The Great Distribution Postponed!

THE Cosmopolitan Art Association announce a brief postponement of the Distribution, from the 30th of January to the 28th of February, *at which time it will positively take place.*

The managers find it necessary to make the above change, owing to the delay in completing the building of the Galleries, and the reception of Works of Art; which necessarily deferred the publication of the Illustrated Catalogue until late in December, thereby preventing the gene*ral circulation desired among the distant Secre*taries and friends of the Association.

To all those who have not subscribed the last opportunity is now presented. Any one subscribing previous to the 28th of February, are entitled to the Magazines for 1855. The payment of $3 entitles any person to either one of *the following Magazines for the year 1855:*

Harper's, Putnam's, Knickerbocker, Blackwood's, Graham's, Magazine of Art, and Godey's Lady's Book, and the Quarterly Reviews re-printed in New York, Edinburgh, Westminster, London Quarterly and North British. Also a ticket in the distribution, giving the holders an equal chance in drawing the $5,000 statue of the Greek Slave, or Venus, Bacchante, Hebe, Flora, with bronze Statuettes and several hundred magnificent Oil Paintings. For full particulars see Illustrated Catalogues, which are sent free, on *application* to all parts of the country. Address
