The Three Big Doors vs. The Western World!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this fashioned and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old and unrivalled Three Big Doors one of the greatest attractions in the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rushing made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing, if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it for the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!! Clothing!!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS.

is one of the largest and choicest in selection that has ever been exhibited in any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that they only favor me with a call, I will say that I offer 175,000 different garments to make a choice out of, consisting in part of Cloths, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of wonder, how such a vast collection of READY MADE CLOTHING could be collected together under the control of one individual. Best clothings will be sold as long as perseverance and industry is the main-spring of trade. Without any intention of boasting, on my part I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can date my firm accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their clothing, or getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a wonder.

Now, let me say a word or two to my country merchants in the trade. If you wish to make from at least 25 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.
