Unsettled Claims.

HAVING had several years' experience in the Second and Third Auditor's Offices in Washington city, (D. C.,) and being thoroughly acquainted with the details of such accounts as are audited in those offices, particularly those of Quartermasters and Recruiting officers of the Army, the undersigned respectfully tenders his services as an Attorney to such as wish to succeed in having an early adjustment of their accounts, with a perfect confidence that he will be able to give the most ample satisfaction to all who entrust their business to his care.

Having had control of all the Recruiting accounts in the Second Auditor's Office, from March, 1846, to December, 1847, (during which time the eleven Regiments were raised to serve in the war with Mexico,) and also of the vouchers for all transportation in those accounts in the Third Auditor's Office, from December, 1847, to the 3d instant, and being intimately acquainted with the several individuals employed in both of said Offices, he flatters himself that he possesses advantages over those of any other individual, to enable him to arrange such accounts properly and to prosecute them to a speedy settlement. By putting their business into his hands, officers will be relieved from the trouble and expense of a visit to Washington, where, after they have arrived, from the great press of business before the offices, they will find it *extremely difficult*, if not *impossible*, to have their accounts taken up during any reasonable period of time. His charges will be moderate, and he pledges himself to use all honorable means to advance the interests of those who may favor him with their patronage.

Accounts for back-pay and also for three months' extra pay, will be attended to at the same time; and where sums are found due the officers, the amounts will be promptly remitted them through the mail.

Particular attention will be paid to the claims of soldiers who served in the Mexican war, Bounty land, for back pay, extra pay, &c. Also, to the claims of the widows and children of deceased soldiers for Pensions, and finally to any and every description of claims arising before the Departments or before Congress.

Letters should be *post paid*, and addressed to
