To the Democracy of Clearfield County:

Have you fully prepared for the contest of next Tuesday? If not, then lose not a moment, but go to work at once. No time must be lost; no effort spared.

Our enemies, driven to the wall, are fighting with the energy of despair. They are on the alert. No arts known to their unscrupulous leaders will be left unused.

Guard the polls on the day of election; challenge every doubtful vote; cause every one offering to vote to show his right before his ballot is taken.

An attempt will be made in several districts to plant on you illegal votes, and I caution you to watch them closely.

Close up your ranks; present a solid front to the enemy; poll every vote; let not one be left at home.

Our success is certain. By united, determined action, from now until the day of election, we can make it overwhelming. Will you do the work? Let the answer be manifested in the returns from your district. By order of the Committee.

D. L. KREBS, Chairman.
J. P. McKendrick, Sec.

The Fair.—This is fair week, and from the appearance of things on Tuesday morning, the agricultural display will exceed all previous attempts in farm products and stock.

And now Mr. John Shaw has favored the printers with some Clearfield county peaches, and they compare very favorably with the much celebrated Delaware peaches. For all of which he has the thanks of the boys.

Postponed.—The case of Edward Dugan and Morris Burdick, who were arrested and imprisoned for robbing a man of his pocket book on the public highway, between Luthersburg and Brookville, was postponed until January term.

Adjourned Court.—Court will be in session on Saturday next for the purpose of giving an opportunity to those who desire to obtain their naturalization papers, and such other business as may be brought before the honorable judges at that time.

Smash.—The Andes Insurance Company, of Cincinnati, has gone by the board. The concern has cheated the people out of hundreds of thousands of dollars. It was a humbug concern from the beginning. The officers of the concern wasted its capital in riotous living.

Information Wanted.—The relatives of John Luke, aged about 70 years, would like to learn of his whereabouts. He left his home in Indiana county on the 18th of September, and has not been heard of since. Address J. C. Luke, Summerhill P. O., Cambria county, Pa.

Promoted.—Isaac Pioneer, a white man, who was mean enough to sleep with a negro and then rob him of a watch and some money, was lodged in the Penitentiary, on Friday last, by Sheriff Pie, for one year, according to the sentence of the court. The court might as well have given him another year for his familiarity with his "colored brother."

Attention, Voters.—According to the order of Court, the citizens of Clearfield borough are authorized to hold an election on Saturday next for the purpose of electing two members to the town council to fill the vacancies caused by the resignation of Thomas Dougherty and Isaac Reitenstein, the last named having removed to New York.

The Park Association.—The Clearfield Park Association has got out a splendid programme and premium list. Just $1,425 to be given away on the 3d, 4th and 5th. All who love to see fine horses, (and who does not), will have a rare opportunity to gratify their desires. The printed programme tells the whole story, which can be had of any of the officers.

We Explain.—We have received numerous communications from our friends in different sections of the county, giving lengthy statements about the corruption ring meetings held in their respective localities, but we are unable to make room, knowing full well that Tuesday's vote will settle the question fully and to the entire satisfaction of our friends. The dun bill candidate will never be heard of again.

A Glen Hope correspondent informs us that the Democratic meeting held at that place on Friday evening was addressed by Dr. Boyer and Mr. Bantz, was a success in numbers and excellent speeches. Quite a contrast to the corruption ring meeting of the week previous.

We understand that a spirited meeting came off at New Millport on Saturday night, addressed by Dr. Boyer, Walter Barrett, Esq., and Messrs. McCullough and Bantz. Specularia, Jordan and Knox are evidently awake, and will do their whole duty in the fall.

The Marriage Relation.—The Cupid mania seems to have broken out among the Sheriff fraternity this fall. But a few weeks since we announced the tieing up of Ex-Sheriff Bell. Mr. EDWARD TEST, of Moshannon Valley, to Miss LEAH MELCHER, of Port Matilda, Centre county, Pa.

The President, Dr. A. M. Hills, being absent, Rev. R. Crittenden, by vote of the Convention, conducted the Devotional exercises of the Session, after which, the election of officers for the ensuing year being in order, Dr. A. M. Hills was re-elected President; J. M. Stewart, Secretary, and A. I. Shaw, re-elected Treasurer. After music by the Choir, Rev. Mr. Crittenden, delivered the opening address, subject, "The Successful Sabbath School Teacher." Discussions on the subject of the address followed and was participated in by Rev'ds Abel Thompson, A. W. Gibson, Wm. M. Burchfield, Dr. A. M. Hills, and D. W. Cameron. A recess of a few minutes was then taken, while the roll of delegates was being made out.

Convention being again called to order, Miss Mary A. Irwin read an interesting paper which was, on motion of Mr. Crittenden, requested for publication. The following questions were handed in for discussion, by members of the Convention, viz: How shall we secure the Parents' interest in the Sabbath School? Are there not, as a general thing, too many classes in each Sabbath School? What is the relation of the Church member to the Sabbath School? Is it not the duty of each Pastor to see that his members attend Sabbath School? What can the Sabbath School do for the cause of Temperance in Tobacco as well as strong drink? After calling the roll of delegates, the Convention adjourned, to meet at 7½ o'clock, P. M.

