Bounty to Nine Months' Men.—The House at Washington passed a joint resolution on Thursday providing for the payment of twenty-five dollars bounty to the nine months' men called out under the act of February, 1862.

The Hight of Recruits.—By order of the War Department no volunteer recruit shall be rejected on account of height who is at least five feet. This is of importance to men of low statue seeking to to enter the army, and hence we note it.

The Rev. Isaac Miesse, a well-known minister of the German Reformed Church, died on the 1st inst., at his residence in Penn township, Berks county, in the 52d year of his age. He officiated for over 25 years as a pastor in Bern township, and was considered a preacher of considerable ability in the German language.

A grand parade of Company K., 93d Penna. Volunteers, with the Companies of Captains P. Y. Edelman and A. H. Schaeffer, late of the 167th Regiment Penna. Militia, will take place at Friedensburg, Berks county, on Saturday next, February 27, 1864.

The *'Reading Adler'* newspaper establishment has been sold by Col. Kessler to Messrs. Wm. Rosenthal, Jesse G. Hawley and William S. Ritter, of Reading, by whom it will hereafter be conducted.

Soldier Killed.—John Brechbill, a member of Co. I, 7th Pa. cavalry, was killed a few days ago, on the Marietta and Cincinnati railroad, while on his way home from Nashville, on a furlough, having re-enlisted. He was from Bethel township, this county.

Isaac Hoffer, Esq., has been appointed a Notary Public of Lebanon by Governor Curtin.

As we were not present in the Court House at the reception of the 93d, and as the editor of the *Courier* was, we took it for granted that he reported the proceedings correctly. We were mistaken however. His favorite National air —"*Old John Brown*" was not played by the Band as he stated, but what he thought was the glorification of that old traitor was a good McClellan song. The soldiers knew what it was, and no wonder it was received so enthusiastically.

The Provost Marshal has given notice that persons claiming exemption from the next draft on account of alienage non-residence, unsuitableness of age, or manifest permanent physical disability, can have their names stricken from the rolls by appearing at Pottsville, as follows:—Cold Spring, East Hanover, Union and Swatara on Monday, March 14; North Lebanon and Bethel townships and North Lebanon Borough, on Tuesday, March 15; Lebanon Borough, Jackson and Millcreek, Wednesday, March 16; Heidelberg, South Lebanon and Cornwall, Thursday, March 17: and South Annville, Londonderry and North Annville, Friday, March 18. No one need appear who has furnished a substitute, paid commutation or who has already been exempted for the causes specified above.

Rev. Dr. Johnson of Philadelphia, has accepted the Pastorship of St. John's Reformed Church in this place.

The "Washington House," immediately opposite the old Reading Depot was destroyed by fire on Wednesday morning of last week. Upon the return home of the firemen, a young man named, Josiah Reese, was killed by the tongue of the Fire Engine striking him in the abdomen, while rounding a corner.

A company with a capital of $250,000 is about erecting a rolling mill at Harrisburg. G. Dawson Coleman, Esq., of North Lebanon, is a member of the Company. We are sorry that the capital delved out of the soil of Lebanon county should be diverted to enhance the property of other places. The much talk of a rolling-mill at this place thus turns out as usual to be all talk.

Edi. The attention of Dealers in and Consumers of Indigo Blue, is invited to read adv. in this issue Indigo Blue, put up at Alfred Wiltberger's Drug Store, 233 N. Second St., Philadelphia, &c., &c.

FOR THROAT DISEASES and affections of the Chest, "*Brown's Bronchial Troches*," or Cough Lozenges, are of great value. In Coughs, Irritation of the Throat caused by Cold, or Unusual Exertion of the vocal organs, in speaking in public, or singing, they produce the most beneficial results.

Attention, Company!—Volunteers, who expect to retain their health unimpaired during the campaign, must see to it themselves, do not trust to the Army Surgeons, supply yourselves with HOLLOWAY'S PILLS AND OINTMENT. Every English Soldier's Knapsack contains them. Only 25 cents per box or pot. 212

Car building is a new business in Lebanon, and we are pleased to learn that it promises to be a successful one.—We noticed last week that a New House car was put on the road for D. T. Werner & Co., Avon, from our new establishment, which compares in beauty and construction with any on the road. John Meily, Esq., is the proprietor of the works.

