RELIGIOUS NOTICES.

Methodist Episcopal Church—Rev. A. D. Yocum, Pastor.—Public Service every Sabbath at 10½ A. M., and 7½ P. M.

Sabbath School at 9 A. M.

Prayer Meeting every Thursday, at 7½ P. M.

Communion Service, first Sabbath of every month, at 10½ A. M.

St. Andrew's Church—Episcopal—Rev. George Hall.—Public Service Sunday morning at 10 o'clock, and at 7 P. M.—Sunday School at 3 P. M.—Prayer Meeting Wednesday evening at 7 o'clock.

Presbyterian Church—Rev. Mr. Butler.—Public Service every Sabbath, morning and evening.

St. Francis' Church—Catholic—Rev. T. J. McManus.—Mass at 10½ o'clock A. M., on the second and fourth Sundays of each month.

Biz.—The Tyrone *Herald* says: The longest train yet brought down the mountain, on the Clearfield road, came on Saturday last. It amounted to a little squad of 85 cars.

Early Peaches.—Mr. Charles Held, of Millheim, Centre county, has a young peach tree in his house, about two and a half feet high, which blossomed two months ago and developed twenty-four peaches, all of which except five have fallen off.

The Convention.—The triennial convention of School Directors assembled in the Court Room on Tuesday, but as we are compelled to go to press at 12 o'clock we are unable to give any of the proceedings in this issue or indicate who will win the belt.

Assessor Appointed.—William Riddle, the Assessor elect for Beccaria, having removed from the township, the County Commissioners have appointed Philip Dotts to fill the vacancy. Mr. Dotts is a worthy citizen, sound Democrat, and will make an excellent officer.

Another Municipality.—It seems that the village of Houtzdale, Woodward township, has been erected into a borough, and will hereafter be classed among the municipal corporations of Clearfield county. The unparalleled prosperity of this section has made it necessary to take this step.

On Hand.—We have before us the initial number of a new daily journal, started at Williamsport, by the proprietor of the *Standard*, H. L. Dieffenbach, Esq., entitled the *Daily Morning Standard*. It is a lively six column paper, and starts off vigorously, and will no doubt prove a success.

A Decided Improvement.—The Bald Eagle Valley Railroad is just completing a connection with the P. & E. R. R. to the Junction at Lock Haven, which will enable the train to run up to the depot without backing, and allow the engines to turn without resorting to the round table. A "Y" is now formed at that point, giving two points of connection with the P. & E. road.

In Trouble.—We notice that one of the County Commissioners and the Clerk of Indiana county have been arrested for embezzlement. It appears that from $30,000 to $40,000 worth of Court House bonds, and some of the County Commissioners' records, are missing. What a pity that the officials of that excessively loyal county should be disturbed by some foolish notion of old fogies who cannot see things as modern loyalists do.

Good for the Brutes.—It is reported that the Pennsylvania Society for the Prevention of Cruelty to Animals intend shortly to appoint a resident agent for every town in our State, whose duty it will be to report to headquarters all cases of cruel abuse of dumb animals which may come under his notice. So look out—all of ye persecutors of horseflesh and tormenters of other animals, or you may find yourselves in the meshes of the law before you are aware of it.

Accident.—The Philipsburg *Journal* says a young lad named Blowers had his leg broken and his head badly cut at the Morrisdale mines on Wednesday. He was attempting to get a ride upon the cars which were entering the mines, some eight or nine in number, when he missed his footing and fell between two of them, receiving the injuries above stated. The fracture of the leg was compound, and the scalp was cut to the scull from ear to ear, across the back part of his head. It was fortunate that he escaped, even, with no more dangerous wounds.

The "Queer."—The venders of this article have opened their summer campaign. There are other methods of cheating and defrauding people than by "saw dust" alone. The testimony of the Bellefonte *Watchman* is to this effect: "The photograph man and the paper collar individual, each offering fortunes to the eager gudgeons who patronized them, were in town this week and last. Some drew prizes and some didn't, and these latter, a few of whom we have seen, avow their honest belief that the whole thing was a fraud. Shouldn't wonder." The editor might have added "dollar stores" to his catalogue.

Rich Neighbors.—We notice that r down-stream—Williamsport—neighbors have length obtained a settlement with their city auorities. The auditors' report foots up the enors sum of $742,367.60—*over three quarters of a lion of dollars.* We notice that the sum of ,000 was raised from bonds issued, and the nce from taxation. The account shows the also, that the mayor, Peter Herdie, Esq., $162,000 worth of bonds and credited the y Treasury with $106,540; being a discount of $55,000, or about 35 per cent. No wonder mage cannot be brought down. The Williamsers blow on a very nice whistle, but they have y for it roundly. The city debt is $714,934.71.

anitary Advice.—The editor of Altoona *Tribune* thus warns the Mayor of city, who seems to cultivate miasma in the ity of his office:

> ith all due deference we would call the atten of the city authorities to the filthy condition e alley and gutter opposite the Mayor's office. stench that arises therefrom is terrible in the me, and if the sanitary condition of the place red to is not speedily looked after and effectuemedied, the fearful miasma consequent upon isgusting condition of the locality will sicken ntire community. It is an every day occur for ladies and gentlemen to walk three and squares out of their way to avoid passing filthy spot.
>
> here are some alleys and gutters in our bor which need whitewashing badly.

he School Term.—The Directors e several school districts will no doubt bear in the fact that the Legislature last winter d an act extending the school term one th. Hereafter the schools must be kept open stead of four months in the year. It will ore take 25 per cent. more tax than heretokeep them open the proper length of time. llowing is the act increasing the school

tion 1. *Be it enacted, &c.,* That the word all be inserted in the place of the word four tion twenty-eight act of May, one thousand hundred and fifty-four, and school direchall hereafter keep the schools of their re e districts in operation five months in the *Provided,* That the length of term may re as at present, in districts where the maximum nt of tax allowed by law to be levied for purposes shall be found insufficient to keep hools open a greater length of time.

