LIVER COMPLAINT,

JAUNDICE, DYSPEPSIA, CHRONIC OR *Nervous Debility, Disease of the Kidneys, and all Diseases arising from a disordered Liver or Stomach in both Male and Female.*

SUCH as constipation, inward piles, fullness or blood to the head, acidity of the stomach, nausea, heart-burn, disgust for food, fullness or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture; dimness of vision, dois or webs before the sight, fever and dull pain in the head; deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil and great depression of spirits, can be effectually cured by

DR. HOOFLAND'S
Celebrated German Bitters.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the U. States as the cures attest, in many cases after skillful physicians had failed.

Derangement of the Liver and Stomach are sources of insanity, and will also produce disease of the heart, skin, lungs and kidneys; and lays the body open to an attack of Cholera, bilious or yellow fever, and is generally the first cause of that most baneful disease, consumption.

OPINIONS OF THE PHILADELPHIA PRESS.

"*The Dispatch,*" of December 31st, says:

AN INVALUABLE MEDICINE.—We have frequently heard the celebrated German Bitters, manufactured by Dr. Hoofland, spoken of in terms of commendation, and we know deservedly so. It is a too common practice, in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the Liver complaint, jaundice, nervous debility and dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating diseases, when all other medicines have failed. We feel convinced, that in the use of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame—a fact worthy of great consideration. The Bitters are pleasant in taste and smell, and can be administered under any circumstances, to the most delicate stomach. Indeed they can be used by all persons with the most perfect safety. It would be well for those who are much affected in the nervous system, to commence with one tea spoonful or less, and gradually increase. We speak from experience, and are of course, a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use.

"*Spirit of the Times,*" of June 24th, says:

"DO OUR GOOD CITIZENS who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters?—If they do not, we recommend them to the "German Medicine Store," all who are afflicted with Liver complaint, Jaundice, Dyspepsia, or Nervous Debility; the Doctor has cured many of our citizens after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are *entirely Vegetable.*

"*The Daily News,*" of July 4th, says:

"We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say it is a blessing of this age; and in diseases of the biliary, digestive and Nervous systems, it has not we think an equal. It is a Vegetable Preparation, and made without Alcohol, and to all invalids we would recommend it as worthy their confidence.

It is from one of our first druggists, a gentleman favourably known throughout the United States—the proprietor of the "Medicated Worm Syrup."

Phila., Nov. 22d, 1848.

Dear Sir—It is with much pleasure that I testify to the extraordinary virtues of your German Bitters, having sold largely of them these last few months to various persons, afflicted with Liver complaints, Dyspepsia, and debility of the Nervous system. I can say conscientiously, that they are the best article of the kind I have ever sold, (and I deal in all the popular medicines) and I consider it the only medicine for the above diseases before the public.

I have never sold one bottle that has not given satisfaction, and brought forth the commendation of those who used it.

I deem this my duty both to you as the proprietor of this highly valuable article, and to those afflicted with the above complaints, that they may know of its curative properties and to enable them to select the good from the various articles with which our market is flooded.

JAUNDICE AND LIVER COMPLAINT CURED AFTER PHYSICIANS HAD FAILED!

Phila., Dec. 27, 1848.

Dear Sir—It is with feelings of pleasure I communicate to you the sensative effects (and in a short time) of your invaluable "Hoofland's celebrated German Bitters," upon my system while laboring under the Jaundice. About two years ago I had an attack of the Jaundice and was confined to the house six weeks under medical treatment of the Family Physician and for sometime after, when I went out I had to be very careful of myself, since that time I have had several attacks of the same disease, and your Bitters have entirely relieved and cured me in two or three days. My next door neighbor, Mr. John Diehl, last spring, had a long a serious spell of Jaundice, he had it sometime before I knew it; he was confined to his bed. As soon as I heard of his condition I called to see him and told him of the effect your Bitters had upon me in the same disease. He immedrately sent for a bottle, and in a few days he was cured. I have in several instances recommended the Bitters in other cases, always producing the same happy effect. My wife has been considerably afflicted with Liver complaint and Neuralgia, by the use of the Bitters she is well, now enjoying good health. We believe from the many cures we know of these Bitters effecting, that they possess in a remarkable and extraordinary degree gr at curative properties, and that which enhances their value with us is, they are entirely vegetable. We always keep the Bitters on hand and would not be willing to be without them.

Very respectfully, yours,
C. PEIRCE, 370 South Front st.

Can stronger testimony be adduced by any Preparation before the public? A single bottle will convince any one of their power over disease. They are entirely Vegetable, and will permanently destroy the most obstinate costiveness, and give strength and vigor to the frame, at no time debilitating the patient; being also grateful to the most delicate stomach under any circumstances, and can be administered with perfect safety to delicate infants—they are free from Alcohol, Syrup, Acids, Calomel, and all mineral and injurious ingredients.

They can be taken at all times and under all circumstances, no ordinary exposure will prevent them having a salutary effect, and no bad result can accrue from an over dose.
