HOUSEKEEPERS—troubled with vermin, need be so no longer, if they use "COSTAR'S" Exterminators. We have used it to our satisfaction, and if a box cost $5, we would have it. We had tried poisons, but they effected nothing; but COSTAR'S article knocks the breath out of Rats, Mice and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—*Medina (O.,) Gazett.*

BARGAINS! BARGAINS!

WE are now selling our stock of Fine Dress Goods, Cloaks, Shawls, Furs, and many kinds of winter goods, AT REDUCED PRICES. Persons wanting any of the above kinds of goods will find our stock very complete for the present season. We have been receiving very large additions of staple domestic goods, which we are selling at the lowest market prices. Since Wool has advanced from 35 to 65 and Cotton from 10 to 40 cents, domestic woolen and cotton goods are steadily advancing in the Eastern Cities.

Now is the time to make purchases!

Persons having accounts with us are notified that since Jan 1, 1862, their accounts must be settled up every six months, otherwise interest after the expiration of that time will be charged. We are compelled to adopt this mode of conducting our business as merchants in the cities have reduced business to a cash system.

All persons indebted to the old firm of Leidich & Sawyer, are notified that we are determined to settle up our old books, either by payment or note, otherwise we will have our accounts with the proper officer for collection. It is impossible for us to conduct our business to the advantage of our customers whilst we have so much money laying dead on our books.

THE INQUIRER was the first northern paper to give the account of the Hatteras and Port Royal victories, and was twelve hours in advance of any paper in the country, in its publication of the details of the Bull Run Battle.
