YES, OF COURSE!

"Will you take wheat, oats or corn for subscription?" We are often inquired of in this way by letter from patrons who reside at a distance from Clearfield. We again say yes. The receipts of a responsible merchant or mill owner in the vicinity, will answer as just as well as the cash. To illustrate: If any of our patrons will deliver us a bag of grain at the mill of Joseph H. Breth, in Chest township, Horace Patchin, in Burnside, Thomas H. Forcey, in Graham, Wm. Porter or John's, in Lawrence, or Brown & Sayler's, at Renkton, Union township, and forward their receipts for the amount, we will credit them on their account for the same. In this way all may pay what they owe, if they will pursue this course. tf.

Charley L. Frank, of Curwensville, with another gentleman was driving in a sleigh, near Frenchville on Wednesday evening of last week, the sleigh swung around against a post, spilling the gentlemen and their trunks out into the snow, and the horses ran off. One of the gentlemen got considerably bruised, and one of the horses broke its leg and had to be killed.

PATENT JOKERS.—The bad weather, snow drifts, etc., plays hob with some of the patent in and outsiders. We have before us a copy of the Cherrytree *Record*, dated December 29th, 1880, on the outside, and on the inside February 16th, 1881. A newspaper enterprise of that kind must last until—for all time. Its business, you know, is founded on a modern basis.

ALL RIGHT.—There is no use in getting up the old alarm for horse or man and stand horrified at the "break-neck" speed of either in seeing them pass before us. That Rubicon has been passed over by the editor of the *Breville*. He can mend a broken neck far easier than a broken arm can be restored by the cutest expert physician in the State. Go ahead now, the remedy for broken necks is at hand.

NEW DAILY STAGE LINE.—James L. Leavy has succeeded in having a daily mail established between Clearfield and Penfield, and will hereafter run a daily stage between the two points. His contract began with April 1st, and the stage will leave Clearfield every morning (except Sunday) at 8 o'clock, making connections with all trains on the Low Grade Railroad at Penfield, returning after the last train the same evening. Passengers and freight will be carried at low rates. Orders left at any of the hotels will be attended to. 16apr79-tf

FARMERS, LOOK HERE!—Lytle will give you highest market prices for Wheat, Oats, Corn, Buckwheat, Butter, Eggs, Onions, Apples, dried fruits, and all kinds of produce. He has the largest and best selected stock of groceries, teas, coffees, molasses, spices, oil, salt, sugar, queensware, tubs, buckets, baskets, churns, &c., in Clearfield county. He buys his goods in large quantities from manufacturers and first hands for cash, and takes the advantage of all discounts, and so he is enabled to sell at lowest prices. He gives cash prices for produce, and sells his goods at the lowest prices in the county. sept-24-'79-tf

TEMPERANCE MEETING.—A Temperance meeting will be held in the Court House, this Wednesday evening, February 23d, at 8 o'clock, under the auspices of the Good Templars of this place. This is their second anniversary. The meeting will be addressed by Mr. Geo. C. Hart, one of the best and ablest Temperance orators of the day. Mr. Hart is the Grand Worthy Chief Templar of Pennsylvania, and is at the head of all Good Templar lodges in this State. He is an earnest worker for the Temperance cause and a forcible speaker. Turn out and let there be a full house, and hear the whiskey traffic discussed by one who is able and capable of doing it.

SUDDEN DEATH AND SAD BEREAVEMENT.—Mrs. Matilda Lyon, of Illinois, who for some weeks past has been enjoying a pleasant visit in this place with the family of her brother, Dr. A. M. Hills, received a dispatch on Wednesday evening of last week from her son-in-law, R. B. Proctor, stating that her husband, Oliver Lyon, had been attacked with apoplexy and could not live. Mrs. Lyon took the next train (Thursday morning) for her home near Belvidere, Illinois. A subsequent dispatch to Dr. Hills gave the information that Mr. Lyon was dead. The distressed wife would not reach home until half-past 7 o'clock on Friday evening. Mr. Lyon was a resident of Lawrence township, Clearfield county, from the Fall of 1846 to that of 1852, and will be well remembered by many of the older citizens of this community.

THE NEW SQUIRES.—Those persons who were elected to the office of Justice of the Peace, at the recent election in our county, should at once notify the Prothonotary, James Kerr, of their willingness to fill their commission issued by the Governor. No commission will be issued unless the Prothonotary is thus notified. More: The Act of Assembly approved March 22d, 1877, requires the newly elected Justice to give the name of his predecessor, or the cause of a vacancy, if such is the fact, whether by expiration of commission, death, resignation, removal, or otherwise. Let this matter be attended to, because if the Prothonotary is not informed according to law no commissions will be forwarded and a vacancy will occur which cannot be filled, except by an appointment by the Governor, until May, 1882. As a commission issued for only five months costs as much as one for five years, all the elect should come to the front and present a vacancy.

