A party was held last evening at the residence of P. A. Krodel, on Locust street, in honor of the sixth birthday of his son Charlie. About forty little folks spent the evening in an enjoyable way.

Lawn Party By St. Paul's M. E. Sunday School.

One of the most enjoyable entertainments ever given by St. Paul's Methodist Sunday school was held on the grounds of Mr. A. S. Urban, 444 South Queen street, on Tuesday evening. The school assembled at the church at seven o'clock, and marched in a long procession down the street, bringing out crowds to see the merry company. They were admitted by ticket which also called for ice cream, strawberries and cake. The beautiful and spacious lawn was crowded, while young men and ladies hurried back and forth to supply them with refreshments and to engage them in amusements. Later in the evening they gathered about a stand erected in the lower lawn and sang some choruses prepared for the occasion. Then Rev. J. P. T. Gray, of the Duke Street M. E. church, delivered an address on Sunday school work in his happiest vein. After another hour in general play the school was called to the front lawn where fireworks, rockets, Roman candles and red torches were exhibited, and where, led by the orchestra, they joined in the thrilling choruses which this school so well sings. The thanks of the school are due to Mr. and Mrs. Urban for their kindness. A visit to the place this morning shows that though five hundred children and young people played with utmost freedom on the grounds for several hours not a flower plant was destroyed nor any injury done. For the delightful entertainment all are indebted to the enthusiastic superintendent, Geo. W. Killian, and his corps of teachers.

Invited to Join in a Parade.

The meeting of Conestoga Council No. 8 O. U. A. M., on Monday night was largely attended. Four candidates were initiated in the mysteries of the third degree which was very well done; a number of propositions were also received. The council received an invitation from a joint committee of the four councils in Harrisburg to participate in a parade of the order in that city on July 4th.

The members will all be notified to meet next Monday to take final action on the invitation, as the council has practically decided to go. The expense to each member will be very small.

An invitation was also received from George Shiffler council Junior O. U. A. M. to participate in a short street parade on the evening of the 24 of July, this being the anniversary of this council. A grand time will be held at Eshleman's hall in the way of dancing and a fine supper. All members of the junior and senior order are invited.

A Riding and Driving Track.

There is a new kind of entertainment at present on a vacant lot on North Queen street, between New and Clay streets. It is a riding school which is under the management of A. E. Forepaugh. He has a large number of well broken ponies which ladies or children can ride or drive. Around the lot a first class track has been made and it will be ready for use for the first time this evening. No admission to the lot is charged but persons pay a small sum to use the ponies. Mr. Forepaugh also has a number of bucking broncbos, which make lots of fun for those who attempt to ride them. On a part of the track a large tent has been erected and spectators can sit in the shade.

Sprained His Ankle.

Abraham B. Deitrich, who resides on North Queen street above Walnut, and is employed as a passenger brakeman on the Pennsylvania railroad, met with an accident last night. In stepping from his train at Bryn Mawr he twisted his leg, spraining it so badly that he will be unable to walk upon it for some time to come. Dr. George R. Welchans attended him.

None whatever, unless you want to save some money. Did it ever occur to you that you spend more money for Groceries yearly than for any other necessary household expenses. Therefore, the item of buying at CASH Prices or Credit Profits is of considerable importance to you. The difference between Cash and Credit Prices is about 25 per cent., or, in other words, on every dollar's worth of Groceries purchased for Cash, you save about 25 cents. Of course, there are some articles, such as Sugars, that are sold nearly as cheap on credit as can be sold for cash, because they are always sold at about cost, but on an ordinary bill of groceries it is strictly correct that cash saves about 25 cents on the dollar. Parlor Matches, Large Boxes, 15c a dozen, and the Ordinary Match, 5c a dozen, are considered cheap. Another lot of that Superior Old Cider Vinegar just received, at 15c a gallon; 4c a quart. It can't be beat in quality. Ginger Snaps, a fine article, 8c a pound, and Cream Soda Biscuits 8c, in pound packages. Brooms are very Cheap at present. We have them at 10, 12, 15, 18, 20 and 25 cents. Ammonia, in Pint Bottles, at 12 and 15 cents. Just what is wanted for cleaning and disinfecting purposes. Open every evening.
