It is made in panels of various lengths, 2½ to 4 feet high, with wrought iron posts ¾ inch square, at intervening distances of 9 to 10 feet. If desired, the panels can be made of any height, in continuous spans of 50 to 60 feet, with or without posts. No extra charge for posts.

Colver's Patent Concave Beater Churn!
BUTTER IN FIVE MINUTES!!
WE call the attention of the public to the article heading this advertisement, and invite the enterprising and curious to call and witness its operation. All advertisements in relation to this invention, to the hundreds who have seen it tested, is superogation.

1st. This Churn will produce Butter, gathering it in a mass, from sweet milk, in five to ten minutes; from cream prepared, as families usually prepare it, in three to five minutes!!

2d. The utility of this invention is apparent, as better Butter can be produced from sweet milk, or cream, than cream soured in the usual way; and by means of this Churn, a little girl or boy can perform, in five or ten minutes, what has heretofore required the labor of a woman or man for one or two hours, and sometimes half a day.

3d. By simply turning a thumb screw, the wholesinside dasher is taken out, leaving nothing but the Butter and milk in the plain wooden box.

4th. It is the cheapest Churn ever invented, as the simplicity of its construction (though embodying a great philosophical principle) makes it but little to manufacture it.

5th It is a common-sense Churn, as all will admit who will examine it.

We invite the public to call and witness its operation at our office in the Diamond, near the Black Bear Tavern, and at J. P. Beckham's, Federal st., Allegheny.

Dailey's Magical Pain Extractor.
TO THE PUBLIC.—*This is to certify that I have found Dailey's Magical Pain Extractor* to prove a cure for the Chronic Rheumatism, which I have been afflicted with for ten years, in my hip joints.

ABRAHAM R. VREELAND.
Aquackanock, N. Y., April 8, 1848.

MR. H. DAILEY—*Sir:* I have been troubled with the Piles for eight months, and could get no relief, your Magical Pain Extractor having been recommended to me, I applied it but twice, obtained immediate relief, and in a short time was perfectly cured! Could I not do my business if I had not take a hundred dollars for the balance of my box.

97 North Moore street, New York, June 19, 1847.

☞ CAUTION—*Dailey only Depot in the city of New York, and where the genuine article can be obtained*, Wholesale and retail, is at 416 Broadway.

☞ The Proprietor will give the inventor of this truly invaluable compound, and he *never has, and never will* communicate the secret of its preparation to any man living; and, therefore, no other person can ever be made, or ever can make, a grain of it himself.

Counterfeits abound! Every truly valuable article is subject to be depredated upon by counterfeiters and impostors; and nothing, that we know of, has more extensively experienced that fact than Dailey's Magical Pain Extractor!

A Test—The genuine *Dailey*, in cases of the severest Burns, Scalds, Bruises, Files, &c., will almost *instant relief*, and produce a stone a cooling and soothing effect—relieving pain in a few minutes! but be sure, always, to apply it on cotton or linen cloth.

And now mark the *difference!*—Counterfeit Extractors, no matter under what name they may appear, or how applied, *always irritate and increase pain!*

Pamphlets, containing certificates of cures, may be had gratis, on application to JOHN D. MORGAN,

The Grand Purgative.
DR. CLICKNER'S *SUGAR COATED VEGETABLE EXTRACT PILLS*, whose celebrated Pills have obtained an enviable notoriety in the United States for curing Sick Headache, Dyspepsia, Sour Stomach, Heartburn, Liver Complaint, Scurvy, Sore Throat, Inward Piles, Costiveness, Coughs, Heart, Indigestion, and a variety of other diseases to which flesh is heir to, as a medicine for the million. In all seasons of the year, spring, summer, autumn, and winter—and under all circumstances, they can be taken with perfect safety and without the fear of a refusal, or a refusal to give them, they are unrivalled as a family and general medicine for children. Being coated with pure white sugar, children will easily take them; they neither give pain nor griping, but are gentle, but thorough in their operation. For adults, by increasing the dose, no effect is more decided. "As an *Anti-Bilious Pill* they will be found without a rival." Ask any one, among the thousands who use them, and an unqualified approval will be the certain response.

Remember Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the kind was heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no others, or they will be liable to be imposed on by a fraud.

☞ Price, 25 cents per box.