The abuse and misrepresentation of an aged and upright man like Mr. Bucher by the *Courier*, is one of the bad characteristics introduced upon our people by this civil war. Mr. Bucher's course as Commissioner, and his resignation, were in conformity to what he religiously and conscientiously felt to be his duty. If the *Courier* had asked any one knowing Mr. B. it would have been told so, and the abuse which does not injure Mr. B., is also of no benefit to the *Courier*, politically or otherwise.—When he could not act with them he resigned, and there the matter should have been allowed to rest—and particularly in the case of Mr. Bucher, when all was accomplished that could have been desired.

Jonathan Bender, Esq., Sheriff of Lebanon County, died after a short illness, in this borough, on Monday morning last. Sheriff Bender was elected on the Union Ticket in 1861, and hence his term of office would have expired next fall. The Coroner, by law, acts as Sheriff in case of a vacancy by death or otherwise, until a new Sheriff is commissioned by the Governor. Peter L. Stouch, Esq, is the Coroner of this county, and according to the practice prevailing in this Commonwealth, would be entitled to the new Commission, but we learn that it has already been decided that Joseph Shantz, Esq., will receive the appointment, if he has it not already. The Deputy Sheriff, George Houck, Esq, who has been very prompt and efficient in the performance of his duties, is also, in this arrangement given the go-by in a very cavalierly manner.

The performances of Smith & Hayes' Troupe, in Funck's Hall, on Wednesday and Thursday evening of last week, were better than any of the kind ever before given in Lebanon. The McClellan song by Miss. Walton brought down the house every verse, and a slight attempt to hiss met with a deserved rebuke. McClellan is in the hearts of the soldiers and the people, and it cannot be ignored or smothered.

The Flour Market in Philadelphia is firmer but sales are limited. In Wheat there is no material change to notice. Corn is firm with less offering, at $1,12. Oats are steady at 86c. weight. The demand for Beef Cattle was good, and prices firm; Hogs and Sheep were also firmer.

Daniel Fegan, Esq., Ex-Sheriff of Lebanon county, died in Annville, on Monday, from Typhoid Fever. Mr. Fegan was sheriff from 1856 to 1858.

A New Winter Sport.—Among the sports on the ice at St. Louis, the Democrat of that city has the following:

Some enterprising genius had placed a live duck in a box, leaving about six inches of its head and neck out, and this box was placed in a hole cut in the ice, the upper portion, showing the ducks head, being exposed to view. He had a stick about two feet long, and charged ten cents for the privilege of throwing the stick at the duck's head—the lucky individual who struck and killed the duck, to have it as the reward of his skill. Many persons, struck with the novelty of this trick, and not doubting that they could knock the duck's head off in three throws, invested their money, and hundreds gathered around to witness the sport. Now the duck is one of the most artful dodgers extant, and he saved his life several hundred times by the quickness with which he drew in his head at the approach of the murderous stick.—The proprietor of this institution pocketed about thirty dollars in a few hours, and when we left the stick was still whirling and the duck was saving his neck with a certainty that gave promise of a long and eventful life.

Important Legal Decision.—A case was tried in the District Court of Philadelphia last week, which is of considerable interest to purchase of property, inasmuch as it involves the question, who is to pay the stamp cost attending the transfer. A party had purchased a property for a certain sum of money. The deed to be made out to the purchaser, of course requires an internal revenue stamp, amounting in the present case to $180. The purchaser paid the same, but afterwards brought suit against the party selling to recover it back, taking the ground that the seller of the property was bound to furnish a full deed of the title, and the affixing of the stamp was necessary to make the title full. Judge Sharswood, in delivering the opinion of the Court, took the ground that the custom everywhere is, for the purchaser of property to pay the expenses of the transfer, and in this case, the stamp duty was but an item of such expense, and accordingly gave judgement for the plaintiff. The decision may be considered as settling the much agitated and important question, so constantly coming up in almost all business relations as to whether the seller or the purchaser is to pay the stamp duty in transfer of property. The decision will, we presume, hold good also in personal as well as real property, and in all kinds of personal property.

