Senatorial Delegate—Hon Jeremiah S. Black, of York.

Representative Delegates—Hon Adam J. Glossbrenner, of York, and Col. Sam'l N. Bailey, of Dillsburg.

To represent the county, in a mass convention, to be called by the Chairman of the State Central Committee:

Senatorial Delegate—John F. Spangler, Esq., of York.

Representative Delegates—L. M. Blackford, Esq., of York; Dr. Geo. R. Hursh, of Fairfield; Moses Leib, Esq., of Hopewell, and Hon. David Newcomer, of Hanover.

Resolutions were passed instructing the delegates to use all honorable means to secure the nomination of Hon. Rob't J. Fisher as the candidate of the party for Judge of the Supreme Court.

YORK COUNTY ITEMS.—Condensed from the "True Democrat:"

On Sunday last, a serious altercation took place in Hanover, in which a German woman was severely stabbed in the breast.

On Tuesday, the 2d inst., a little girl in York, aged ten years, by the name of Leader, was so badly burned as to occasion her death within twenty-four hours after the accident. The little girl, who had been left at home, in charge of some younger children, was attempting to throw some walnut shells from her apron into the stove, when her clothes caught fire and were almost entirely consumed before assistance was procured. She lingered until the next day, when death relieved her of her sufferings. The widowed mother of the little girl does days' work and is compelled to leave her children at home.

JUST THE WEATHER FOR YOUNG DUCKS, but very bad for consumptives and people predisposed to pulmonary weaknesses. To all such the spring season is very trying, and great care should be taken to keep the body dry and warm, and all irritation of the throat and bronchial tubes allayed at once. The soothing properties of Coe's Cough Balsam render it the best friend, while all recent cases of consumptive's best friend, while all recent cases of consumptive's best friend, yield to its curative power. It is very readily taken, pleasant, safe, sure and cheap.

SCHENCK'S SEAWEED TONIC.—This medicine, invented by Dr. J. H. Schenck of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half-dozen bottles of the Seaweed Tonic and three or four boxes of the Mandrake Pills will cure any ordinary case of dyspepsia.

Dr. Schenck makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1.00 per bottle, or $7.50 the half dozen. All letters for advice should be addressed to Dr. Schenck's principal Office, No. 15, North 6th St., Phila., Pa.

WONDERFUL, BUT TRUE!—MADAME REMINGTON, the world-renowned Astrologist and Sonambulistic Clairvoyant, while in a clairvoyant state, delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometrope, guarantees to produce a perfect and life-like picture of the future husband or wife of the applicant, with date of marriage, occupation leading traits of character, &c. This is no imposition, as testimonials without number can assert. By stating place of birth, age, disposition, color of eyes and hair, and enclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture by return mail, together with desired information.

BEALE'S
(LATE POWELL'S) EMBROCATION,

For all Diseases incident to Horses, Cattle, and the Human Flesh, requiring the use of an external application.

This new Compound, prepared by a practical Chemist having a full knowledge of all the medical virtues of each ingredient that enters into its composition, is warranted to exceed anything of the kind ever yet offered to the public as an external application for the diseases which it is recommended. We are satisfied that it will work its own road into the confidence of all who use it, and those who try it once will never be without it, and therefore we rely on experience as the best test of its usefulness. It is pronounced by farriers, and all who have tried it to be the best application ever used. This Embrocation has been put up for over eight years, and it is only through the increasing demand and urgent request of my friends and the public that I send it forth as the grand remedial agent for the various diseases to which that noble and useful animal, the horse, is subject.

Many remedies have been offered to the public under different forms, some of these are injurious, others at best of little use, and many wholly improper to answer the purposes for which they are recommended.

A judicious and really useful composition, free from these objections, has therefore long been desired by many gentlemen who have valuable horses, and are unwilling to trust them to the care of designing and pretended farriers. Their wishes are at length fully gratified by Dr. Beale being prevailed upon to allow this valuable Embrocation (which has proved so efficacious to the various diseases) to be prepared and brought out to the public.

This Embrocation was extensively used by the Government during the war.

Address all Orders to
DR. EDMOND BEALE,
602 *South Second street, Philadelphia, Pa.*

AGUA DE MAGNOLIA!

The prettiest thing, the "sweetest thing," and the most of it, for the least money. It overcomes the odor of perspiration; softens and adds delicacy to the skin; is a delightful perfume; allays headache and inflammation, and is a necessary companion in the sick-room, in the nursery, and upon the toilet sideboard. It can be obtained everywhere at one dollar per bottle.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. * * * The Mexican Mustang Liniment relieved the pain almost immediately."
CHAS. FOSTER,
320 Broad St., Phila.