All travelers will appreciate the announcement that the Pittsburgh, Cincinnati & St. Louis Railway Company (Pan-Handle Route) will hereafter run a first-class Passenger coach from Pittsburgh to St. Louis on the Fast Express train leaving Pittsburgh every day at 8:22 A M. Sleeping cars will continue to run on same train from Pittsburgh to Cincinnati, Louisville, Indianapolis and St. Louis, but the through coach to St. Louis will be a great benefit to persons en route to Indianapolis, Terre Haute, St. Louis, and all points West and Southwest, who do not care to pay the extra charge for sleeping car privileges.

Hotel or sleeping cars will continue to run on Cincinnati Express leaving Pittsburgh at 7:32 P. M. for Cincinnati and Louisville, and on Night Express leaving Pittsburgh at 12:02 A. M. for Cincinnati, Louisville, Indianapolis and St. Louis without change.

Passengers for the West and South will please bear in mind the improved through-car service by the Pan-Handle Route.

To secure the advantage of quick time, good connections in Union depots, and through-car accommodations, over one of the best constructed and most perfectly equipped lines, it is only necessary to ask for and be sure that you receive tickets via Pittsburgh, Cincinnati & St. Louis Railway (Pan-Handle Route).

For time tables and information address W. C. Rinearson, Passenger Agent, Pittsburgh, Pa., or W. L. O'Brien, General Passenger Agent Pan-Handle Route, Columbus, Ohio. [jan26-5t.

"RIVAL!"—Yes, that's a pretty piece of assumption. Let the reader compare the last Trial List job with previous copies—assuming to do work and no material to do it with. "Rival!" Yes; but very cheap. Our devil can do better.

A FACT.—An advertisement inserted in the REPUBLICAN will reach more readers than if published in all the other papers in the county, and cost the advertiser less than one-half. In other words, an advertisement published in our journal is worth double the price of that charged by any other publisher in the county. It is a fact." tf.

COAL IN.—If any of our coal bank men feel like trading some of their product for a series of numbers of copies of the CLEARFIELD REPUBLICAN, we will gladly show them where to put two or three hundred bushels on account in that way. We have a bin at our residence and one at the office that will hold a load every now and then. A hint to the wise is a very sage remark, and should be sufficient. Nov. 10-21

SUBJECT, BARK.

CLEARFIELD, February 17th, 1881.

EDITOR REPUBLICAN—*Dear Sir:* I see a statement in the *Citizen* of this week about a big load of bark that was hauled to the tannery, and for mistakes it takes the rag off the bush. The team that hauled the big load belongs to W. H. Wilhelm, and was purchased from J. C. Read and driven by Hiram Wilson, and hauled 8,760 lbs, or almost four and one-half cords.

BARK HAULER.

A CORRECTION.

LICK RUN MILLS, February 18th, 1881.

MR. EDITOR:—I see in your paper of the 16th instant, an account of Mrs. Marie Reiss, aged 169 years. Mr. Editor, somebody's arithmetic is at fault. You say she was born on the 25th of December, 1702, and has a daughter upwards of 80 years. Now, those dates would make her a mother at nine years old, for she was only 69 at the time of her death, or somebody is wrong.

Yours, &c., TRUTH.

[Mrs. Reiss was born on the 24th of December, 1772. It was a mistake made by the printer.—ED. REP.]

ON BRIDGES.

LAWRENCE TOWNSHIP, Feb. 21st, 1881.

ED. REPUBLICAN: Will you allow me through the columns of your paper to rise for information in regard to the old bridge across the creek at Forcelt. I notice that our very economical County Commissioners are very anxious that the Supervisors of Lawrence and Boggs township should take charge of the old bridge which is in a very bad condition. Now, Mr. Editor, you know the history of that structure, that it is an abandoned bridge on an abandoned State road. I know of no Act of Assembly or action of the Courts giving the County Commissioners any authority over the bridge, and I have very serious doubts whether there is any law compelling the townships to rebuild the bridge when there is a county bridge within one and a-half miles of the old one. I think it would be very unfair for the two townships to have to build it, and hope our Supervisors will keep their hands clear of it, notwithstanding the distortion of our most intelligent County Commissioners. OBSERVER.