"The Little Game."—We clip the following from a late number of the Harrisburg *State Journal*:

> Judge Mayer, during the court now in session at Williamsport, gave the attorneys practicing before him a merited rebuke the other day, for the loose and irregular manner in which they push suits entrusted to their care. He called over the trial list and announced his determination no longer to tolerate the delays in coming to trial, in which so many attorneys indulged, and declared that he would non-suit all who further thus embarrassed the court. It is about time all Judges announced a similar intention, as the practice on the part of attorneys to delay suits is only a piece of the little game of pettifogging by which clients are robbed and innocent parties shamefully injured. A little special legislation for the regulation and control of the legal fraternity is much needed.

If ever "special legislation" was required it is upon this point. But as the lawyers "run" the Legislature, their system of *not trying suits* will likely go on unless the Judges of our courts have "backbone" enough to break up this method of delaying and embarrassing the business of our courts.

Mercantile License.—The County Treasurer, Mr. Wilson, requests us to state that all mercantile licenses in the appraisement list, are now ready, and applicants are requested to call and lift them. If not paid on or before the first of July, they will be put in the hands of the proper authority for collection, when additional charges will be added for collection.

Communicated.

Lawrence, May 7th, 1872.

Mr. Editor: In your valuable paper of 27th March, our humble servants, the Supervisors, Overseers and Auditors, gave us a tabular statement of our finances for the year 1871, which was all right and proper, and perfectly in accordance with the Act of Assembly in such case made and provided. In the next issue of your paper "Many Lawrence Taxpayers" make an inquiry, which was also right and proper. But as yet our servants have not attempted to explain themselves. Not one of the many questions asked has been answered.

Now let me say to them, in kindness, that an aggrieved tax-paying people will not submit to such squandering of their money. Our servants must accept the situation; must solve the problem; must show their hand.

Come, gentlemen, where was the $157.40 of the people's money transfered to? Where was the $86.31 worth of cash tax worked? Where *is* the road, and what is it, that P. McGeorge got $50 of our money for? And where is the $15.15 allowed the Captain gone? Answer, and thus satisfy

Justice.

Shaw's Comanche Liniment.—That this Liniment will do all that it is recommended to do, there is no doubt, as many horse owners will testify who have used it. There are innumerable quack remedies being advertised by foreign parties, which are worth about as much to the horse as that much water, but the Comanche Liniment is prepared by a responsible druggist, who warrants it to do just what it is recommended to do. For sprains, bruises, splint, ringbone, scratches, rheumatism, stiff joints, and almost all other diseases of the horse, it is really invaluable, and needs but a trial to convince any one of its worth. Farmers and horse owners are invited to give it a trial. For sale by A. I. Shaw, who is the sole proprietor, Clearfield, Pa.

Ladies, go and see the Dolly Varden Walking Shoes at Flegal's.

Soda Water, Cold and Sparkling.—Shaw's Fountain is in full blast, and is to the thirsty denizens of Clearfield as the springs of an oasis are to the weary travelers of the desert—cooling, soothing and invigorating. All are invited to partake thereof.

New Goods.—Messrs. Kratzer & Lytle will open next week a very large stock of all kinds of Goods suitable for the season, which they will sell at prices that will be an inducement to consumers to purchase of them.

A. I. Shaw, Druggist, Clearfield, Pa., deals in Paints, Oils, Varnishes, and everything else in that line, and sells at right figures. Large stock always on hand, and special inducements offered to consumers.

The *Times* says Dr. Walpole has lost his beautiful chestnut mare. She died suddenly in harness, it is supposed from bots or pin worms. If the Doctor had used Sheridan's Cavalry Condition Powders, he would no doubt have had his mare to-day—they are death on worms.

Chapped hands are very common with those who have their hands much in water. A few drops of Johnson's Anodyne Liniment rubbed over the hands two or three times a day, will keep them soft and white. Fishermen, sailors and others will do well to remember this.

COUGHS AND COLDS.

There are few persons who are aware of the importance of attending to a cough or a cold at its first appearance. The thousands who die annually of consumption, were first attacked with a "slight" cough or cold, which they thought would soon "wear" itself off, and therefore neglected to use the proper remedies until they became incurable. Every day that a cough, cold, or any lung disease is neglected, makes the chances of a cure more uncertain. We would recommend all suffering from any disease of the Lungs whatever, to use Hasson's Compound Syrup of Tar. It never fails in curing the worst cases of coughs, colds, hoarseness, sore throat, catarrh and asthma. It is an infallible remedy for Whooping Cough; being prescribed by some of the leading physicians in the Northern and Southern States, and being prepared under the immediate supervision of a graduate of the Pennsylvania Medical College.—The proprietors beg leave to inform all that it is no "Quack" preparation, but made strictly in accordance with the advanced principles and theory of medicine. Price 50 cents per bottle.
