ENLARGED.—The Harrisburg daily *Patriot* comes to us greatly enlarged and with the names of B. F. Myers, D. W. Moore and Jno. W. Brown, at its head as editors and proprietors. Messrs. Boas and Miller, former proprietors, having sold to them. From the personal knowledge we have of these gentlemen, we can guarantee our readers that the *Patriot*, will be spirited, spicy and able, second to no Democratic journal in the State. To the outgoing as well as to the incoming proprietors, we wish the most unbounded success.

THE NEW FIFTEEN CENT NOTES.—The new fifteen cent notes have just been turned out by the printing division of the Treasury. The notes are of the same width, but somewhat shorter than the twenty-five cent notes. On the right side of the face is a vignette of Gen. Grant, and on the left a vignette of Gen. Sherman. Between the vignettes are the words, "Fifteen Cents," prominently displayed, and immediately beneath the figures "15." The back is similar in appearance to that of the twenty-five cent notes with the denomination on each end.

ARREST.—John Kennedy was arrested at Newville on Saturday evening last, by officer Chas. Sanno assisted by John S. Lyne, charged with assault and battery with intent to kill Charles Henneberger of that place.

☞ Poverty is bad, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage, and energy, but enrich the blood with its vital element, *Iron*, by taking the Peruvian Syrup (a protoxide of Iron), and you will feel rich and "as good as anybody."—Try it.

"Onward, right onward,
Into the Valley of death,
Rode the six hundred."

But larger, by hundreds multiplied into millions, than the doomed band who rode to swift destruction in Tennyson's poem, in the great cavalcade of unhappy men who are rushing to untimely graves, followed by the gaunt specture Dyspepsia. This is all wrong, and should cease. Plantation Bitters, the great Stomache Pain Killer, cures, Dyspepsia, Heartburn, Headache, Vertigo, Dullness, and all symptoms of kindred character, as if by magic. For Languor, Lassitude, Great Weakness and Mental Depression, they have a most wonderful effect.

A NEW REMEDY IN CONSUMPTION.

A Physician, who had consumption for several years, with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopeless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of this medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others, induced him to hazard the experiment. To those suffering with any disease of the Lungs, he proffers a treatment he confidently believes will eradicate the disease.—Price $1.50 per bottle or 8.00 per half dozen; sent by express. DR. E. BOYLSTON JACKSON,
Dec. 5, 1867—1y *No. 250 N. Tenth Street, Phila.*

THE REASON WHY MISHLER'S HERB BITTERS cures so many different diseases, is because it is the *best remedy* for a deranged stomach, or Dyspepsia, now known, and because it invigorates the entire system, strengthens the nervous fibres, elevates the standard of all the vital forces, and sustains a most healthful tone of the entire human organism. Medicine that will do this, will cure any disease, for the simple reason, that nature will do the rest.

We guarantee, that no woman or child, however pale and emaciated, can use these Bitters regularly for twenty-one days, without the return of the rosy cheeks and fair complexion characteristic of good health.

WISTAR'S BALSAM OF WILD CHERRY

For the cure of *Coughs, Colds, Hoarseness, Asthma Influenza, Croup, Whooping Cough, Bronchitis, Predisposition to Consumption, &c., &c.*

This great remedy is too well known and is per, forming too much good to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to health.

TESTIMONY OF MR. PETER SHAW.

WEST WINFIELD, N. Y., Dec. 10, 1860.

Messrs. S. W. Fowle & Son, Boston.

Gentlemen,—During the winter of 1858 I was very much out of health, afflicted with a severe *Cough, Pain in the side and Lungs* and a general depression of health to such an extent as greatly to alarm myself and friends as to the result. During this time I tried several highly recommended remedies, with little or no good result, and had concluded to try the effect of a Southern climate upon my health; but before carrying this resolution into effect, I was induced, by the urgent solicitation of your agent, Mr. Hunting, to give Dr. Wistar's Balsam of Wild Cherry a trial. I did so, and to my great joy found immediate and permanent relief by the use of *only one bottle*, and I am now in as good health as ever. I believe Your Balsam one of the best remedies for *Coughs, Colds* and all *Lung Diseases*, now in use, and conscientiously recommend it as such.

