Mill Property at Private Sale.

THE Flouring Mill, known as the Bloomery Property, is for sale. It is a very desirable and very convenient property. The Mill has two sets of wheat burrs, and one set of Chopping and Plastering stones. The water power is the best in the county off the river, never failing, and it never freezes. During the past dry season there has been plenty of water, and the Mill has been doing its usual amount of work. It has all the advantages of the navigation of the Shenandoah river, but is not subject to any of the freshets. The Mill is situated in one of the finest agricultural portions of Jefferson co., Va. It is capable of grinding thirty thousand bushels of wheat, which amount can be purchased within two miles of the site.

There is attached to the mill 12½ Acres of the first quality of Limestone Land, being almost entirely bottom, on which is erected a commodious and comfortable Dwelling, Stable, Meat-house, and all other necessary Out-buildings. In fact the property is one of the most desirable and profitable in the Valley of Virginia.

Terms made to suit the purchaser. Any communication addressed to me at Charlestown, Jefferson county, Va., will receive prompt attention. Persons desirous of viewing the premises will please call on the undersigned.
