TRICKS OF QUACKS.

LET EVERYBODY READ THIS CAREFULLY.—There is a Sarsaparilla for sale in the different towns called S. P. Townsend's Sarsaparilla. It is advertised as the ORIGINAL GENUINE, and all that. This Townsend is no Doctor and never was; but was formerly a worker on railroads, canals, and the like—yet he assumes the title of Doctor for the purpose of gaining credit for what he is not. He says "he has attended two medical schools, and practiced for fifteen years!!" Now the truth is, he never practiced medicine a day in his life! Such *willful, wicked* misrepresentation looks bad to the character and veracity of the man. I wish most sincerely, he had never made these statements of himself or of me. When will men learn to be honest and truthful in all their dealings and intercourse with their fellow men! He applied to one Ruel Clapp to assist him in manufacturing his mixture, stating the large sums he would make, as an inducement to embark in the business. These men have been insulting and libelling me in all possible forms, in order to impress the public with the belief that the Old Doctor's Sarsaparilla was not the *genuine, original Sarsaparilla*, made from the *Old Doctor's Original Recipe*. This S. P. Townsend says I have sold the use of my name for $7 a week. I will give him $50 if he will produce one single solitary proof of this. His statements of Thompson, Stillman & Co., are nothing but a tissue of falsehoods, simply made to deceive the public, and keep the truth down in regard to his *souring, fermenting compound*. This is to caution the public to purchase none but Old Dr. JACOB Townsend's Sarsaparilla, having on it the Old Doctor's likeness, his *family Coat of Arms*, and his signature across the Coat of Arms.

Principal Office, 102 *Nassau-street, N. Y City.* JACOB TOWNSEND

Old Dr. Jacob Townsend;

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, to whom persons who had been healed of such diseases, and saved from death, pronounced it wonderful

This GRAND AND UNEQUALLED PREPARATION is manufactured on the largest scale, and is called for throughout the length and breadth of the land, especially as it is