Yours truly, PETER SHAW.

GRACES CELEBRATED SALVE.

We are constantly hearing favorable reports from the those who have tried this remedy. Amy Anthony, wife of Mark Anthony, of this city, and living at No. 4 Locust street, afflicted with a fallon on the finger, was recently induced to make a trial of this salve. Almost instantly she experienced relief from the pain, which had been almost unendurable. Every other remedy but this proved unavailing. Those who have tried it once are satisfied of its merits, and nothing will induce them to be without a supply.—*Full River News.*

600 MILES OF THE *UNION PACIFIC* RAILROAD

Are are now finished and in operation. Sixty miles of track have been laid this Spring, and the work along the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire track, from Omaha to Sacramento, will be finished in 1869 instead of 1870. The means provided are ample, and all that energy, men and money can do to secure the completion of this

GREAT NATIONAL WORK,

at the earliest possible day, will be done.

The UNION PACIFIC RAILROAD COMPANY receive:

I.—A GOVERNMENT GRANT

of the right of way, and all necessary timber and other materials found along the line of its operations.

II.—A GOVERNMENT GRANT

of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This is an absolute donation, and will be a source of large revenue in the future.

III.—A GOVERNMENT GRANT

of United States Thirty-year Bonds, amounting to from $16,000 to $48,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to the government.

IV.—A GOVERNMENT GRANT

of the right to issue its own FIRST MORTGAGE BONDS, to aid in building the road, to the same amount as the U. S. Bonds, issued for the same purpose, and *no more*. THE GOVERNMENT PERMITS the Trustees for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class Railroad, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, carshops, locomotives, cars, &c.

V.—A CAPITAL STOCK SUBSCRIPTION

from the stock holders, of which *over Eight Million Dollars* has been paid in upon the work already done, and which will be increased as the wants of the Company require.

VI.—NET CASH EARNINGS

on its Way Business, that already amount to MORE THAN THE INTEREST on the First Mortgage Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTGAGE BONDS

upon such a property, costing nearly three times their amount,

ARE SECURE BEYOND ANY CONTINGENCY.

The Company have abundant means in their treasury, and make no appeal to the public to purchase their Bonds, as the daily subscriptions are entirely satisfactory; but they submit that, for entire security and liberal returns, there is certainly no better investment on the market.

The Union Pacific Bonds are for $1,000 each, and have coupons attached. They have thirty years to run, and bear annual interest, payable on the first days of January and July at the Company's Office in the City of New York, at the rate of six per cent. in gold. The principal is payable in gold at maturity. At the present rate of gold, these bonds pay an annual income on their cost of

NEARLY NINE PER CENT.,

AND IT IS BELIEVED THAT THEY MAY SOON BE AT A PREMIUM.

The Company reserve the right to advance the price of their bonds to a rate above par at any time and will not fill any orders or receive any subscriptions on any other terms than those actually issued at the Company's office before the time of such advance.

Subscriptions will be received in Carlisle by A. L. SPONSLER, and in New York

AT THE COMPANY'S OFFICE, No. 20 Nassau St.,

AND BY

JOHN J. CISCO & SON, Bankers, No. 59 Wall St.

And by the Company's advertised agents throughout the United States.

Remittances should be made in drafts or other funds par in New York, and the Bonds will be sent free of charge by return express. Parties subscribing through local agents will look to them for their safe delivery.

A PAMPHLET AND MAP FOR 1868 has just been published by the Company, giving fuller information than is possible in an advertisement, respecting the Progress of the Work, the Resources of the County traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices or to any of the advertised agents. JOHN J. CISCO, *Treasurer.*

Medical.

SHERK'S *BITTER TINCTURE OF ROOTS* WILL PERFECTLY CURE

Dyspepsia or Indigestion, Disordered Stomach and Liver, Costiveness, Impurity of Blood, Headache, Vertigo or Giddiness, Nervous Debility, Fever and Ague, Incubus or Nightmare, General Debility, Cramp, Colds, and Pains in the Back and Side.

