Special Notices.

A FINN-ISHED FELLOW was Finn, the comedian! A day or two prior to one of his benefits—in Boston we think—he posted the following morceau:

"Like a *grate* full of coals I burn,
A *great* bill last, to see;
And if I prove not *grateful* too,
A *great* fool I shall be!"

A grate full of coals at this freezing juncture of the year is a blessing for which we should be grateful; but that great old-fashioned institution is fast giving way to a greater domestic convenience, the great "Barley Sheaf" Cooking Stove, the demand for which is already so great, that buyers will find it greatly to their interest, to hand in their orders early. Thou "Barley Sheaf" when shall we see a greater? Not for a great while, unless we are greatly mistaken—and we ain't. Messrs. STUART, PETERSON & CO. are the great manufacturers. The "Barley Sheaf," burns either wood or coal with great economy.

The Editor of the "REVIEW," *Washington, Penn., writes as follows:*

A STANDARD MEDICINE.—Among the few remedies for the curing of disease, that has stood the test of experience and grown into popular favor is Hoofland's German Bitters. This Bitters has been placed before the public for many years, and has been constantly growing in reputation. In many cases of Liver Complaint, Dyspepsia, Disorder of the Digestive Organs, &c., it is used with the greatest success, and is often prescribed by the most skillful and experienced physicians.

To those afflicted with any of the diseases arising from bilious disorders of the stomache, and diseases resulting from a disordered condition of the digestive organs, this Bitters is said to be invaluable.

The Bitters is not an alcoholic drink, and a taste for alcoholic stimulants is therefore not engendered by its frequent use.

We believe that if our people—our farmers and mechanics, and all who are obliged to work out of doors in the wet and rainy weather of the spring and fall, would use the Bitters as directed a large proportion of the fevers and bilious complaints with which we are afflicted, would entirely cease.

HOOFLAND'S GERMAN TONIC is a compound made with all the ingredients of Hoofland's German Bitters, to which is added PURE Santa Cruz Rum, orange, anise, &c., making a preparation of rare value, agreeable and pleasant. It is used for the same diseases as the Bitters, by those requiring some Alcoholic Stimulus.

DEBILITY.—Every one at times feels the necessity of something to *tone up the system* depressed by mental or bodily exhaustion. At such times let every one, instead of taking alcoholic or medicinal stimulants, which afford only a temporary relief, reinvigorate his debilitated system by the natural tonic of medicine, the

PERUVIAN SYRUP

or Protected Solution of the Protoxide of Iron, which vitalizes and enriches the blood by supplying it with its Life Element, Iron.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing STRENGTH, VIGOR and NEW LIFE into all parts of the system, and building up an IRON CONSTITUTION.

WM. C. STERLING, Esq., of Poughkeepsie, N. Y., says:

"Since taking the Peruvian Syrup I feel better my strength is improved, my bowels are regular, my appetite first rate.

There is an old Physician in this city (older than I am), who has been in the Drug business for 40 years, who has used the Syrup for three months, and gives it as his decided opinion, that it is the best alternative Tonic medicine he ever knew."

For Dyspepsia and Female Weakness, the Peruvian Syrup is a Specific. A 32 page pamphlet sent free. The genuine has "Peruvian Syrup" blown in the glass.

THE "MESSENGER OF HEALTH," Edited at the Pennsylvania Institute of Medicine contains an article on Dyspepsia, Chills and Fever and Kidney affections, in which the writer positively declares that the whole science of Medicine possesses no remedy for the cure of those diseases that is half as efficacious as Mishler's Herb Bitters. He speaks from experience, having used them in his practice for the past two years, to the exclusion of all other remedies, and without a solitary instance of failure.

A NEW REMEDY IN CONSUMPTION.

A Physician, who had consumption for several years, with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopeless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues; and he can ascribe the degree of health he now enjoys to nothing but the use of this medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others, induced him to hazard the experiment. To those suffering with any disease of the Lungs, he proffers a treatment he confidently believes will eradicate the disease.—Price $1.50 per bottle or $6.00 per half dozen; sent by express. IF A HUMBUG,
What a wonder
That the doors
Are open wide;
Ever since the
First of August
Thousands have
Pain Paint applied.
Those who lie,
Or call it humbug,
Are the doctors,
Not acquaint;
For they always
Have recourse to
When their patients
Use Pain Paint.
Pile up facts
As high as mountains,
Flash the truth
Before their eyes,
But the cry
Is always humbug,
Men of science
Full of lies.

