BOILS.—Like the volcano, Boils give issue to the foul and fiery contents of the deep interior. To remove the cause of such suffering it is only necessary to vitalize the Blood by supplying it with its *Life Element*, IRON.

THE PERUVIAN SYRUP,

(a protected solution of the Protoxide of Iron) will do this effectually, and give *strength, vigor* and *new life* to the whole system.

Extract of a Letter from REV. RICHARD S. EDES, *of Bolton, Mass.*

"For years I was a sufferer from Boils, so that my life became wearisome through their frequent and persistent recurrence; finally a carbuncle formed in the small of my back. During its progress large pieces of decomposed flesh were every day or two cut away, and the prostration and general disturbance of the system were great.—Before I had recovered from this attack two smaller carbuncles broke out higher up, and I was again threatened with a recurrence of the sufferings to which I had so long been subjected. It was at this time that I commenced taking the PERUVIAN SYRUP. I continued taking it until I had used five bottles; since then I have had nothing of the kind. For years I was one of the greatest sufferers. Other medicines gave me partial and temporary relief, but this remarkable remedy, with a kind and intuitive sense, went directly to the root of the evil, and did its work with a thoroughness worthy of its established character."

AGENTS WANTED FOR

THE OFFICIAL HISTORY OF THE WAR,

ITS CAUSE, CHARACTER, CONDUCT AND RESULTS.

BY HON. ALEXANDER H. STEPHENS.

A Book for all Sections and all Parties.

This great work presents the only complete and impartial analysis of the cause of the War yet published, and gives those interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain spring, and which was so accessible to Mr. Stephens from his position as second officer of the Confederacy.

To a public that has been surfeited with APPARENTLY SIMILAR PRODUCTIONS, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The great American War has AT LAST found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgently demand.

The intense desire every where manifested to obtain this work, its Official character and ready sale, combined with an increased commission, make it the best subscription book ever published.

One agent in Easton, Pa. reports 72 subscribers in three days.

One in Boston Mass. 103 subscribers in four days.

One in Memphis Tenn. 106 subscribers in five days.
