New York, Jan. 1, 1851.

MR. STORRS.—Dear Sir: Mr. Smith, of Newton, L. I., obtained a bottle of your excellent Hair Invigorator for his little girl, about four years old, her head being entirely bald; no hair of any consequence having grown on her head from birth, and surprising as it may appear, after having used but one bottle, a complete head of hair was produced nearly two inches long of a fine healthy growth.

A. DOOLITTLE, M. O. No. 141, Grand St.

PHILADELPHIA, May 10, 1850.

MR. STORRS—Sir: After being bald for a number of years, and having used numerous preparations to no effect, your Chemical Hair Invigorator has produced a fine head of new hair, and I hardly know how to express my gratitude for the benefit I have received from your valuable article.

J. WADSWORTH, No. 10, Orchard st.

The following testimony is from Mr. McMakin editor of the "Saturday Courier:"

"STORRS' HAIR INVIGORATOR.—It gives us much pleasure, unsolicited, to record our testimony in favor of the great pleasantness and entire efficacy of Storrs' Chemical Hair Invigorator. On recovering from the recent severe attack of illness, we discovered that our usual healthy and abundant crop of hair was rapidly falling off, and chancing to have on hand a sample of the above article furnished by the manufacturer many months previously, we used but a single bottle, as directed, and found it to operate like a charm, in entirely checking the fall and creating a new and healthy action of the scalp."

We could give many other references to some of our most respectable citizens, but would ask all who are troubled with Dandruff, are bald, or are losing their hair, to give Storrs' Chemical Hair Invigorator a trial, and one trial will do more to convince you of our claims for it than all the testimony of others that we might produce.

CAUTION.—Ask for "Storr's Chemical Hair Invigorator," and never let dealers persuade you to use any other article as a substitute. Price 25 cents a bottle.
