Clothing! Clothing!! Clothing!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very lowest prices which they will be sold for, must certainly render the old unrivaled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Doors.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making of the most astonishing cures, and is become the only medicine for family use, and is particularly recommended for Dropsy: all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs, for these distressing complaints it stands alone; no other article can relieve you; and the cures testified to will convince the most skeptical—for by physicians, Inner Dropsies, Bilious Diseases, Fever and Ague. To the Great West especially, and wherever these complaints prevail, this remedy is offered. No mineral nor poisonous compound is a part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Fistula, or Piles, one of the most painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood. (See pamphlet.) Debility in all its forms, Nervous Affections, Weakness of the Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is always effected. It is strictly a vegetable tonic remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. The Lithontriptic Mixture is a powerful diuretic, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand cases as proof of cures in this distressing class of complaints—Ulcerations, Gleets, and broken down, debilitated constitutions, from the effect of mercury, will find in this remedy power of this article to act immediately, and the poisonous mineral be expelled from the system.

Eruptive Diseases will find the alterative properties of this article purifying the blood, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here; Agents give them away; they counteract 20 times the amount of inferior high priced and stronger array of proof of the virtues of a medicine, never offered before. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid rejoice, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary: TOUCH THEM NOT. Their forms are nevertheless brought of during the seasons of this article and done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 50 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has a "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the signatures of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*orders from regularly authorized Agents except.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article—132 Nassau st., N. Y.; 285 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as Agents.

PASSENGER AND REMITTANCE Office.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our passengers to show that they were detained forty-eight hours by us in Liverpool, while thousands of others were detained months until they could be sent in some *old craft*, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.
