DR. SCHENCK'S MANDRAKE PILLS—*Substitute for Calomel.*—These Pills are composed of various roots, having the power to relax the secretions of the liver as promptly and effectually as blue pill or mercury, and without producing any of those disagreeable or dangerous effects which often follow the use of the latter.

In all bilious disorders these Pills may be used with confidence, as they promote the discharge of vitiated bile, and remove those obstructions from the liver and biliary ducts, which are the cause of bilious affections in general.

Schenck's Mandrake Pills cure Sick Headache and all disorders of the Liver, indicated by sallow skin, coated tongue, costiveness, drowsiness, and a general feeling of weariness and lassitude, showing that the liver is in a torpid or obstructed condition.

In short, these Pills may be used with advantage in all cases when a purgative or alterative medicine is required.

Please ask for "Dr. Schenk's Mandrake Pills," and observe that the two likenesses of the Doctor are on the Government stamp—one when in the last stage of Consumption, and the other in present health.

Philadelphia Markets.

PHILADELPHIA, Jan. 16, 1867.

FLOUR.—The market presents no new feature; holders are very firm in their demands, but there is no inquiry except for the supply of the home consumers, who have taken a few hundred barrels at $12@13 50 per barrel for common and fancy Northwest extra family, at $12 50@14 50 for Penna. and Ohio do. do., $15@17 for fancy, $8@10 50 for extras, and $8 25@8 75 for superfine. No change in Rye Flour or Corn Meal.

GRAIN.—The Wheat market is extremely quiet, and in the absence of sales we quote red at $2 70@3 20 per bushel, and white at $3 20@3 40. Rye is selling in lots at $1 35@1 40. Corn is in fair request, with sales of new yellow at $1@1 03 in the cars and afloat, and old at $1 17@1 18. Oats are selling at 59@61c. 1000 bushels Barley brought $1 40. The receipts to-day are as follows: 1650 bbls. flour, 2070 bush. wheat, 5500 bush. corn, 6070 bush. oats.

SEEDS continue dull; small sales are making at $3 50@3 75 for Clover; $3 25@3 75 for Timothy, and $2 35@3 per bushel for Flaxseed.

WHISKY.—Prices are nominal, and there is nothing doing except in the contraband article.

CASH ASSETS $15,000,000.

This is strictly and entirely a Mutual Company. It makes its dividends annually and pays them at the end of each and every year. Its assets are not diluted, nor its strength weakened by any doubtful premium notes or stockholders' notes.—Doubtful securities find no place in its list of cash assets. It charges its policy holders no interest, and furnishes insurance at exact cost.

Twenty-four years of straight forward, honorable dealing, has made its name the synonym of strength among business men, and is to-day the

LEADING LIFE INSURANCE COMPANY

of this continent. Possessing the largest assets, the largest amount insured, the largest income and the largest surplus over liabilities, as shown by the official reports of the Insurance Department of New York, and which will be shown to any persons wishing to determine for themselves the true condition and standing of different companies by applying to the agent.

Medical.

AGUA DE MAGNOLIA.

A toilet delight. Superior to any cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflamation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1.00 in large bottles, and by DEMAS BARNES & CO., New York, Wholesale Agents.

SARATOGA SPRING WATER, sold by all Druggists.

S. T.—1860—X.

Persons of sedentary habits troubled with weakness, inaktide, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.

They create a healthy appetite.

They are an antidote to change of water and diet.

They strengthen the system and enliven the mind.

They prevent miasmatic and intermittent fevers.

They purify the breath and acidity of the stomach.

They cure Dyspepsia and Constipation.

They cure Liver Complaint and Nervous Headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, winter-green, manfrin, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us.—Sold by all Druggists Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.
