MINE-OWNING COP RESIGNS BY MAIL

Raymond Brannan Won't Quit His Arizona Bonanza, but Retires by Letter

Two years of planning to make his fortune and three months of actual work have put Policeman Raymond Brannan, of the Park and Lehigh avenues station, on a fair road to wealth by way of mining interests he acquired in Arizona. Brannan, who is 32 years old, has been out of Philadelphia since February 3, when he left on a 60 days' leave of absence. Until today, when the letter announcing his success and tendering his resignation reached Lieutenant Hearn at the police station, Brannan had maintained a stony silence.

But in the three months he was away Brannan succeeded in acquiring, according to his letter, "a third interest in nine claims which are being mined for lead, silver and zinc." The claims are near Kingman, Ariz., and within 25 miles of the gold fields near Oatman, Ariz. Ore in paying quantities is being taken out of most of the nine claims, Brannan says.

Brannan announces definitely he is not contemplating matrimony. "I came out here to make money," he says, "and I'm making it. Don't think I'm going to get married, for I'm not."

Brannan, who was well liked at the Park and Lehigh station, sometimes told his friends the plans he had in mind for making a fortune. He saved his money, and, his friends gathered, invested in some mining properties before he left Philadelphia. Brannan gained his knowledge of Arizona when he was stationed at various posts in the State while he was in the United States Army. He enlisted in the army after service in the Spanish-American war. Brannan joined the police force eight years ago.
