Cod's patent graduated galvanic Battery AND PATENT INSULATED POLES.

FOR MEDICAL AND OTHER PURPOSES.—This is the only instrument of the kind that has ever been presented to the public, and is the only one ever known to man, by which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or any part of the body, either externally or internally, in a definite, gentle stream, without shocks or pain—with perfect safety—and often with the happiest effects.

This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. Reference will also be given to many highly respectable citizens, who have been cured, by means of this most valuable apparatus, of some of the most inveterate nervous disorders, which could not be removed by any other known means.

Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other disorders of the brain. It is with this apparatus alone that the operator can convey the galvanic fluid with ease and safety to the eye, to restore sight, or cure amaurosis; to the ear to restore hearing; to the tongue or other organs, to restore speech; and to the various parts of the body, for the cure of chronic rheumatism, asthma, neuralgia, or tic doloureaux; paralysis, or palsy, gout, chorea or St. Vitus' dance, epilepsy, weakness from sprains, some diseases peculiar to females, contraction of the limbs, lock-jaw, etc., etc.

Rights for surrounding counties of Western Pa., and privileges, with the instrument, may be purchased, and also tested for the cure of diseases.

Full instructions will be given for the various chemicals to be used for various diseases, and the best manner of operating for the cure of these diseases, will also be fully explained to the purchaser, and a pamphlet published on this hands expressly for these purposes, carefully prepared by the patentee. READ THIS LETTER.—Who will be without a beautiful head of hair, when they can have it for one or three shillings! Twenty years' loss of hair and wonderful restoration!

"BALTIMORE, July 17, 1847.

"Dear Sir—The wonderful effects of Jonas' Coral Hair Restorative, has been decisively demonstrated in the cases of several respectable citizens of the town, who, on account of your selling three shilling trial bottles, try it without fear. One instance, which has attracted particular attention, is the case of a gentleman who had little or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and wore a wig. At my recommendation, he tried your restorative, and after using it, according to the direction, for a short time, the young hair started out, and he has now as fine a head of hair as any person in Baltimore.

"Yours, &c. JOHN KILVINGTON."

It causes a new growth to grow, prevents hair from turning grey, and the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.

Sold with full directions at 92 Chatham st. N.Y., and by Wm. Jackson, Agent, 69 Liberty st. Pittsburgh. (sep20

BATES, *Wholesale and Retail Dealer in Boots, Shoes and Trunks, Store corner of Market and Smithfield streets, Pittsburgh.*—The subscriber respectfully announces to his old customers and the public generally, that he has removed his Boot, Shoe and Trunk Store to the large room he has lately erected at the corner of Fifth and Smithfield streets, opposite the old Pittsburgh Foundry, where he will keep on hand a large assortment of BOOTS, SHOES, HATS and LEATHER TRUNKS, VALICES, CARPET BAGS, &c., of all manufactures and kinds, which he will sell for cash as cheap as can be bought in this city.