Philip F. McCaully was last week awarded a contract for 250 pairs of handsewed Bootees, in Philadelphia, for the Government.

We are grieved to learn that the Rev. H. S. Miller of this place had the roofs taken off three of his tenant houses in Easton by the storm of last Sunday a week, entailing a loss of near $100.

Private D. S. Brandt, formerly of this place, a member of the 56th Regiment Illinois volunteers, wounded at the battle of Chattanooga in the arm, has since died from the wound. His wife and two children have returned to Lebanon.

The attention of Farmers and others is directed to the advertisement of Messrs. Stine and Ross for Straw, &c., in another column.

It is said that between 150 and 200 new recruits have already been enlisted by the 93d.

Tobacco Seed.—Fresh Tobacco Seed just received and for sale at Lemberger's Drug Store. 3

Mr. John Matthes, the present popular landlord of the Market Street Hotel, Lebanon, has leased Mrs. Rise's Hotel, of which he will take possession on the first of April next. Many improvements and alterations are to be made in the new place, so as to make it a first class Hotel, and with a landlord like John it will not lose its reputation which, for so many years, it possessed under its present but retiring proprietress. The house at present occupied by Mr. M., we understand, is to be converted to other purposes, so that the new stand will accommodate the customers of both houses and as many more as may find it convenient and pleasant to top there.

TAKE NOTICE.—The enrolling is going on, and it is expected that the Conscription ac will be enforced immediately, so I would advice every body to get their PICTURES taken in time for their relations and friends, and the only place to get a No. 1. Picture is at ZIMMERMAN'S New York Photographic Gallery, for he is taking the cheapest, the best, and most life-like Pictures in Lebanon. It is admitted by all that he can't be beat, for his gallery is always crowded. Give him a call and you will find as we recommend. Remember the place, Zimmerman's New York Photographic Gallery, in Cumberland St. Call early and avoid a crowd.

P. S.—Children and anybody that has got weak eyes should call at Zimmerman's Gallery. His Pictures only require from 3 to 5 seconds time to sit

Guns, Rifles, Pistols, Powder, Caps, &c.

ATTENTION SPORTSMEN.—J. G. AULENBACH would respectfully inform the public that he continues the business of manufacturing and dealing in

GUNS, RIFLES, PISTOLS, POWDER, Caps, Wads, and all kinds of gunning and gun material, at his Store, on Market street, a few doors North of the L. V. R. R., Lebanon, Pa.

All kinds of Repairing done at the shortest possible notice and in the best style of workmanship.
Lebanon, June 24, 1863.—1y

QUESTION.—Hollo! there Dick and Nancy, where are you going, that you are in such a hurry?

ANSWER.—Why we are just on our way to Daily's Photograph Gallery, to have our pictures taken. He takes splendid pictures, and his Gallery is negrly all the time crowded, so I said to Nancy we will go early this morning before any body else gets there, or we will have to come away again without getting any.

QUEST.—Yes! I have heard too that Daily's Gallery is nearly all the time crowded, and so why don't you go to some other Gallery?

ANS.—Oh my! we could not think of such a thing—We admire the true and beautiful picture that Daily takes, so much that we would not go to another Gallery if we could get them for nothing. He has seven years experience in the business, has a complete sett of improved instruments, an excellint sky-light, and there fore takes the best pictures in town, and so of course every body that wants a good picture goes to him.

QUEST.—What kind of Pictures does he take?

ANS.—He takes Photographs from miniature to life-size, plain or colored. His card pictures have been pronounced more truthful and life like than some that have been taken in our large cities. His Ambrotypes are beautiful, and can't be beat. He also excels in copying pictures from small Daguerreotypes, and enlarging them almost to any size.

QUEST.—Where is this Gallery? I must give him a call too.

ANS.—Just come along with Nancy and I, and we will show you. It is in Stine's New Building, next door to the Lebanon Deposit Bank. He has constantly on hand a good assortment of Gilt and Rosewood Frames, Cases, Albums, &c., which he sells cheap.—For good and cheap Pictures we advise all to go to Daily's Gallery, "Lebanon," Pa.
