Notice to Tax-payers.

UNDER the provisions of the act of 1844, any county paying into the State Treasury the State Tax levied on such county, prior to the 17th of July in any year, is entitled to an abatement of 5 per cent on the amount so paid.

The undersigned, Commissioners of Cumberland county, in view of the above provisions consider it equitable and proper that those who by the prompt payment of their taxes prior to the above date, enable the Treasurer to pay over the State tax, so as to receive the aforesaid abatement of 5 per cent., the benefit of which has hitherto been enjoyed by the citizens of the county generally, should be allowed a deduction of that amount by the collector—have authorized the different collectors to make said abatement from the State tax, in all cases where the State and County tax is paid to the collector before the 17th day of July, 1849; when said abatement shall amount to one cent or more, no fractions of a cent to be credited.

Since the act of 1844, the Commissioners have apid the State tax of this county annually to the State Treasurer, within the time prescribed by the act, and the county has received the benefit of an abatement of 5 per cent. thereon, but to meet said payment, they have found it necessary heretofore to appropriate a part of the county funds to meet the deficiency occasioned by delinquents, until the balance of the State tax was collected. It therefore becomes necessary to require the payment of both State and county tax to entitle the payer to the aforesaid abatement upon the aforesaid State Tax.

The undersigned therefore confidently anticipate that the above arrangement, and the further inducement of enabling Cumberland county to maintain the character for promptness and fidelity which she has acquired in the discharge of her obligations to the Commonwealth, will induce every citizen to discharge their State and county tax prior to the 17th day of July.

NOTICE,

To the descendants of Thomas Jennings, in Cumberland and Dauphin Counties, Pa., and elsewhere.

YOU are requested for your own interest to communicate all the information you are possessed of, or may be able to collect concerning the birth place in Yorkshire, England, about the year 1700, marriage and decease near Harrisburg of the said ancestor, without delay to J. R. JENNINGS, 500 Chestnut street, Philadelphia.

Philadelphia, May 10, 1849.

N. B.—It would be desirable to know the exact place and time of birth of the said Thomas, and if he arrived in this country alone or in company of two brothers. He was married in Frend's Meeting, to Anna Borton, of Evesham, U. S.

About the year 1762 he removed from Great Egg Harbor, to within 10 miles of Harrisburg, where he married again, and had three children. One of his executors was his son-in-law, John Mills, married to his daughter Anna. It is supposed that the family bible (probably yet in the hands of the descendants,) may contain a record of these and other interesting events now desired to be obtained.

KNOWING the wants of the community, the Proprietor of this Establishment has fitted up a store in the most elegant manner, having due regard to the comfort of his customers, so that every stranger visiting his Book store, may feel entirely at home. HIS IMMENSE STOCK of Books is classified according to the various Departments of Literature, so that visitors can find the Books they are in search of for themselves. Buying his stock for the most part at the Auction Sales, and being connected with one of the largest publishing houses in this country, besides publishing largely himself enables him to sell all books at

Lower Prices

than any other house of a similar character on this continent. His facilities for the importation of Books from Europe are unsurpassed, having a Branch of his Establishment in London, where orders of private gentlemen are carefully executed and forwarded to this Country by every Steamer and Packet. A CATALOGUE of Books with the prices attached is issued quarterly, containing Lists of New Additions made to his large collection, which are in all cases for sale at the LOWEST PRICES, or from 25 to 75 per cent. below Publishers' Prices. Thus in buying even a few books, quite a considerable amount is saved.

As a still further INDUCEMENT to strangers visiting the city, every one who purchases ONE DOLLAR'S WORTH of Books, will receive a copy of the STRANGER IN PHILADELPHIA, an elegant 18mo. volume, the price of which is 25 cents.

☞ The limits of an advertisement are too confined to enumerate the prices of any of the Books, or to give even a faint idea of the immense advantage to be derived from purchasing at the Great Central Cheap Book Store, but let all who are in search of Books send for a Catalogue, and buy the books they are in want of, and when visiting the city, give Appleton one call, and you will be sure to call again.

Stationary

in all its branches, furnished at the Lowest Prices. The *initials* of those purchasing Letter and Note Paper, neatly stamped in the corner, without charge.

Orders for any article may be sent by mail, addressed to the Proprietor, and the directions in all cases will be fully carried out, with great punctuality and despatch.

GENTLEMEN—The undersigned most respectfully offers himself to your consideration as a candidate for the office of BRIGADIER GENERAL, for the term of five years, commencing at the expiration of my present term of service. LIFE INSURANCE.

The Girard Life Insurance Annuity and Trust Company, of Philadelphia,

Office No. 159 Chesnut Street,

Capital $300,000.

Charter Perpetual.

CONTINUE to make Insurances on Lives on the most favorable terms; receive and execute Trusts, and receive deposits on Interest.

The Capital being paid up and invested, together with an accumulated premium fund; affords a *perfect security* to the insured. The premium may be paid in yearly, half yearly or quarterly payments.

The Company add a BONUS at stated periods to the insurances of life. This plan of insurance is the most approved of, and is more generally in use, than any other in Great Britain, (where the subject is best understood by the people, and where they have had the longest experience,) as appears from the fact, that out of 117 Life Insurance Companies there, of all kinds, 87 are on this plan.

The first BONUS was appropriated in December, 1844, amounting to 10 per cent. on the sum insured under the oldest policies; to 8¾ per cent., 7½ per cent., &c., &c., on others, in proportion to the time of standing, making an addition of $100; $87.50; $75, &c., &c., to every $1,000, originally insured, which is an average of more than 50 per cent. on the premiums paid, and without increasing the annual payment to the Company.

The operation of the BONUS will be seen by the following examples from the Life Insurance Register of the Company, thus:

Policy.	Sum Insured.	Bonus or Addition.	Amt. of Policy and Bonus payable at the party's decease.
No. 58	$1,000	$100.00	$1,100.00
" 88	2,500	250.00	2,750.00
