**The Grand Purgative.**

DR. CHICKENERS *SUGAR COATED VEGETABLE EXTRACT PILLS.*—These celebrated Pills have obtained an enviable notoriety in the United States, as a sure cure for Giddiness, Dyspepsia, Sour Stomach, Headache, Fevers, Piles, Costiveness, Coughs, Heartburn, Liver Complaint, Scurvy, Sore Throat, Inward Weakness, Palpitation of the Heart, Indigestion, and a variety of other diseases to which flesh is heir to, as a medicine for all seasons of the year, viz: spring, summer, autumn, and winter—and under all circumstances, they can be taken with perfect safety and success. As a Vermifuge and general medicine for children, they are *unrivalled*. Being coated with pure white sugar, children will easily take them; they neither gripe nor nauseate; are gentle, but thorough in their operation. For adults, by increasing the dose, they are equally beneficial. *As an Anti-Bilious Pill* they will be found without a rival. Ask any one, among the thousands who use them, and an unqualified approval will be the certain result.

Remember Dr. C. V. Chickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was known of or until he produced them in June, 1843. Purchasers should, therefore, always ask for Chickener's Sugar Coated Vegetable Pills, and take no others, or they will be made the victims of a fraud.

☞ Price, 25 cents per box.

Dr. Chickener's principal office for the sale of Pills, is at Vesuvius, N.Y.

**New and Popular Work for Book Agents.**

A AGENT is wanted in every city and county in the United States, to secure subscribers and sell the following elegant work, just published and ready for delivery:

BLAKE'S NEW AND POPULAR PICTORIAL DESCRIPTION OF THE U. STATES. Containing an account of the Topography, Settlement, History, Revolutionary and other interesting events, Statistics, Progress in Agriculture, Manufactures, Population, &c., &c., in every State in the Union.

ILLUSTRATED WITH 300 ENGRAVINGS, of the principal Cities, Places, Buildings, Scenery, Curiosities, Seals of the States, &c., &c.

Complete in one octavo volume of six hundred pages, elegantly bound in gilt pictorial muslin.

RETAIL PRICE, $2,50.

We have prepared this volume at great expense; the type large, clear and handsome; paper smooth and white; binding strong and substantial; engravings neat and appropriate. This work is decidedly the cheapest and most popular ever issued from the American press, and, from the orders already received for it, we are satisfied it is destined to have an immense sale throughout our vast extended country. From peculiar circumstances, we are enabled to offer this book low to book-sellers, post-masters, and others, who may feel disposed to act as agents.

As the publisher is desirous of giving this useful Family Work a very extensive circulation, he offers the most liberal inducements to Agents, and is satisfied that any man of good address can make from $5 to $10 a day from the sale of it. There is scarcely a town or village in the Union but will furnish more or less subscribers.

A small capital of from $25 to $50 will be necessary to make a commencement.

☞ No letters attended to, unless the postage is paid. For further particulars address

ROBERT SEARS, Publisher,
aug12-2t No. 128 Nassau street, N.Y. City.

THE GREAT REMEDY OF NATURE.—AMERICAN OIL, procured from a well in Kentucky, 135 feet below the surface of the earth, a certain and infallible cure for Sprains, Strains, Cuts, Bruises, Scalds, Burns, Tetter, Erysipelas, Scald Head, Croup, Whooping-Cough, Inflammatory Sore Throat, Sore and Inflamed Eyes, Flintulence, Ulcers, Fever Sores, and INFLAMMATORY RHEUMATISM,

which yields to its effects in a surprising manner.

It has never yet failed when used according to directions. Read the following:

J. MACKSTEVER, Allegheny co., Pa., November 18, 1846.

This is to certify, that my wife, Margaret Gluyas was cured of a Rheumatic Complaint of seven years standing, by which she was so lame as to be obliged to use crutches. In one week she was cured by using the American Oil, and could walk about as usual without her crutches.

JONATHAN GHREST.

The following is communicated by Mr. Wm. Nash, W. Jackson's agent for Steubenville, O.

A gentleman near Steubenville, who had not been able to put either shoe or stocking for twelve years, in consequence of lameness, by the use of one bottle was enabled to walk two miles to a township election. It is likewise a sovereign remedy for

CONTRACTION OF THE MUSCLES AND TENDONS.

