CONSTRUCTION, LOCATION
APPEARANCE

all are quite perfect. They will appeal to you instantly and irresistibly as the house you have been searching for and didn't think could be found.

The price is $4350—but please do not regard this in any way as indicating their value—you could not duplicate them today for less than $4800, and we only expect to sell a very few at this low price.

They can be purchased on easier terms than have ever before been offered for a Logan home—$200 or $300 in cash, the balance to suit your purse.

A sample house will be open day and evening. Remember, these homes are perfect little gems and will only be on the market at such a price and on such terms for a mighty short time—but to get an idea of their beauty, attractiveness and IRRESISTIBLE APPEAL you MUST see them. So come out at once and see for yourself.
