Our *Special* column is decidedly interesting in a local point of view, and profitable reading to outsiders who want to save money.

YES, OF COURSE!

"Will you take wheat, oats or corn for subscription?" We are often inquired of in this way by letter from patrons who reside at a distance from Clearfield. We again say yes. The receipts of a responsible merchant or mill owner in the vicinity, will answer us just as well as the cash. To illustrate: If any of our patrons will deliver us a bag of grain at the mill of Joseph H. Breth, in Chest township, Horace Patchin, in Burnside, Thomas H. Forsey, in Graham, Wm Porter or Shaw's, in Lawrence, or Brown & Sayler's, at Rockton, Union township, and forward their receipts for the amount, we will credit them on their account for the same. In this way all may soon pay what they owe, if they will pursue this course. tf.

Try Stock's "Clearfield Favorite" Cigar. d 18 3t

Our next paper will be issued on Christmas day, December 25th.

BIBLE RULE.—Cash at Fleck & Co's. dec11-2t.

The list of applicants for Hotel, Saloon and Wholesale liquor licenses is published in this paper to-day.

A gentleman would enjoy no Christmas present better than a box of John A. Stock's "Clearfield Favorite" Cigars. 1t

The Episcopal Fair and Festival is now in full progress in the Centennial building. Drop in and see the ladies.

A splendid assortment of NEW CHRISTMAS GOODS, will be open for inspection December 12th, at Wm. Reeds.'

We notice that Rev. Wm. H. Dill, of this place, occupied the pulpit of Rev. W. O. Ferguson, of Ashland, Pa., on last Sunday a week.

The County Commissioners are having a couple of signs, containing the usual notice in regard to fast driving, etc., painted for the new bridge over the creek at Litz' fording.

The river at this place has got down to its cold weather level, and now glides peacefully along over its rocky bed. It does not look as dangerous as it did this time last week.

Ed Rheem killed his first deer one day last week and he feels extra good over the fact. Ed. is only about fifteen years of age, but is already an accomplished marksman with the rifle.

We are requested to say that teachers having articles to exhibit at our Institute Exposition, should send or hand them to the County Superintendent, no later than Saturday, Dec. 18

A party of Chest Creekers, who were hunting last week on the head waters of Moquoketa Creek, passed through this place on Monday last with the carcasses of eleven deer, which they had succeeded in slaying.

J. Frank Snyder, Esq., appointed by the Court to audit the accounts of the Prothonotary and the Register and Recorder, is now engaged in the work pertaining to his appointment.

The *Centre Herald*, of Bellefonte, says "*fifty feet* of logs will be put in the streams of Clearfield county, this winter." My, won't that amount of timber create an excitement as it floats into the booms at Lock Haven and Williamsport! Get out of the way down there!

Al. W. Walters succeeded in bringing down a deer the latter part of last week. It was a lucky week for hunters, a large number having been slaughtered. Now that the season for shooting this game has expired, let the hunters give them a rest.

The annual meeting of the State Grange Patrons of Husbandry, was held at Bellefonte last week. Several hundred delegates from the different counties of the State were present. With the exception of one evening, all the sessions were private. Grand Master Victor E. Piolette presided.

The concert given by the Clearfield Cornet Band, in the Opera House on Friday evening last, was a general success. The crowd in attendance was not as large as was desired, but the proceeds will pay expenses and leave a small sum in the treasury. The performance was very good, all the actors acquitting themselves in a creditable manner.

Sup't. McM'Quown will visit Tyrone this week for the purpose of making arrangements with the Superintendent of the Tyrone and Clearfield railroad, to run a special train from Curwensville to Clearfield each evening during the Institute week. He will also spend a couple of days at the Huntingdon County Teachers' Institute.

Commissioner McGee shot a doe on Saturday last that weighed 182 pounds. It was a fine little animal. He thinks he is entitled to extra credit for this feat, as he only went out on Saturday morning, and did not expect to get anything. John W. Hess was with him, but he did not get a shot, although he declares he would have killed one, if McGee hadn't.

A GOOD OPENING.—Those of our subscribers who are in arrears for subscription or job work, and who are the owners of coal banks, or in league with others who own them and want to pay us, will find our coal house at our residence, or at the printing office, open at all times to receive from forty to one hundred bushels of good coal. Think of this cheap way to pay for your paper.

All are invited to call and examine goods and prices at Fleck & Co's. dec11-3t.

