Mr. T. H. Wilson, our foreman, is authorized to receipt for money paid into the office on account of subscription, advertising, job work, &c., in our absence.

GEO. R. GOODLANDER,
Editor and Proprietor.

THURSDAY.....April 23, 1868.

Miss Mary E. Walters will open a select school in the Town Hall for a term of eleven weeks, commencing on Monday May 4th, 1868.

A bill passed the Legislature at the late session annexing Fox township to Jefferson and Elk counties. We will publish the bill as soon as we can get a copy.

We are requested, by the Superintendent, to say, that the Normal School will open, in this place, and continue in session Eleven weeks, on the 11th day of May next.

The Administrators of the late Wm. Buchanan, of Penn township, will sell at public sale on Monday, the 4th day of May next, all the personal property belonging to said estate. See their advertisement and handbills.

The Legislature at its late setting passed a bill changing the time for electing township and borough officers in this county. These officers will hereafter be elected on the second Tuesday of October.

On Palm Sunday Rev. H. W. Beecher went into his Church with a crown on his head and palms in his hand. Henry is an eccentric cuss, and plays off these tricks for cash only. Income tax last year $38,000.

We are pleased to learn that a select school will open, on the 11th or 18th of May next, in the basement of M. E. Church, in the upper end of Bell tp. This will give the Teachers, young ladies and gentlemen of that section a fine opportunity to improve their mental faculties. A first class Teacher.

The next trial of John H. Surratt is now set down for the 11th of May. The nigger jury law is to be in full blast at the National Capital by that time, and then a jury can be packed like Joe Holt's Military Courts to convict.

Prof. Harrison will re-open his school on the 4th of May next. We direct the attention of the reader to his advertisement elsewhere. He is one of the most competent and successful Teachers in the State and deserves to be patronized.

Grey hairs, although accounted an honor by the old, have never been so considered with respect to the middle aged or young. These can be easily remedied by the use of "Barrett's Vegetable Hair Restorative." The only thorough renewer and preventative of all diseases of the scalp.—*Ogdensburg Journal.*

In accordance with his will, Talleyrand, the celebrated French diplomat, stipulated that his papers and memoirs should not be published until thirty years after his death. As this occurred on the 17th of May, 1838, the time will soon be up when the seal will be broken and the public allowed to see him as he was.

Additional Court.—In accordance with the act of Assembly published in this issue, there will be a court held commencing on the 4th Monday (25th) of May for the trial of civil causes. This act will greatly facilitate the civil business of our county and must in a few years at farthest bring matters even.

Reconstruction—B. F. Rice, of Minnesota, and A. R. McDonald, of Williamsport, in this State, have been elected United States Senators by the negroes and bureaucites of Arkansas, and are now in Washington, trying to get their seats, although the Rumpers have not yet accepted the loyal job as reconstructed by the carpet-bag bummers.

—Senator Wilson tries to pull the wool over the eyes of temperance people by saying that he "never saw Grant drinking." Wendell Phillips thinks this is mighty poor testimony, because he can find ten million who never saw him drink, but that don't prove that he is not a drunkard.

The N. Y. *Tribune* calls the defeat of its party in Connecticut, "a serious break in the Presidential line." Rather it's the first twist in the cord which is to suspend by the neck Grant's Presidential expectations. We trust there is little danger of the line breaking.

The Mississippi mongrel convention has passed an "ordinance" removing political disability from one of its Radical members, and from J. L. Morris, and J. S. Wofford, two Radical candidates upon the State ticket. How wondrous good a "bloody-handed traitor" becomes the moment he joins the mongrel party and swallows the nigger!

The name of General Schofield was sent to the Senate by the President on Friday last, as Secretary of War, in place of E. M. Stanton, to be removed. The President might as well have spared himself the trouble, for with General Schofield's recent conservative conduct in Virginia there is little hope of his confirmation by the Radicals.

A telegram from Charlottesville, Va., announces the death on the 25th, of Hon. William C. Rives, formerly United States Minister to France, and Senator from Virginia, aged 75 years.

Philadelphia Grocery Market.

Philadelphia, April 27, 1868.

Teas are quiet without change to note. Rice is meeting with fair demand from the trade, without speculative movement. Coffees have not changed in price, but the market is extremely firm and the sales are fair at full rates. There has been quite an active demand for sugar at rather better prices and it is the general impression that they will advance further before many days. Steam Refined Yellows are meeting with very large demand which is in part speculative at 10¼@10; Cuba and Porto Rico 12¼@13¾; Choice Demerara, 15¾. Syrups are exceedingly active at advancing prices the demand being in excess of the production; nearly all the refineries being sold ahead for from one to four weeks. Desirable medium grades are much wanted but very scarce. Molasses quiet at about previous rates.
