Beautiful White Teeth,

Healthy Gums, and a Sweet Breath,

ALL who are desirous of obtaining these benefits should use ZERMAN'S CELEBRATED TOOTHWASH.

This delicious article combines so many meritorious qualities, that it has now become a standard favorite with the citizens of New York, Philadelphia and Baltimore. Dentists prescribe it in their practice most successfully, and from every source the most flattering laudations are awarded it. Inflamed and bleeding gums are immediately benefitted by its use; its action upon them is mild and soothing and effective.—It cleanses the teeth so thoroughly that they are made to rival pearl in whiteness, and diffuses through the mouth such a delightful freshness that the breath is rendered exquisitely sweet.—It disinfects all those impurities which tend to produce decay; and as a consequence, when these are removed the teeth must always remain sound.

Prepared only by Francis Zerman, Druggist, 9th and Catharine streets, Philadelphia, and sold by all Druggists at only 25 cents per bottle.

Dalley's Magical Pain Extractor.

IN all diseases inflammation more or less predominates—now to allay inflammation strike at the root of disease—hence an immediate cure.

Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make a certain cure.

Dalley's Magical Pain Extractor will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, manufacturer.