SOMETHING NEW.—The *Journal* avers that there is a modest hunter in this borough. Who ever saw one before.

Capt. Amos Row has opened a job printing office in Houtzdale. There are now two printing offices in that enterprising village.

Four young steers, on the premises of Wm Hawk, in Bell township, await an owner. See "Estray Cattle" in our advertising columns.

The holiday goods are coming,
And forests begin to look sweet;
The Sunday school teachers are filling
With youngsters who want a good treat.

A CHANGE OF BASE.—The Educational column will this week be found on the fourth page of the REPUBLICAN. The balance of the programme for the County Institute is published therein.

PROTRACTED MEETING.—We learn from the *Journal* that Rev. Mr. Fletcher, of Loos Haven, contemplates conducting a protracted meeting in the Lutheran Church, in this borough, commencing on the 13th of January next.

A TOTAL FAILURE.—For a month past, at least half a dozen of expert hunters have promised us a venison roast. Now, the season is over and we are without the deer meat. A hunters' story is a little like an April sun, somewhat deceptive.

SUCH IS LIFE.—Many of our readers object to reading advertisements but all are delighted with the wonderful results obtained by the use of Dr. Fenner's Cough Honey. Price 25 cents, 50 cents, $1. For sale by Hartwick & Irvin, Clearfield, Pa.

It appears from the records that the commissions of twelve Squires will expire in this county during 1879. If this is the fact, the voters can get ready to elect persons to fill their places at the approaching February election. A list of the names of those whose commissions expire appears elsewhere in this issue.

List of letters remaining unclaimed in the Postoffice at Clearfield, for the week ending December 16, 1878:—

George M. Fields, D. S. Henry, Miss Nannie E Levy (2), William McAlarney, John Ogden, John Painter, Miss Jennie Riner, M. D. Rumsey, Uriah Straw, William Stitt.

P. A. GAULIN, P. M

ASSESSOR APPOINTED.—Wm. D. Bigler, having been elected Assessor of this borough, but finding that it was impossible for him to discharge the duties, because of other engagements, resigned and the County Commissioners last week appointed Gideon D Goodfellow to fill the vacancy. Mr. Goodfellow will therefore make the assessment for this borough for 1879.

ALL A MISTAKE.—The Bellefonte *Republican* says: "The Clearfield REPUBLICAN's imp attempted a dance at Philipsburg on Thanksgiving evening. We always did believe that the Devil had something to do with dancing, and we are now more convinced than ever." It is a mistake; the chap you allude to was from over the mountain. Our boys attend prayer meeting.

SWALLOWED A WHISTLE.—On Wednesday of this week, a little son of Steve Martin, while amusing himself as boys usually do, accidentally swallowed a tin whistle, which lodged in his throat. The boy was taken to Philipsburg, but the doctors there said he would have to be sent to Philadelphia. Returning to Osceola Dr. Blandy took the case in hand, and fortunately succeeded in giving the article a downward passage. This came mighty near being a dear whistle, and it would be a good thing if other boys would take warning and give the toy whistle a wide berth.—*Osceola Reveille*

SOME PORK.—Fred. B. Irwin, of Law ence township, last week dressed four peckers that weighed in the aggregate 1,477 pounds—the heaviest one kicking the beam at 407 pounds.

Samuel H. Irwin, of Lawrence township, has also been slaughtering some pretty heavy weights. He dressed six one day last week that aggregated 1,800 pounds.

E. C. Johnson, of this borough, slaughtered on the other day that dressed 348 pounds of clean meat. If any of our readers can do better than that in the pork line let them trot out the last

A PRACTICAL MAN.—County Commissioner McGee, after listening to the doleful stories of hunters, on the week's past, without a deer, on last Saturday remarked: "Give me a gun and I will go out and bring you in a deer." By five o'clock in the evening he was in with a 107 pound deer, killed on the grounds tramped over by experts for a month. Some of our hunters should go up into the woods between Bear run and Whiskey run and take lessons from Mr. McGee, and by next season they might be able to procure some meat.

