THE REASON WHY MISHLER'S HERB BITTERS cures so many different diseases, is because it is the *best remedy* for a deranged stomach, or Dyspepsia, now known, and because it invigorates the entire system, strengthens the nervous fibres, elevates the standard of all the vital forces, and sustines a most healthful tone of the entire human organism. Medicine that will do this, will cure any disease, for the simple reason, that nature will do the rest.

We guarantee, that no woman or child, however pale and emaciated, can use these Bitters regularly for twenty-one days, without the return of the the rosy cheeks and fair complexion characteristic of good health.

SLIPS ON THE ICE DON'T GO OVER!—At least they ought'nt to. They're not healthy, though ever so fashionable. An ugly che-wollop on the ice once upon a time makes us rather scarry of the thing. But we can go our length on an Ice Cream gloriously, and can "break the ice" *manfully* in telling you that the "BARLEY SHEAF" Cooking Stove is one of the n-ice-st demesticators of the day, and literally worth its weight in green backs. We speak by the card when we say that the merits of the Barley Sheaf shall not be discarded, but rather proclaimed to every household in the land. Messrs. STUART, PETERSON & CO., Philadelphia, are the manufacturers. Beware of bogus "Barleys."

WISTAR'S BALSAM OF WILD CHERRY

For the cure of *Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchitis, Predisposition to Consumption, &c., &c.*

This great remedy is too well known and is performing too much good to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to health.

TESTIMONY OF MR. PETER SHAW.

WEST WINFIELD, N. Y., Dec. 19, 1860.

Messrs. S. W. Fowle & Son, Boston.

Gentlemen,—During the winter of 1858 I was very much out of health, afflicted with a severe *Cough, Pain in the side and Lo ngs* and a general depression of health to such an extent as greatly to alarm myself and friends as to the result. During this time I tried several highly recommended remedies, with little or no good result, and had concluded to try the effect of a Southern climate upon my health; but before carrying this resolution into effect, I was induced by the urgent solicitation of your agent, Mr. Huntley, to give Dr. Wistar's Balsam of Wild Cherry a trial. I did so, and to my great joy found immediate and permanent relief by the use of *only one bottle*, and I am now in as good health as ever. I believe your Balsam one of the best remedies for *Coughs, Colds* and all *Lung Diseases*, now in use, and conscientiously recommend it as such.

Yours truly, PETER SHAW.

Prepared by SETH W. FOWLE & SON, 18 Tremont-st., Boston, and for sale by Druggists generally.

GRACES CELEBRATED SALVE.

We are constantly hearing favorable reports from the those who have tried this remedy. Amy Anthony, wife of Mark Anthony, of this city, and living at No. 9 Locust street, afflicted with a felon on the finger, was recently induced to make a trial of the salve. Almost instantly she experienced relief from the pain, which had been almost unendurable. Every other remedy but this proved unavailing. Those who have tried it once are satisfied of its merits, and nothing will induce them to be without a supply.—*Pull River News.*

CONSUMPTIVES READ!

A Physician, who had consumption for several years, with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopeless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues; and he can ascribe the degree of health he now enjoys to nothing but the use of this medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others, induced him to hazard the experiment. To those suffering with this malady, he proffers a treatment which he confidently believes will eradicate the disease. Medicine forwarded by express. Send for circular, or call on DR. E. [Peace to the ashes of Benjamin Kreiter! During his residence in Monroe township, this co., some years since, the writer of these lines had many long and pleasant interviews with him.—He was an old school Democrat, and a man of uncommon energy, wisdom and foresight. In his conversations with young men he never failed to instruct, for "his words were words of wisdom." On more than one occasion have we prepared articles for the *Volunteer* from texts that dropped from his lips during his visits to our sanctum.—He was our warm friend, after we became editor of this paper, (young in years and with little experience,) and he appeared to take a deep interest in us and frequently called and tendered his valuable advice. He was a good man, and notwithstanding he was firm and steadfast in his religious and political views, he was universally respected, for all know him to be a man of unbending integrity and great goodness of heart. The great fund of information possessed by him, induced men to seek his company and to profit from his reasoning. In common with his many devoted admirers, we feel sad to record the death of our old friend.] B.

THE OFFICIAL HISTORY OF THE WAR,

ITS CAUSE, CHARACTER, CONDUCT AND RESULTS.

BY HON. ALEXANDER H. STEPHENS.

A Book for all Sections and all Parties.

This great work presents the only complete and impartial analysis of the cause of the War yet published, and gives those interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain spring, and which was so accessible to Mr. Stephens from his position as second officer of the Confederacy.

To a public that has been surfeited with APPARENTLY SIMILAR PRODUCTIONS, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The great American War has AT LAST found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgently demand.
