**Western New York College of Health.**
DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing in fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy; all sorts of Gravel, and all the urinary organs; for disease distressing complaints it stands alone; no other article can relieve you; and the very first dose will convince the most sceptical.—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the Great West especially, and wherever there are marshes, this medicine is offered. No mineral agent, no deleterious compound is a part of this mixture; it cures these diseases, and certainly and effectually cures not less than the system tempt. (See pamphlet.) Piles, a complaint of a most painful character, is immediately relieved, and a cure follows by a few days' use of this article. It is far beyond any other preparation for this disease, or for any other complaint for which it is recommended. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or inflamation of the same, is immediately relieved by a few days' use, and a cure follows. It is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame, from whatever cause, depending upon peculiar situations. No article has ever been offered, except this, which would touch this kind of derangements. It may be taken upon as an unerring specific remedy. Let it be once tried, and we feel confident it will be used, could give a thousand names as proof of cures in this distressing class of complaints.—See pamphlet. All the above diseases, complaints and infirmities, arise from the effect of mercury, will find the strong power of this article to act immediately, and the poisonous mineral eradicated from the system.

*Eruptive Diseases* will find the alterative properties of this article PERHAPS THE MOST, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here; agents give them away; they contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if soon and muscle are left to build upon, let the emaciated and lingering invalid worn out, and keep taking the medicine as long as there is anything wrong. The proprietor feels caution the public against a number of articles which come out under the name of SARSAPARILLAS, Syrups, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and conceded to gull the unwary. TOUCH THEM NOT. Their inventors are the chief of curing such diseases, till this article had done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to circulate pamphlets. Price $1 per bottle, or $12; 12 doz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Dr. Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents accepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to grats.

Offices established exclusively to the sale of this article—132 Nassau st., N. Y.; 299 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as Agents.

THE Spring and Summer stock that is now ready to be offered at the old original

*THREE BIG DOORS,*

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortmentn of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade—Without any intention of boasting, on my part, I will say that the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and clear discernment.

**HARNDEN & CO.'S**
PASSENGER AND REMITTANCE
Office.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our passengers to say that they were detained forty-eight hours by us in Liverpool, while thousands of others were detained months and longer, they could be sent in some *old craft*, at a cheap rate, which, no frequently proved their coffins.

We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season, with other offices, who either performed not at all, or when it was convenient or pleased.

*Drafts* drawn at Pittsburgh for any sum from £1 to £1,000, payable at any of the Provincial Banks in Ireland, England, Scotland and Wales.
