PITTSBURGH, November 7th, 1848.

☞ The Merchants' and Manufacturers' Bank has this day declared a dividend of four per cent. on the Capital Stock out of the profits for the last six months.
nov9 W. H. DENNY, Cashier.

☞ A cough should never be neglected. It may appear trifling and unworthy the attention at first, but it will not remain stationary long: it may progress slow at first, and its augmentation may be scarcely perceptible; yet when it once seizes the lungs, all the other parts of the body will be sympathetically affected, and a confirmed Consumption and premature death will be the inevitable result. A little care would save many a life, and the timely use of a proper remedy might have arrested many a consumption. But many persons have an invincible repugnance to taking any medicine, and rather than use the means towards arresting a disease, simply because the remedy may not be a pleasant one, would suffer and languish for a long time, before they would resort to the aid of medicine.

B. A. Fahnestock & Co.'s Cough Balsam has a great advantage in this respect over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running for a considerable length of time, yield almost immediately to its power.

Prepared and for sale, wholesale and retail, by
nov17 B. A. FAHNESTOCK & Co.

☞ FLUX OR DYSENTERY, GENERAL DEBILITATION.—At length a cure for the above, which may be most confidently relied on, has made its appearance; a cure so positively administered, in proof whereof, the money paid for it will be instantly returned in every case where it does not give the most thorough satisfaction. Clickener's Sugar-coated Vegetable Purgative Pills is the remedy spoken of, and reference is made to all respectable physicians, who will cheerfully give the most unqualified testimony in their favor. Let any person afflicted with either of these diseases, give them but one trial, and he is sure to purchase them for life; not only because they cure them more speedily and better than any other medicine, but also because they are as easily swallowed as bits of loaf sugar, and are entirely sanitiated with griping or nausea. They are so powerful that three of them will effectually operate on a giant, and yet so mild and pleasant that a child might swallow half a box full without repugnance or injury.

☞ Sold by W. M. JACKSON, Gen. Agent,
nov28 59 Liberty street, Pittsburgh.

(For list of Agents see advertisement.)

☞ HOOFSICKNESS. *Swimming of the Head, a roaring noise in the ears, headache, palpitation of the heart, &c.* Wright's Indian Vegetable Pills are a certain cure for the above, unpleasant complaints, because they purge from the body those stagnant and corrupt humors which, when floating in the general mass of the circulation, are the cause of a rush of blood to the head, giddiness, dimness of sight, drowsiness, pain of the head, and other symptoms of a corrupt state of the blood.

Wright's Indian Vegetable Pills are one of the very best medicines in the world for the cure of indigestion, and therefore will not only remove all the unpleasant symptoms, but will most assuredly restore the body to a sound state of health.

Beware! Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the outside of each box.

Remember, also, that Messrs. Feuchtwanger & Co. of New York; Jas. S. Gilsecor & Co. of Cincinnati; and J. B. Wilder & Co. of Louisville; are our agents for this medicine, and we cannot guarantee the genuineness of that offered by them for sale.

The genuine is for sale at Dr. Wright's Principal Office, 169 Race street, Philadelphia; and by John Thompson, 126 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate.

200 BBLS. Rambos, Golden Gate, Phœnix and other varieties of apples in store and for sale by
nov17 CUMMINS & SMITH.

For Sale, Exchange, or Rent.

THE subscriber, intending to retire from his present business, about the first of April next, or as soon as circumstances will permit, will dispose of his property, in or near Blairsville, in one or other of the ways spoken of above. They are stated in the order he would prefer as to the disposal.

The property consists of extensive Brick Buildings, erected expressly for the purpose of being used as a HOTEL. Another Brick Building, suitable for a DWELLING and RETAIL STORE—all on the main street, near the Conemaugh Bridge, and Pennsylvania Canal. There are good cellars under these buildings; also, two wells of good water, one convenient to the tavern kitchen, (besides a large cistern,) the other at the stable, with pumps in both.

There are two Lots on the main street, on which the above and several other needful Buildings are erected; and two Lots immediately North of these, separated by an alley, occupied in part as a Garden, on which a large brick Stable, a large frame Stable, a Blacksmith Shop and Carriage Maker's Shop are erected. Also, about 20 ACRES adjoining the Borough, a portion of which is EXCELLENT MEADOW, producing *over forty tons of Hay annually.* The remainder is under fence as pasture. There are two wells of water, one of which there is a stream of RUNNING WATER.

I would dispose of all, or the tavern part and portion of out-lots, as might suit. If a sale cannot be effected, I would exchange the whole, or a part, for other property. And if neither is accomplished in time, I would rent the town property for a term of years, and out-lots sufficient for use of the tavern.

To a person desirous of engaging in the business of keeping a public house, there are few, if any, situations in the country combining so many advantages.

Apply to S. McANULTY, on the premises, Blairsville, Indiana Co., Pa., or to C. A. McANULTY,
nov28:4tw&2wd] Canal Basin, Pittsburgh.

TO LET—A BRICK YARD, in Coghansville. The Clay is of the best quality, and out of the way of dwelling houses or other buildings. (oct26:tc) THOS. MELLON.
