Clothing! Clothing!! Clothing!!!

The Third Big Door to The Western Hotel:

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I cast afloat to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

DR. G. C VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy: all stages of this complaint immediately relieve, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these disorders complaints it stands alone; no other article can relieve you; and the cures testified to will convince the most skeptical:—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague, are the diseases West especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, nodeleterious compound is a part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system torpid, (see pamphlet.) Piles, a complaint of a most painful character, is immediately relieved and cured by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood, or from debility. Debility of the System, Weak Back, Weakness of the Limbs, Want of Appetite, and Loss of Flesh, is immediately relieved by a few days use of this medicine, and it is worth always the result of its use. It stands as a certain remedy for Gonorrhea and Gleet, and for diseases of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would cure this kind of derangement. It may be relied upon as a sure and effective remedy; and, did we not wish to do so, could give a thousand names as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, suffering from the effect of mercury, will find the bracing power of this article to act powerfully, and the poisonous mineral eradicated from the system.

Eruptions, Pimples, and all internal cutaneous properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all these complaints; the insertion of an advertisement will not permit to be named here; Agents give them away; we have given 22 pages of certificates of high character; and a stronger array of testimony than any other medicine ever appeared. It is one of the peculiar features of this medicine, never fails to benefit in any case, and if bone and muscle are in a healthy state, in the worst cases of long lingering invalid nor XX, and keep taking the medicine and a marked improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy. They are good for nothing. Their inventors never thought of curing such diseases; still they are worth money to the unwary: YOU PAYS YOUR MONEY, YOU TAKES YOUR CHOICE.

A particular study of the pamphlets is earnestly solicited. Agents, and all who sell the articles, are requested to circulate gratuitously. Put up in 30 oz. bottles, at $2; 12 oz. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not be imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*orders from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratus.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, attention to the wants of emigrants. We do not allow our passengers to be swindled by unprincipled runners that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them to their destination in the first ships. We say this fearlessly, as we defy any of our passengers to show that they ever detained forty-eight hours by us in Liverpool, whilst thousands of others were detained months until they could be sent in some *old* craft, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, our *what it says*, and not as others act as we see from the number of our offices, who either performed not at all, or when it suited their convenience.
