PER UN ACCORDO TRA ITALIA E JUGO-SLAVI

Le Aspirazioni Italiane Triionferanno Sulle Stolte Pretese dei Croati

Published and Distributed Under PERMIT NO. 341
Authorized by the act of October 6, 1917, on file at the Postoffice of Philadelphia, Pa.
By order of the President,
A. S. BURLESON
Postmaster General.

Parigi, 7 febbraio.—Come risultato dei diretti scambi pra il Presidente del Consiglio del Ministro d'Italia On. Orlando ed il Primo Ministro Protich della Jugo-Slavia, e' stato oggi dichiarato che le divergenze tra le due nazioni, riguardo i confini dei rispettivi territori, che rappresentavano un acuto problema, saranno presto ed amichevolmente aggiustate.

I rappresentanti delle due nazioni, l'onorevole Orlando per l'Italia e Mr. Trumbitch, ministro per gli affari esteri jugo-slavo, hanno avuto ieri una conferenza con il Presidente Wilson, il quale ha fatto ogni sforzo come mediatore tra le due nazioni allo scopo di aiutarli a raggiungere un accordo e sistemare il conflitto sulle aspirazioni riguardanti l'Albania, Fiume, l'Istria e la Dalmazia.

Mr. Robert Lansing, segretario di Stato per l'America, in un comunicato, oggi emesso, dichiara che gli Stati Uniti sono favorevoli alla unione dei popoli serbi, croati e sloveni. Il comunicato dice:

"Nel 29 maggio 1918 il governo degli Stati Uniti espresse la sua simpatia per le aspirazioni nazionalistiche della razze jubo-slave e nel 29 giugno dichiaro' che tutti i rami della razza slava dovevano essere liberi dal governo germanico ed austrinco. Dopo aver conseguito la loro liberta' dalla oppressione straniera, i jugo-slavi, gia' sotto il giogo austro-ungarico, in varie occasione espressero il desiderio di unirsi al regno serbo. Il governo serbo, da sua parte, ha pubblicamente ed ufficialmente accettato l'unione dei popoli serbi, croati e sloveni.

"Il governo degli Stati Uniti, percio', e' favorevole alla unione anzidetta, mentre riconosce che il finale assestamento dei confini territoriali occorre sia lasciato alla conferenza per la Pace che giudichera' secondo i desideri dei popoli interessati."

Il Re Nicola del Montenegro, in un proclama al suo popolo, accusa la presente amministrazione serba di cospirazione per abbattere le legittime aspirazioni del Montenegro a divenire un membro della Federazione Jugo-Slava.

Simultaneamente alla emissione del proclama, il Dott. Peter Chotch, funzionante da ministro per gli affari esteri del Montenegro, ha mandato un appello alla conferenza della pace dichiarando che il Montenegro e' assediato dalla Serbia e che i suoi vitali interessi sono ignorati dalla Conferenza della Pace.

Il Dott. Chotch domando di essere informato per quanto tempo ancora il Montenegro dovra' soffrire. Egli dice che dai primi giorni della guerra il Montenegro e' stato trattato come fuori da qualsiasi legge e che ora e' lasciato in balia delle mire imperialistiche e dinastiche ambizioni della Serbia. Egli insiste che i diritti del Montenegro devono essere salvaguardati alla Conferenza della Pace e chiede, percio', di avere il suo posto alla detta conferenza.

Il proclama del Re Nicola dice che egli e' rimasto fortemente deluso in parecchi riguardi nella sua fede negli Alleati. Il proclama accusa la Serbia di odio verso il Montenegro ed i suoi rappresentanti ufficiali. Il Re dice che la Serbia ha dimenticato i sacrifici fatti dal Montenegro nei primi anni della guerra, quando accorse in difesa della liberta' serba.

Roma, 7.—La stampa Italiana, occupandosi dell campagna serbo-croata fatta a Parigi, a Londra, a Washington ed in altri centri europei, campagna che tende a mettere in cattiva luce l'Italia ed a diminuir il grande contributo dato dall'Italia per la vittoria comune, commenta amaramente la rapidita con la quale il popolo serbo ha dimenticato o finge di aver dimenticato i grandissimi e numerosi aiuti che la Serbia ha avuto dall'Italia.

Questi serbi che, a decine e decine di migliaia, giunsero nei porti italiani affmati pieni di pidocchi, affetti di colera e di tifo, rivestiti di stracci e coverti di fango, non hanno indregiato, dopo la vittoria comune, a schierarsi contro l'Italia, cercando di screditaria presso la pubblica opinione mondiale, inventando le piu vili calunnie e schierandosi con i paggiori e piu, sleali nemici ed avversari dell'Italia stessa.

EDUCATIONAL

Both Sexes

Stenographers and Typists

in demand. Competent stenographers—men and women—are always wanted. The expert is in greater demand today than ever before in the history of business. The United States Government needs them, business needs them, and salaries are larger and promotion quicker than ever before. Our Civil Service Course will prepare you quickly.
