Removal & Change.

Immense & Attractive Stock.

MORRIS L. HALLOWELL & Co., Philadelphia having removed into their splendid new warehouse, entrance No. 147 Market, and No. 21 North Front street, are opening for their Spring trade an assortment of

Silk & Fancy Goods,

that for extent and variety will surpass any stock ever offered in that market. Entering into their new store, which is one of the largest in America, with a business of an unusual amount already established, and intending largely to increase it, especially with those who buy FOR CASH, and believing that the fairest system in jobbing goods is to have uniform prices, they will be compelled to sell at a much smaller profit than can possibly be afforded where long credits are given.

Under their Cash and Short Credit system the necessity for charging large profits does not exist, and by selling their goods at a very small advance on foreign cost. They mean to make it the interest of every judge of goods, to buy on the following TERMS:

Cash Buyers will receive a discount of SIX per cent, if the money be paid in par funds, within ten days from date of bill.

Uncurrent money will also be taken as its market value on the day it is received.

To merchants of undoubted standing a credit of SIX months will be given if desired.

Where money is remitted in advance of maturity a discount the rate of 12 per cent. per annum will be allowed.

They ask from merchants visiting the Eastern cities, the favor of an examination of their stock, being satisfied that they will be convinced that it is not for their interest to pay the large profits that are absolutely essential to those who give long credits.