The following is communicated by Mr. Wm. Nash, W. Jackson's agent for Steubenville:

A lady residing in Steubenville, the finger of whose hand was so contracted as to deprive her of the use of it for thirty-five years, was entirely cured by the use of one bottle of the Oil, so that she now has the perfect use of her hand fully equal to the other which had never been affected. It has also been found to be a safe and invaluable agent in the speedy and certain cure of

DEAFNESS,

in all cases not organically incurable.

A lady residing in Allegheny city was effectually cured of obstinate deafness, of years' continuance, by the use of less than one bottle of the Oil, so that she said she heard better than she had ever done before.

A gentleman well known in Pittsburgh, was cured of deafness of nine years' standing, by the use of a small quantity of the Oil. The names and residence of the lady and gentleman will be given to those who desire it, at the office of the advertiser.

Its properties are highly developed in the certain and surprising cure of the following cases:

CHOLIC, CRAMP, AND SPASMS.

Several cases of Cramp Cholic in any other remedy have been effectually cured by one dose of the Oil, in the short space of half an hour, when the parties have been agonized with pain. Its curative properties have been remarkably manifested in the following

DISEASES OF THE SPINE.

A lady, the wife of a prominent citizen of Kentucky, was cured effectually of one of the worst cases of diseased Spine, which had confined her to her bed for a considerable time, in spite of every other remedy. It has also a sure, speedy and perfect cure for pains in the small of the back, and

INFLAMMATION OF THE KIDNEYS.

Read the following:

PITTSBURGH, Dec. 16, 1846.

This is to certify that I was afflicted with great pain in the small of my back and kidneys, which affected me so much that I could not stand upright. By rubbing externally and using half a teaspoonful internally, night and morning, I was entirely cured. JOHN HIDDLE,
near Warren, Armstrong co. Pa.

Agentleman of Pittsburgh, afflicted with a violent inflammation of the kidneys—the pain of which caused him to groan aloud—was speedily cured, in three days, by the use of the American Oil.

The qualities of this

NATURE'S OWN REMEDY

is extremely penetrating and anti-inflammatory, consequently is confidently recommended as a sovereign remedy wherever inflammation exists, either external or internal. Used immediately after a cut, bruise or wound, it will cure and prevent

GANGRENE AND MORTIFICATION.

If has, in addition, been found a salutary, pleasing and effectual remedy for those very unpleasant and inconvenient diseases,

GRAVEL AND URINARY COMPLAINTS.

☞ Price, 50 cents per bottle.

**Caution—Be on Your Guard.**

The surprising excellence and growing popularity of the American Oil, has induced some dishonest persons to palm upon the public, miserable imitations of this truly valuable medicine, for the purpose of deceiving the unwary, and defrauding the Proprietor.

In order to be sure of obtaining the genuine, observe the following YOUR THINGS:

1st. See that the name "Wm. Jackson, 59 Liberty st." is printed on the label of the wrapper of each bottle, to imitate which is felony.

2d. That each bottle is inclosed in a pamphlet containing full directions for use, and also containing the name and address of Wm. Jackson, General Agent for the proprietors; likewise, the name and address of the proprietors, Hall & Dennison, Salem, Ohio.

3d. Purchase only of the advertised Agents, all of whom have a blue bill on which is printed the names of the Proprietors and General Agents—thus: D. Hall & Co., Proprietors, Kentucky. Wm. Jackson, Pittsburgh, Pa., General Agent for Western Pennsylvania, and part of Ohio and Western Virginia: and the printers' names—M'Millin & Shryock, Pittsburgh—printed at the bottom of each bill.

4th. Observe the genuine American Oil is of a dark green color, without any sediment, and is specific gravity lighter than water. Do not buy any thing of a black color;—some white, like Spirits of Turpentine, said to be refined, and relabelled;—some like Olive Oil;—and a mixture of other common oils; and one a black filthy looking mixture, purporting to come from the Pittsburgh and Allegheny Manufactory. Such are the vile compounds that possess neither the virtue or the power of the *true AMERICAN OIL.*

Sold by the wholesale and retail by WM. JACKSON, *General* and Sole Agent for the Proprietor in Western Pennsylvania, Western Virginia, and Northern Ohio: and by the following duly appointed Agents in Allegheny county, Pa.:
