Pittsburgh, Sept. 21, 1848.

The Largest Journal in the West.

NEW AND CHEAP WEEKLY FAMILY PAPER.

THE PITTSBURGH
SATURDAY MORNING POST
—DEVOTED TO—
POLITICS, NEWS, LITERATURE, &c., &c.

THE UNDERSIGNED WILL ISSUE, about the first of October, 1848, the first number of a LARGE FAMILY PAPER, containing *more reading matter* than any weekly published West of the Mountains. Every department will be faithfully attended to, and no pains or expense will be spared to render the *Saturday Morning Post* one of the most instructive and acceptable newspaper ever issued in the Mississippi Valley.

In its POLITICAL DEPARTMENT the paper will aim to be the faithful and honest exponent of the principles of the GREAT DEMOCRATIC PARTY—the People's Party—the Party of Progress, Honesty and Truth. We shall fearlessly expose the fraudulent doings of Federalism, in whatever guise it may present itself, or under whatever component it may sail.

The NEWS DEPARTMENT will be the object of special care and attention. Every thing that is new, interesting and exciting, will be faithfully chronicled. The various lines of MAGNETIC TELEGRAPH being now completed from Pittsburgh to nearly every leading city in the Union, we shall be enabled to present our readers, up to the latest moment, a full digest of all the STIRRING EVENTS OF THE DAY.

In the LITERARY DEPARTMENT, we shall introduce an entire new feature into the columns of the Saturday Morning Post. At least *eight* columns of the paper each week, will be devoted exclusively to *Tales, Poetry, Biography, History, Moral Essays, &c., &c.* In short, we shall aim to make the paper, in this respect, fully equal to the best LITERARY PAPERS of the East. We have now engaged several distinguished writers, who will regularly contribute ORIGINAL TALES AND POETRY, to the columns of the Saturday Morning Post.

COMMERCIAL INTELLIGENCE.—We shall furnish our readers each week with an extensive and accurate *REVIEW OF THE PITTSBURGH MARKET*, carefully made up from ACTUAL SALES; together with the markets of *Philadelphia, Baltimore, New-York, Boston, Cincinnati, New Orleans, St. Louis, &c.*, received by Telegraph and other sources, up to the hour of our paper being going to press. The fluctuations in the Money Market, Prices of Stock, Exchange, &c. will also be carefully noted in each number.

☞ **PREMIUM.**

To encourage Western Talent, we shall pay a liberal compensation to any person who will furnish us with Tales, Poetry or Essays, which shall be deemed worthy of publication by a Committee selected for that express purpose.

TERMS OF THE SATURDAY MORNING POST.

☞ In order to secure a large circulation, we shall offer our Mammoth Weekly to the public on terms never before unsurpassed by any paper in the West. To do this the CASH SYSTEM will be strictly adhered to:

For 1 copy, in advance,	$2 00
" 5 copies,	8 00
" 10 "	15 00
" 20 "	25 00
" 50 "	50 00
" 100 "	90 00

CLUBBING.

To any person who will obtain the largest number of subscribers to the Saturday Morning Post, (not less than fifty,) we shall present a copy of Shake-peare's Plays, splendidly bound, worth at least $5 00, besides a copy of the paper for one year. To the person who will procure the next largest number of subscribers, we shall present a beautiful edition of Lord Byron's Poems, worth at least $4 00, and a copy of the paper.

POST-MASTERS AND OTHERS,

To whom this Prospectus may be sent, are respectfully requested to act as Agents in procuring subscribers to the Saturday Morning Post. To the person who will procure 5 subscribers, we will forward one copy of the paper, and their exertions will otherwise be handsomely rewarded.

☞ Letters must be addressed (post paid) to

L. HARPER,
Editor and Proprietor of the Saturday Morning Post, Pittsburgh, Pa. September 18, 1848.

POSTSCRIPT

In answer to the many inquiries of our friends, we have to state, that owing to the arduous duties of the election campaign, it will be impossible for us to issue the first number of the *Saturday Morning Post* at so early a day as we anticipated. We shall defer the issue of the first number until after the Presidential election, when we hope to present to the public the handsomest and best paper ever sent out from this city.

Daily Review of the Markets.

OFFICE OF THE POST,
TUESDAY MORNING, *October* 10, 1848.

We found very little doing yesterday in the way of sales.

The river was on a stand; but the prospect of a fall is apparent, if we do not have rain soon. The wharf was rather brisk yesterday. No change in prices of Freights.

WHISKEY.—The prices of Raw is kept down, on account of expectation of large receipts: we quote at 20c. Rectified is sold readily at 21@22c.

SUGAR.—Sale of 13 hhds. Prime N. O. at 5½c.

MOLASSES.—No change. Regular sales at 30@31c.

CHEESE.—Sale of 27 boxes Cream at 6½c.; other sales at 5½@6½c.

OATS.—Sales from store at 28c.; demand good.

FLOUR.—The market is rather unsettled. There is some demand. Considerable lots have been shipped east. Sale of 100 bbls. at $4 65; 50 bbls. at $4 68; 31 bbls. at $4 70; two other small lots at $4 65; 18 bbls. from store at $4 75; 60 bbls. at $4 75@4 81.