People know that liniments composed of Cayenne Pepper, Turpentine, Hartshorn, Ether, &c., will produce inflammation and pain. To purchase such trash to stop Pain and Inflammation is ridiculous. Fire will not stop heat; a dumb brute shuns the heat, and knows enough to wade in a *pond of water*, when wounded, to reduce, cool, and cure inflammation and Fever.

Pimps and gamblers try to look honest, but *folks can read the face too plainly*. Some try to persuade the ignorant that pills, physic, &c., cleanse the blood, purge the system, and do a hundred other things equally absurd. Everybody knows that it is false, and no medicine can purify or increase a drop of blood. Food makes blood, bone, and muscle, and is the Staff of Life. Every dose of medicine swallowed is rejected, and hurried out of the system as quick as possible. It is an enemy; yea, a deadly foe. Constipation, ill health, and weakness, are the result of dosing, dosing, dosing the stomach. The living system has enough to do without working herself to death in expelling and kicking out the *pernicious nostrums poured down the throat.*—A good she welcomes when she needs it; yea, asks for it. Let pill-makers and physic venders stop eating food, and see how long they can subsist on *their blood-purifying, invigorating, health-giving* medicines and cordials. What humbug is more transparent? A dog would feel so insulted, if offered a dose, he would curl his tail downward in scorn, and run away in utter disgust. All physical pain arises from inflammation. Put out the fire and you stop pain absolutely. You can stop pain as easy as you can quench fire with water. WOLCOTT'S PAIN PAINT subdues inflammation, heat, and fever one hundred times faster than ice. Thousands have had a practical test of its merits at the very moment of most extreme pain, and they can testify that it has not failed in doing its work; *it is harmless; it has no stain; it gives no smart; it is simple; it is for sale by Druggists everywhere; and it has tested free of cost at 109 CHATHAM SQUARE, N. Y., and 622 Arch Street, Philadelphia.*

My wife had an ulcer on her leg for thirteen years caused by varicose veins, ulceration extending from her ankle to her knee, some places eating away to the bone, I have employed over twenty physicians at vast expense during this period. But all attempts at cure proved utterly abortive until I tried Dr. Wolcott's Pain Paint, which the doctors told me was a humbug. But humbug or not, it has done the work completely in less than one month, removing the pain at the first application. I keep her leg wet with Pain Paint constantly until healed. I wish we had more humbugs as useful as Dr. Wolcott's Pain Paint. I am well known in this city, any person who wants to make further inquiry will call at 101 West Street, New York, at the Hanover Hotel, where I am the proprietor, and I think I can satisfy them as to the benefit derived by the use of Pain Paint.

540 MILES
OF THE
UNION PACIFIC
RAILROAD

are now finished and in operation. Sixty miles of track have been laid this Spring, and no work rising the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire track, from Omaha to Sacramento, will be finished in 1869 instead of 1870. The means provided are ample, and all that energy, men and money can do to secure the completion of this

GREAT NATIONAL WORK,

at the earliest possible day, will be done.

The UNION PACIFIC RAILROAD COMPANY receive:

I.—A GOVERNMENT GRANT

of the right of way, and all necessary timber and other materials found along the line of its operations.

II.—A GOVERNMENT GRANT

of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This land is absolutely free of taxation, and will be a source of large revenue in the future.

III.—A GOVERNMENT GRANT

of United States Thirty-year Bonds, amounting to from $16,000 to $48,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to the government.

IV.—A GOVERNMENT GRANT

of the right to issue its own FIRST MORTGAGE BONDS, to aid in building the road, to the same amount as the U. S. Bonds, issued for the same purpose, and *no more*. THE GOVERNMENT PLACES the Trustees for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class railroad, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, carshops, locomotives, cars, &c.

V.—A CAPITAL STOCK SUBSCRIPTION

from the stock holders, of which *over Eight Million Dollars* has been paid in upon the work already done, and which will be increased as the wants of the Company require.

VI.—NET CASH EARNINGS

on its Way Business, that already amount to MORE THAN THE INTEREST on the First Mortgage Bonds. These earnings are the education of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTGAGE BONDS

upon such a property, costing nearly three times their amount,

ARE SECURE BEYOND ANY CONTINGENCY.

The Union Pacific Bonds run thirty years, are for $1,000 each, and have coupons attached. They bear SIXPER CENT INTEREST, payable on the first days of January and July at the Company's Office in the City of New York, at the rate of six per cent. in gold. The principal is payable in gold at maturity. The price is $102, and at the present rate of gold, they pay a liberal income on their cost.