This is merely a sample of the testimony the Mustang Liniment will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, spavins, etc., either upon man or beast.

Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the *private* stamp of DEMAS BARNES & Co., New York.

WHAT DID IT.—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends in place of a rustic, blushed face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents.

Helmstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes stain and injure the hair. *Helmstreet's is not a dye*, but is certain in its results, promotes its growth, and is a beautiful HAIR DRESSING. Price 50 cents and $1.00. Sold by all dealers.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling. They now fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X," and then got the old granny legislators to pass a law "preventing disfiguring the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

THE COMIC MULES,

(Gabe and Shellbark,) will stir the risibilities of the audience, under the directions of their Trainer, DEN STONE. A novel and peculiar feature of Stone, Rosston & Murray's Great Circus, will be found in PROF. HUTCHISON'S

TROUPE OF EDUCATED DOGS,

one of the most entertaining, amusing and prettily pleasing episodes in this programme, and which cannot fail to secure universal approbation; both among the young and old, of THESE CANINE WONDERS.

☞ The Triumphal Entree Procession of Stone, Rosston & Murray's Combination will be redundant with magnificent panoramic pictures, forming a grand oriental Pageant, splendid beyond conception, and of a character never before seen in America. This gorgeous cavalcade will pass through the avenues of the place which this unequaled Circus is announced to exhibit at, about 10 A. M., giving the public an excellent opportunity to view the unparalled resources of this colossal consolidation.

The Gorgeous Tableau Chariot!

Prof. O. P. PERRY'S SILVER CORNET BAND will occupy this grand Chariot, and as the imposing procession parambulates, will discourse a "concord of sweet sounds. The rare beauty of the various Carriages, Chariots and Cars of this Monster Combination is beyond description, enriched and adorned as they are by descriptive paintings of historic interest.

Admission 25 cents. Children under 10 years years old, 25 cents.

☞ Two Performances daily. Afternoon at 2 o'clock, P. M.; Evening at 7½ P. M.

GRAND
FREE EXHIBITION
OF THE
Gymnastic Miracle
OF
ÆRONAUTIC-OSCILLATION!
OR,

FLYING IN THE AIR!

By the intrepid Pancratist,

SIGNOR FERDINAND,

The "Wonder of the World."

THE extraordinary gratuitous display of Sensational Gymnastic Feats will afford lovers of the marvelous a treat EXTRAVAGANTLY SUPERB and INEFFABLY BEAUTIFUL. The peerless Gymnast in the execution of this

Electrifying Act

Has attained the highest sublimities of his vocation, and his UNEXAMPLED DARING and SKILL form a Picturesque Spectacle—the most magnificent ever given to the human eye to contemplate.

☞ Messrs. STONE & ROSSTON designed this remarkable Free Exhibition of Ærial Flights for a GRAND FEATURE of their Inter-Entertainment; but the erection of the pillars and platform occupied so much valuable time, and required so great a space, that it was found very inconvenient and quite impossible to give it to their patrons without a long interruption of the brilliant Arenic Performances, and notwithstanding the enormous expense attending the production of this Gymnastic Marvel, Messrs. Stone & Rosston prefer to present it as a FREE OFFERING, rather than the Public should be deprived of witnessing the most elegantly and absolutely startling demonstrations of physical vigor and agility ever displayed by man.

☞ The exciting nature of those prodigious and novel Flights absorbed the attention and amazed the inhabitants of the principal cities of Europe, and the Press of that country teemed with laudatory eulogiums of the unequaled feats accomplished by Sig. F.

This splendid GRATUITOUS EXHIBITION will be given adjacent to the

STONE & ROSSTON CIRCUS PAVILION,
At One o'clock, P. M.

Upon a huge Platform placed on elevated pillars, enabling every spectator to obtain a complete view of this triumph of modern gymnastics. The Public can gain only a very faint idea from the various Pictorial Scenes of this stupendous display of its immense attractiveness and hazardous nature. It is the culminating glory of Pancratic Art and the grandest success of progressive talent known in history, yielding a distinction subordinate to no event recorded in the annals of Popular Amusements.

SPECIAL NOTICE.—Ladies and persons naturally nervous and timid, entertaining fears of accident to the fearless Pancratist, are respectfully informed, that in case SIG. FERDINAND should fall from his giddy eminence, novel arrangements are made by the use of India-rubber mattresses and springs in the platform to save him from serious injury. But he generally succeeds, with a polished grace and lustrous skill that ignores all peril, in achieving results undeniably amazing, causing the fascinated populace to applaud with enthusiastic frenzy and colossal shouts of admiration, so intensely captivating are the singular and majestic performances of

The Champion of Athletes.