This is not a new Medicine; the receipt for making it was brought from Germany to Baltimore, Md., over fifty years ago, by Mr. Klein, who introduced it among a few of his German friends and neighbors, who finding it to be an invaluable remedy for the above diseases recommended it to others until it became, and still continues to be, the household medicine of a large portion of the Germans of Baltimore.

THE BITTER TINCTURE OF ROOTS

is composed of the juices of a number of the most valuable roots and seeds known to the medical faculty, with a sufficiency of pure old rye whiskey to make one of the most effectual Tonic Tinctures ever offered to the public. Every person should use it every Spring, Summer and Fall to purify the blood, give tone to the stomach and invigorate the system.

TESTIMONIALS.

The Rev. Geo Hunter says:

I do hereby certify that having used one bottle of Sherk's Bitter Tincture of Roots, I have found it *invaluable* for the stomach and bowels. It relieved me of pains, nausea and costiveness and created an excellent appetite. I confidentially recommend it to all as a reliable medicine.
Jan. 27, 1868. GEO. HUNTER.

Having been afflicted for some time with dyspepsia, costiveness, loss of appetite, and general prostration of the system, I used Sherk's Bitter Tincture of Roots, and in a short time found myself entirely relieved, and my health restored.
No. 21 North Hanover St., Carlisle. J. S. HERBST.

I hereby certify that the Medicine, known as Sherk's Bitter Tincture of Roots, has to my knowledge cured costiveness, nightmare, loss of appetite and general debility. J. W. SMILEY,
No. 35 North Hanover St., Carlisle.

Having been afflicted with costiveness for a long time, I tried Sherk's Bitter Tincture of Roots, and have found I highly efficient, relieving me in a short time. Try it and you will find it good.
A. W. BENTZ,
No. 27 South Hanover St., Carlisle.

In the summer of 1866 my health failed so that my whole system was prostrated as if worn out, so that I was unfit for business. I used Sherk's Bitter Tincture of Roots for some time and was completely restored to health. I believe this medicine will do all that is claimed for it.
Carlisle, Feb. 1, 1868. SAM'L GOODYEAR.

Having been afflicted a long time with nervous debility and indigestion, I used Sherk's Bitter Tincture of Roots, and have found it exceedingly beneficial, and recommend it to all as a reliable medicine. Mrs. E. KELLER.

There is more medical virtue in one of these bottles than in a gallon of any of the Bitters and mixtures now offered to the public.

DR. CARRALL'S VEGETABLE CORDIAL, THE ONLY KNOWN CURE FOR THE GRAVEL, DIABETES, WEAKNESS AND INFLAMMATION OF THE KIDNEYS AND URINARY CHANNELS.—Dr. Carral, for the past several years has made the diseases of the kidneys his special study, and he now feels confident he has perfected a perfect cure for the same. The following are evidences of the kidneys being affected—First, a dullness in the small of the back when walking, standing, or lying too long, especially when first getting up in the morning, or in case of too much exercise. This is generally followed by a distress in the sides, stiffness and swelling of the limbs and stomach; also, a tendency to dropsey, shortness of breath, and rheumatic pains. Many people are confined to their homes with this disease, and have been given up to die with the dropsey or rheumatism, but this is an affection of the kidneys. They may know this by feeling worse when having cold, and in this case the urin will have a very high color. Diabetes is a weakness or inflamation of the kidneys and urinary channels, causing frequent discharges of urin, both day and night, these discharges are at times uncontrolable, at other times with pain and a very disagreeable burning. The Gravel is a stone, caused by a sediment which collects at the kidneys when they fail to act freely, then passing through the urinary channels there becomes an increasing stone. All this is caused by the kidneys not performing their proper functions. The experience of thousands is that CARRALL'S CORDIAL will dissolve this stone, so that it will pass without pain and clear out all that sediment from which it collects, and stimulate the kidneys to their proper action; therefore remove all the above mentioned troubles, use one of this article from one to three months will cure the most severe cases.
