The well known Dr. WARREN, of Boston, says of these Pills, "They have the finest effect upon the Liver and digestive organs of any medicine in the world, and are the most purgative which has ever yet been made by any body. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of every body, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children, and being vegetable are free from any risk or harm. The most remarkable feature of these pills is the perfection with which they act in extremely dissimilar chronic diseases.

THE SAME DOSES CURE Diarrhœa or Dyspepsia, in either case restoring the organs to a healthy and natural condition, which cannot be said of any other medicine in existence."

They create pure blood and remove all impurities from the system, hence are a positive cure for

Fevers, Headache, Piles,

MERCURIAL DISEASES,

AND

HEREDITARY HUMORS.

THE PHŒNIX PECTORAL

Will Cure Your Cough.

THE PHŒNIX PECTORAL;

OR,

COMPOUND SYRUP OF WILD CHERRY AND SENEKA SNAKE ROOT,

WILL CURE THE DISEASES OF THE

THROAT AND LUNGS,

Such as Colds, Coughs, Croup, Asthma, Bronchitis, Catarrh, Sore Throat, Hoarseness, Whooping Cough, &c.

Its timely use will prevent

PULMONARY CONSUMPTION,

And even where this fearful disease has taken hold it will afford greater relief than any other medicine.

Miss Kate Vanderslice, of Pottsville, says: "I was benefitted more by using the Phœnix Pectoral than any other medicine I ever used."

Elias Oberholtzer, of Lionville, Chester county, was cured of a cough of many years' standing by using the Phœnix Pectoral.

Joseph Lukens, of Hall street, Phœnixville, certifies that he was cured of a cough of two years standing, when all other medicines had failed, by the use of the Phœnix Pectoral.

Jacob Powers certifies that he has sold hundreds of bottles of the Phœnix Pectoral, and that all who used it bear testimony of its wonderful effects in curing cough.

John Royer, editor of the *Independent Phœnix*, having used it, has no hesitation in pronouncing it a complete remedy for cough, hoarseness and irritation in the throat.

The West Chester *Jeffersonian* says: "We have known Dr. Oberholtzer personally a number of years, and it gives us the greatest pleasure to recommend his medicines, inasmuch as the public rarely have the benefit of family medicines prepared by a physician of his acquirements and experience. Dr. Oberholtzer is a member of the Alumni of the Medical Department of the University of Pennsylvania, at which institution he graduated in 1854."

The Reading *Gazette* says: "This cough remedy is made by Dr. L. Oberholtzer, of Phœnixville, Pa., and it has acquired an unsurpassed reputation in curing coughs. It is carefully and skillfully prepared from Wild Cherry Bark and Seneka Snake Root."

Dr. Geo. B. Wood, Professor of the Practice of Medicine in the University of Pennsylvania, Physician to the Pennsylvania Hospital, and one of the authors of the United States Dispensatory, says of Seneka Snake Root: "Its action is specially directed to the lungs."

The proprietor of this medicine has so much confidence in its curative powers from the testimony of hundreds who have used it, that the money will be *paid back* to any purchaser who is not satisfied with its effects

It is so pleasant to take that children cry for it