EVENING SESSION, 7½ P. M.

Convention opened with singing by the choir and prayer by the President, Dr. A. M. Hill's.—The time allotted to devotional exercises was occupied in reciting verses of Scripture. The opening address was made by A. D. Yocum, subject, "The relation Parents sustain to the Sabbath School," after which the discussion of the subject of the address being in order, was responded to by Rev. R. Crittenden, Dr. A. M. Hills, and Rev. A. W. Gibson, in short and pertinent speeches.—Rev. Mr. Crittenden, gave an interesting report of Sunday School statistics, collected by himself and Mr. A. J. Menaul, in Clearfield County, exhibiting a map of the county in process of preparation, showing the number of Sabbath Schools, their location, the denomination they belong to &c., for the use of the County Association. The questions handed in for discussion at the close of the afternoon session, were now taken up and four of them discussed, the remaining one held over until the morning session. Convention closed with prayer by Rev. Mr. Burchfield and Benediction by Rev. Mr. Yocum.

SECOND DAY, MORNING SESSION.

Convention opened, at 10, A. M., with prayer by Rev. A. W. Gibson, after which the opening address was delivered by Rev. H. S. Butler, subject, "The relation of the Pastor to the Sabbath School, and the Superintendents' work." The following question, "Our difficulties in the Sunday School work, and how to meet them?" being presented was discussed in connection with the subject in hand. Mr. Butler, was followed by Rev. Crittenden, Dr. Drouch, Dr. A. M. Hills, Rev. A. W. Gibson, and Col. E. A. Irvin, with appropriate remarks. The question, "What is the best method of teaching an infant class?" was discussed by Rev. H. S. Butler, Rev. R. Crittenden, and A. W. Gibson. The question, "What can the S. S. do to promote the cause of Temperance, both in the use of Tobacco and strong drink?" was here taken up and ventilated by Rev'd Abel Thompson and Crittenden. Remarks were made by Dr. A. M. Hills, on "Would you recommend the use of Sunday School papers instead of Library books?" after which the Convention adjourned with prayer and benediction, to meet in the M. E. Church at two o'clock, P. M.

AFTERNOON SESSION—2 P. M.

This the last session of the Convention was designated "the Children's session," and the interest taken by them was manifested by the large number of children present. The time for devotional exercises was occupied in singing, scripture reading and prayer. Addresses were made by several gentlemen, which, notwithstanding the crowded condition of the house, were listened to with marked attention by all. The following resolution was offered and unanimously adopted:

Resolved, That the Clearfield County Sunday School Association tender its grateful thanks to the churches and families of Curwensville, for the cordial reception and liberal hospitality they have extended to the members and delegates attending this convention; also to the members of the choirs for leading the music which largely contributed to the success of the Convention.

After singing "Homeward Bound," and prayer by Mr. Crittenden and benediction by Rev. Mr. Butler, the convention adjourned, feeling satisfied that this effort for the promotion of the Sabbath School cause was a grand success.

A. M. Hills, Pres't.
Jas. M. Stewart, Sec'y.

HACKMAN'S CORN PLANTER.

This ingenious machine, for which a patent has just been issued, it is confidently believed will supersede all others in use or offered to the public. It is constructed so that it furrows, plants and sows at a time, at equal distances apart, both ways, dropping four, five or six grains in each hill, as the worker may determine before commencing, covering the corn when dropped, smoothing down its own furrow and leaving the ground in better condition than before planting.

It is in itself a complete *self working machine*, requiring no hired assistance and doing the work better and with greater regularity and precision than it could possibly be done by hand, at less than one-tenth the labor.

Anybody that can drive, with this Planter can go into a field prepared for corn and furrow, drop and cover ten to fifteen acres daily, its capacity being limited only by the distance a team can be readily driven. It is so constructed that when not planting or in turning at the end of the furrow, by a mere touch it is raised off the ground, thrown out of gear and moved backward or forward, where you may want it, without dropping the corn or touching the earth.

Practically it ignores men, hoes and plows in corn planting, and makes that which has heretofore been hard labor a mere pastime for a boy, or about healthy exercise for a lazy man.

Inspection of the Planter constructed by the patentee cordially solicited, and county, State or individual rights for sale, at low rates, to expedite its introduction.

For Sale.—The subscriber offers for sale, on reasonable terms, One Hundred and Thirteen Acres of Land, with an allowance of six acres, in Brady township, Clearfield county, Pa., and lying on the east branch of Stump creek, adjoining lands of David Reams, Gintar and Yosh, Bell and Kramer, and G. B. Goodlander. Said land is well covered with white pine, hemlock and oak timber, and a vein of good coal, four and a half feet thick, underlies about seventy acres of it. The vein is open and ready for operating. There is about twenty-five acres cleared and in a good state of cultivation, with a good frame house and log barn on the premises, and also, a never failing spring of good water. The title is good. Come and see the property, as it is bound to be sold, as the subscriber is going West.