It is Company believe that these bonds, at the present rate, are the cheapest security in the market, and reserve the right to advance the price at any time.

Subscriptions will be received in Carlisle by A. L. SPONSLER, and in New York

AT THE COMPANY'S OFFICE, No. 20 Nassau St.,
AND BY
JOHN J. CISCO & SON, Bankers, No. 59 Wall St.
And by the Company's advertised agents throughout the United States.

Remittances should be made in drafts or other funds par in New York, and the Bonds will be sent free of charge by return express. Parties subscribing through local agents will look to them for their safe delivery.

A PAMPHLET AND MAP FOR 1868 has just been published by the Company, giving fuller information than is possible in an advertisement, respecting the Progress of the Work, the Resources of the County traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices or to any of the advertised agents. JOHN J. CISCO, *Treasurer,*

SHERK'S
BITTER TINCTURE OF ROOTS
WILL PERFECTLY CURE

Dyspepsia or Indigestion, Disordered Stomach and Liver, Costiveness, Impurity of Blood, Headache, Vertigo or Giddiness, Nervous Debility, Fever and Ague, Incubus or Nightmare, General Debility, Cramp, Colds, and Pains in the Back and Side.

This is not a new Medicine; the receipt for making it was brought from Germany to Baltimore, Md., over fifty years ago, by Mr. Klein, who introduced it among a few of his German friends and neighbors, who finding it to be an invaluable remedy for the above diseases recommended it to others until it became, and still continues to be, the household medicine of a large portion of the Germans of Baltimore.

THE BITTER TINCTURE OF ROOTS

is composed of the juices of a number of the most valuable roots and seeds known to the medical faculty, with a sufficiency of pure old rye whiskey to make one of the most effectual Tonic Tinctures ever offered to the public.—Every person should use it every Spring, Summer and Fall to purify the blood, give tone to the stomach and invigorate the system.

TESTIMONIALS.

The Rev. Geo Hunter says:

I do hereby certify that having used one bottle of Sherk's Bitter Tincture of Roots, I have found it *invaluable* for Costiveness and Bowels. It relieved me of pains, nausea and costiveness and created an excellent appetite. I confidentially recommend it to all as a reliable medicine.

No. 27 South Hanover St., Carlisle.

In the summer of 1865 my health failed so that my whole system was prostrated as if worn out, so that I was unfit for business. I used Sherk's Bitter Tincture of Roots for some time and was completely restored to health. I believe this medicine will do all that is claimed for it.
Carlisle, Feb. 1, 1868. SAM'L GOODYEAR.

Having been afflicted a long time with nervous debility and indigestion, I used Sherk's Bitter Tincture of Roots, and have found it exceedingly beneficial, and recommend it to all as a reliable medicine. Mrs. E. KELLER.

There is more medical virtue in one of these bottles than in a gallon of any of the Bitters and mixtures now offered to the public.

DR. CARRALL'S VEGETABLE CORDIAL, THE ONLY KNOWN CURE FOR THE GRAVEL, DIABETES, WEAKNESS AND INFLAMATION OF THE KIDNEYS AND URINARY CHANNELS.—Dr. Carrall, for the past several years has made the diseases of the kidneys his special study, and is now able to put before the public a perfect cure for the same. The following are evidences of the kidneys being affected—First, a distress in the small of the back when walking, standing, or lying too long, especially when first getting up in the morning, or in case of too much exercise. This is generally followed by a distress in the sides, stiffness and swelling of the limbs and stomach; also, a tendency to dropsy, shortness of breath, and rheumatic pains. Many people are confined to their homes with this disease, and have been given up to die with the dropsy or rheumatism, but this is an affection of the kidneys. They may know this by feeling worse when having cold, and in this case the urin will have a very high color. Diabetes is a weakness or inflammation of the kidneys and urinary channels, causing frequent discharges of urin, both day and night, these discharges are at times uncontrolable, at other times with pain and a very disagreeable burning. The Gravel is a stone, caused by a sediment which collects at the kidneys when they fail to act freely, then passing through the urinary channels there becomes an increasing stone. All this is caused by the kidneys not performing their proper functions. The experience of thousands is that CARRALL'S CORDIAL will dissolve the stone, so that it will pass without pain and clear out the alkali sediment from which it collects, and stimulate the kidneys to their proper action; thereby removing all the above enumerated trouble, the use of this article from one to three months will cure the most severe cases.
