Clothing! Clothing!! Clothing!!!
Three Big Doors, The Western World!!
150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are more or to times larger than any other house in the trade, and this being the case on the smount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!
THE Spring and Summer stock that is now ready to be offered at the old original
THREE BIG DOORS,
is one of the largest and choicest selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but, will simply tell them that if they only favor me with a call, I will lay before them 150,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the assortment of the behoder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade—Without any intention of boasting, on my part, I will say, at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who may themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.
THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy in all stages of the complaint immediately relieved, no matter of how long standing. (See pamphlet testimony).

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can relieve you; and the cures testified to by those who have tried it, are the most unexceptionable evidence of its value. Liver Complaint, Bilious Diseases, Fever and Ague. To the Great West especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, no deleterious compound is a part of this mixture; it is perfectly innocuous with certainty and celerity, and does not leave the system torpid. (See pamphlet). Piles, a complaint of a painful character, is immediately relieved, and a cure followed by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood. (See pamphlet). Debility of the System, Weak Back, Weakness of the Kidneys, &c. or Inflammation of the same, is immediately relieved by a few days use of this mixture, and will ever be always the result of its use. It stands as a certain remedy for such complaints, and also for derangement of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch such a kind of complaint, or ever attempt to relieve upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in the distressing class of complaints. (See pamphlet). All broken down, debilitated constitutions, from the effect of mercury, will find the healing power of this article to be infinitely superior to any compound mineral endeavored from the system.

Empiric Diseases will find in this extensive properties of this article PURIFYING THE BLOOD, and drive such diseases from the system. (See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here: Agents give them away; they contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine never offered or appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left to half decay, it will arrest the disease and lingering invalid MORE OF, and keep taking the medicine as long as there is any improvement. The proprietor would caution the public against a number of articles which have come out under the heads of SARSAPARILLAS, SYRUPS, &c. as cures for Dropsy, Gravel, &c. for which they are imposing, and connected to gull the unwary: TOOCH THINK SOT. Their inventors never thought of curing such diseases till this article had done it. *The proprietor has in his possession its certantly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up 30 oz. bottles, at $2; 12 oz do. at $1 each—the former holding 2 oz. more than the two small bottles. Look out and not be imposed upon. Every bottle has Vaughn's Vegetable Lithontriptic Mixture blown upon it, and the written signature of "G. C. Vaughn" on the directions, and "Dr. G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents excepted*. Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.
