NEW STORE.

FILLED to overflowing with NEW GOODS, and the cash system adopted—the pass-book system abolished—therefore, bring on your "ding bats" and save from 25 to 40 per cent., that otherwise you are required to pay where the credit system is in vogue.

The subscriber announces to the public that he has returned from the city with a large and complete stock of GOODS, all now, which have been selected with great care, from first hands, and with special reference to the wants of the people and for this market. They will be sold at 10 per cent. advance on first cost.

The merchant who does business on the cash principle has quick returns, and consequently can purchase his Goods to better advantage and sell at smaller profits than he who sells on time and has to make his paying customers pay the losses on the credit system. Buyers consider well this fact before you purchase.

Farmers, mechanics, laboring men and others, awake to your interests and free yourselves of the enormous tax under which you have been and are still laboring. This you can do by purchasing your Goods at the cheap cash store of the subscriber, at the old stand in South Hanover street, near Scott's hotel. My stock of goods consist of

Cloths, Cassimeres and Vestings,

the prices of which will astonish every one. In the Ladies department will be found changeable and fancy Delaines, Berage Delaines, Silk Poplins, Ginghams, Prints of the latest patterns and the most fashionable French styles, together with a magnificent assortment of Laces, Edgings & White Goods. Swiss and Mull Muslins, plain, figured, striped and barred Muslins, of the best makes, latest designs and very low. In addition to the above I have a large supply of

Fresh Groceries,

such as Coffee, Tea, Sugar, Spices, &c., the prices of cannot fail to please; Segar and Tobacco.

By strict attention to business and a desire to please, I hope to receive a share of public patronage.
