to be a jet black. The first appearance will be pale; but after exposure to the chemical action of the atmosphere, either on paper or in the inkstand, it will assume a brilliant black hue.

PERMANENCY—The color is unalterable by the lapse of time. It will never fade. On this account, all important records should be made in this article, as years only deepen and strengthen its tint.

N. B. This Ink is suitable for all kinds of Metallic Pens, and for Pens made of Quills; and what is important and very desirable with many, will give a perfect impression by the Copying Press.

"We are using, in the institutions with which we are connected, *Morris' Blue Black Writing Ink;* and, in respect to fluidity, brilliancy, and permanency, believe it superior to any Ink we have heretofore used." [Signed,]

Labor Saving Powder!

MOUNT EAGLE TRIPOLI, MANUFACTURED AT THE BOSTON MOUNT EAGLE WORKS.

FOR cleaning the surface of *Windows, Mirrors,* and *Glass Ware,* and restoring it to its original transparency, this article is decidedly without an equal. Both time and labor are saved by its use. A thousand references could be adduced, if necessary, to certify to this fact.

It will remove the oxide from the surface of *Gold, Silver, Copper, Brass, Britannia, Tin, &c.,* with the greatest facility, giving it an unrivalled polish.

A fair trial is all that the proprietors ask, and will convince the most skeptical of its utility.

Directions for Use.—Let the Powder be applied upon a damp, soft woollen cloth. With a very little exertion, every particle of oxide may be removed.
