PENNSYLVANIA—SUBURBAN

RIDLEY PARK

Ridley Park Estates

High-class residence property being sold literally at a sacrifice. You have an opportunity to buy homesites here in RIDLEY PARK where the investment feature stands out prominently.

RIDLEY PARK ESTATES is situated on Chester Pike, the greatest thoroughfare in Southeastern Pennsylvania. This property was subdivided and placed on the market at prices actually below market value. It is being developed and modern bungalows are being built, improvements are being put in without cost to the purchasers.

Within the year homesites here will have doubled in value. Your opportunity to buy is now, before prices advance, and this you can do on very easy terms with our interest, which means that every dollar you pay is credited to your account. The time to buy property is during early development and take advantage of the certain rise in prices; this particularly applies to RIDLEY PARK ESTATES, as it practically constitutes the remaining undeveloped land in exclusive RIDLEY PARK BOROUGH.

Situated with a commanding view high above the Delaware River and in the very center of activity, with direct main lines of transportation, only a few minutes from Philadelphia or the big industries along the river.

The great shortage of homes in Philadelphia and environs gives to RIDLEY PARK ESTATES an enormous strategic advantage and will be practically solidly built on within another year. See and be convinced.

It is being sold very rapidly and will soon have passed out of our hands.

Come to RIDLEY PARK ESTATES at your earliest convenience and satisfy yourself.

To get to RIDLEY PARK ESTATES take train at Broad Street Station or West Philadelphia to Ridley Park, walk east on Hinkley avenue to property, or take trolley to Darby and change to Chester and Wilmington trolley and get off at property on Chester Pike in Ridley Park.

Bell phone Chester 71 and we will take you over the property at any time.