CORN MEAL.—We noticed a few small lots in market. Sale from store of extra at $2 00 p bbl. It is expected the market will be supplied soon.

BUTTER.—Demand yet good; and sale from first hands of 10 kegs at 8½c.; 18 kegs at 9c.

DRIED PEACHES.—Sale of 30 sacks at at $1 25@1 31.

RAISINS.—Sale of small lots at $2 12 p box.

HAY.—Sales at scales at $7 50@8 00.

GLASS.—Sale of 50 lxs. 8x10 at $2 25.

HOPS.—Western in bales sold at 10c.

WOOL.—Sale of 3700 lbs. various grades at 19, 21, 23c., &c.

ORANGES AND LEMONS.—Nothing doing.

LARD and BACON.—Nothing doing. Lard is held at 7@7½c.

NASHVILLE MARKET, Sept. 27.

RIVER—Our river is now water mark; not over 2½ feet in the channel. Small class Steamers still ply between here and Smithland, but generally early lighters with them to enable them to carry freight over Harpeth Shoals.

CROPS.—The present prospects are decidedly favorable for the largest *Corn* crop we have had for the last ten years. The *Cotton*, also, looks well, and we may reasonably anticipate more than the average yield. *Tobacco* will fall short of the last three years' production, in consequence of the unusual rainy weather in the early part of the season.

PRODUCE.—*Cotton*—some small sales have been effected at from 4 10@4½ for average to fine. The amount in store here is estimated at 7500 bales—in the country, of crop of 1847, 12000 bales to be shipped from this port.

TOBACCO.—None has yet been offered of the present crop. The prices will rule probably at from 3 to 3½ for good lots passed.

The lowest competent responsible bidder will receive the whole or any part of the contract, according to the above scale, the department reserving to itself the right to determine whether the bidder is competent and responsible or not.

A schedule of the articles, with samples, may be seen at the office of the Commissioner of Indian Affairs, in Washington, exhibiting the amount of money to be expended for each article, but the department reserves the right to increase or diminish the quantity, of any of the articles named, or substitute others in lieu thereof, or to require, at similar prices, such goods as may be wanted for presents or other purposes, in the administration of the affairs of the department.

The whole amount in money to be applied to the purchase of goods will be about $90,000 of which some $40,000 will be wanted on the seaboard, and the residue in the west. Goods of American manufacture, all other things being equal, will be preferred, but as all the samples of blankets and cloths on hand are of foreign manufacture, it will be necessary, when a domestic article is bid for, that the sample of it should accompany the bid, to enable the department to decide whether it is of equal quality with the samples to be exhibited.

The party proposing to supply the articles will make an invoice of all the items embraced in the above list, and affix the prices, and allare and costs, at which he or they will furnish them, deliverable in New York and St. Louis respectively, on or before the fifteenth day of May next, assuming in the quantity of each article as specified in this advertisement, and extending the cost, making an aggregate of the whole invoice before sending it on. The goods will be inspected at New York or St. Louis by an agent of the United States, who will be appointed by the department for the purpose, and to ascertain the conformity of the articles purchased with the sam ple exhibited, when the contract shall be made, and with the terms of the contract itself, which shall contain a clause, that if the articles are not furnished within the time prescribed, or if they are of insufficient quality, in the opinion of the agent aforesaid, and if within five days after notice of such insufficiency the party shall not furnish others in lieu thereof, of the required quality, the United States shall be authorized to purchase them of others and to charge any increase of price they may be compelled to pay therefor to the contractor, who shall pay the said difference to the United States.

Bonds will be required, in the amount of the bids, with two good sureties, the sufficiency of whom to be certified by a United States judge or district attorney, for the faithful performance of the contracts. Payment will be made after the contract is completed, and the delivery of the goods at New York and St. Louis respectively, to an agent of the department, upon a duplicate invoice certified by him.

Communications to be marked. "Proposals for Indian goods."

The bids will be submitted with the following heading and none will be received that are not made in the form and terms here described.

"I (or we) propose to furnish for the service of the Indian department, the following goods, at the price affixed to them respectively, viz:

(Here insert the list of goods.)

"Deliverable in the city of New York, or St. Louis, on or before the——day of——next; and in case of the acceptance of his proposal, the quantity being prescribed by the department, I (or we) will execute a contract according to this agreement, and give satisfactory security to the department, within ten days after the acceptance of his bid; and in case of failure to enter into such contracts, and give such security, (or we) will pay to the United States the difference between the sums bidden by me (or us,) and the sum which the United States may be obliged to pay for the same articles."

Each and every bid must also be accompanied with a guarantee in the following form, to be signed one or more responsible persons, whose sufficiency must be certified by some one who is known to the department, either personally or by his official position.

"I (or we) hereby guaranty that——the above bidder, will comply with the terms of the advertisement for "proposals for Indian goods," dated September 30, 1848, if the contract should be awarded to him, and enter into bond for the execution of the same within the time prescribed.
