Insuring the Value of a Used Car

That is exactly what the "One Price Plan" does for the purchaser of a Sweeten used car.

Every car in our salesroom has been subjected to a most critical examination.

We are not dealers of "second-hand" cars in the ordinary sense. We clear used cars as a matter of service to buyers of new Franklins, rather than for profit.

The appraisement price given the former owner, plus the expenses incurred for necessary repairs, fixes the re-sale price.

That price is not open to "dickering." It represents exact value—nothing more. It's the best kind of insurance for buyers of used cars.

Ask for our "Used Car Bulletin" containing attractive list of used cars of known value.