HOME AGAIN.—Mr. Clarence A. Johnson, son of David Johnson, of this borough, returned to Clearfield on Saturday last from his trip to Brazil, whither he had gone with the Messrs. Codins, who are engaged in building a railroad in that country. Clarence spent nearly a year in that country in the employ of the above firm, and but for its detestable climate, would be there yet. With the exception noted, he was greatly pleased with his trip. He reports that a large proportion of those who went out with him have returned, and a large percentage of those who remain are suffering from the effects of the severe climate. The Codins are still engaged in the work of grading and laying the rails of the road, but, through some interference of a party of English capitalists, have so far received no pay on their contract, consequently the men have not all received the wages due them. Mr. Johnson says, however, that the contractors will go on and complete their work, and that they will probably get the first installment of contract money early in the coming January.

My family has received more benefit from E. K. Thompson's Sweet Worm Powder than all the medicine ever used in my house. My wife for six months doctored with the best physicians I could find in the country, but with no benefit. She would be taken with a pain in the pit of the stomach and feel almost away. Her hands and feet would become cold, her heart palpitate, and often we thought she would die before we could restore her by using hot draughts and applications. I was finally recommended to try your Sweet Worm Powder, three doses of which had an astonishing effect, and being followed up a few days after relieved her of all pain and sickness; and if my testimony can be of any use, am happy to give it in favor of the Sweet Worm Powder as a most wonderful medicine. Any one wishing to know the full facts, please address me as below. S. REYNOLDS, P. P.

Prepared by E. K. Thompson, Titusville, Pa.
Price, 25 cents per bottle.
For sale by all druggists in Clearfield, and by Jos. Seyler & Son, Lutherburg.

THE ELECTION OF JUSTICE.—AN Act of Assembly approved the 23d of March, A. D. 1877, (Pamphlet Laws, page 72,) requires the Constables of every borough and township, to give twenty days notice preceding every February election, in such districts where a vacancy occurs in the office of Justice of the Peace, and the notice must state the cause of vacancy, whether by the expiration of commission, death, removal, resignation or otherwise.

In examining the records we find that commissions were issued to the following parties during 1873, and the five years will expire during 1879, viz:

Burnside borough—D S. Davis.
Beccaria township—Wm. J McCoy.
Bradford township—W. I. Curley.
Chest township—Jonathan S. Fry.
Jordan township—Isaac F. Bloom.
Karthaus township—Andrew Boehlin.
Knox township—James McKee.
Morris township—A. W. Raymond
Penn township—James Mulhoy.
Pike township—Wm. M. Bloom.
Union township—David Dressler.
Huston township—Charles Kubenter,

Some of these parties may have resigned, etc., and the vacancy filled by an election since. This is a question for the Constable, and he must act accordingly. Of course it is the duty of every Constable to advertise the Spring election, or if there is no such officer, it is the duty of the Supervisors to do it.

A COMPLETE NEWSPAPER.—The enterprise that has made THE WEEKLY TIMES not only the best journal of its class in Philadelphia, but, by general acknowledgment, the best journal for the family circle issued from any press, is scrupulously maintained. Its contributors from week to week are among the foremost men of the nation, and no department of news or literature is slighted in any number or any pretext. It is adapted as well to women as to men; hence, although its political intelligence is full and accurate and its political editorials free and fearless, liberal provision is made for religious literary, dramatic and musical matters, wit and humor, travels and adventure, fiction, poetry, fashions and the chronicle of current social events. In all these departments the pens of the best writers are engaged, while selections from other journals are made with care, taste and fullness that are unsurpassed. The special correspondents of THE WEEKLY TIMES are found at every news centre, embracing all American and European capitals, and they are charged to spare no labor or expense to give its readers the best and earliest accounts of matters of current interest in every department of the world of news. In addition to the regular correspondence thus provided, this journal is chosen by many of the most eminent men of the day as a medium of communication with the public. The "Annals of the War," embracing chapters of unwritten history contributed by prominent actors in the war of the rebellion, are a valuable feature of the paper, and have become a recognized depository of such matters, whether from Northern or Southern sources. This department, as well as all others, will be well sustained during the coming year. Selections of some of the most valuable war articles that have appeared already have been made, to answer the general demand for their publication in book form. The volume thus compiled, covering about 800 pages (price $4), hand-comely illustrated and elegantly bound, is offered as a premium for subscribers. A copy of the "Annals" will be given as a premium to any one sending $15 for a club of ten, or $25 for a club of twenty. Club terms of THE WEEKLY TIMES: One copy, one year, $2; five copies, one year, $8; ten copies, one year, $15; twenty copies, one year, $25. Address THE TIMES, Philadelphia, Pa. 3t
