The Publishers of THE AGE could easily fill their columns with the unsought and most liberal commendations of the press throughout the country; but they prefer that it should stand altogether upon its claim to public confidence, well known and established. They believe it has acquired this reputation by the candor, fearlessness and independence with which it has been conducted, through times of extraordinary confusion of ideas on public subjects, and latterly of almost unexampled public trial. It is now, and will be, as heretofore, the supporter of truly national principles, opposed alike to radicalism and fanaticism in every form, and devoted to the maintenance of good government, law and order.

The Publishers of THE AGE conceive that it thus renders peculiar services and has peculiar claims upon all men by whom its principles are valued, and who, by the proper means, look to promote and secure the Constitutional restoration of the Union. These can best show their sense of the untiring efforts of the publishers, in behalf of this great and unparalleled cause, by earnestly sustaining this paper in all its business relations.

THE GREAT

American Tea Company,

51 VESEY STREET, NEW YORK,

Since its organization, has created a new era in the history of

Selling TEAS in this Country.

ALL our Teas are selected by a Professional Tea-taster, expressly and exclusively for us, and we never charge over Two Cents (02 Cents) per pound above cost for original packages.

We have but One Price to every one for each quality, and that price is always marked on each sample package at our store in plain figures.

We issue a Monthly Price List of our Teas, which will be sent free to all who order it—we advise every Tea Seller to see it. It comprises a full assortment selected for every locality in the States, Provinces, South America and the West Indies.—In this list each kind is divided into Four Classes or Qualities, namely: Cargo, High Cargo, Fine, Finest, that every one may understand from description and the prices annexed that the Company are determined to undersell the whole tea trade.

We guarantee to sell all our Teas in original packages at not over Two Cents per pound above cost, believing this to be attractive to the many who have heretofore been paying Enormous Profits.

Our business is largely done on orders, which we always execute as well and promptly as though the buyer came himself, giving true weights and tares, and always guaranteeing everything; our responsibility enabling us to do all we promise. Every dealer can order his Teas direct from the Company, and parties doing business within Five Hundred (500) miles of New York, can return Tea bought of us if they are not cheaper than they can buy elsewhere, and the purchaser is dissatisfied with his bargain, within fourteen days (14), and have the money refunded to them. Those who are over Five Hundred miles can have thirty days (30), and the same privileges extended to them.

Besides the advantages the Company will pay all Expenses, both ways, if the Teas are returned.
